Directions in Music Cataloging Peter H. Lisius,Richard Griscom,2012-01-01 In Directions in Music Cataloging ten of the field s top theoreticians and practitioners address the issues that are affecting the discovery and use of music in libraries today Anyone who uses music in a library be it a teacher researcher student or casual amateur relies on the work of music catalogers and because these catalogers work with printed and recorded materials in a wide variety of formats they have driven many innovations in providing access to library materials As technology continues to transform the discovery and use of music they are exploring ways to describe and provide access to music resources in a digital age It is a time of flux in the field of music cataloging and never has so much change come so quickly The roots of today s issues lie in the past and the first part of the volume opens with two articles by Richard P Smiraglia that establish the context of modern music cataloging through research conducted in the early 1980s The second part explores cataloging theory in its current state of transition and the concluding part looks to the future by considering the application of emerging standards The volume closes with a remembrance of A Ralph Papakhian 1948 2010 the most prominent music cataloger of the past thirty years a figure who initiated many of the developments covered in the volume and who served as a teacher and mentor for all of the contributors

The Boston Composers Project Boston Area Music Libraries,1983 The bibliography lists nearly 5 000 compositions by 200 composers of jazz and art music indicating where scores or realizations can be purchased rented or borrowed and which Boston area libraries have them in their collections The Famous Feud Project Casian Anton,2024-01-12 In the history of human nature there are conflicts with a happy ending or with a tragic ending The Famous Feud in general seems to have a happy ending with one winner Taylor Swift From my point of view the Famous Feud ended in July 2016 In June 2017 I was convinced that Taylor Swift was the victim for the second time of Kanye West In October 2023 after I have updated the entire research on the Famous Feud the original conclusion did not change I created this edition to include everything I wrote about the Famous Feud It is an edition for people interested in reading the entire Famous Feud story from A to Z The Famous Feud Project report has two parts Part 1 Music in Black and White A Journey Behind the Musical Notes Part 2 On the Famous Feud Enjoy your reading *Making Projects Sing* Raji Sivaraman,Chris Wilson,2016-04-18 This book explores project management PM from a musical perspective Music is a significant example of a nontraditional arena where PM is vital yet it is only beginning to be seen as a vital tool Therefore this book will give an in depth and preeminent look at the PM processes and knowledge areas that are of utmost importance in many fields that PM is not used for currently Seeking to understand projects in musical ways synergies between music and the wider project management profession are many and varied Written and developed by international experts in the project management and music professions this book represents a unique and insightful approach to the study of the subject The authors take a fresh look at practical models of musical thinking capable of application at every scale of project management and in every possible project management environment
