Prolegomena to the Study of Love

Alan Soble

Emeritus Research Professor of Philosophy, University of New Orleans, New Orleans, LA 70148, USA; asoble@uno.edu

Abstract: Consider this propositional function which includes the dyadic predicate “loves”: “ X does not love Y unless Y loves X ” (or “if Y does not love X ”). This function may be treated in four ways. (1) If universally quantified, it states a (purported) conceptual truth about “love” or the nature or essence of love. Love is necessarily reciprocal. (2) If universally quantified, it may alternatively be a nomological generalization stating an empirical or factual truth about human nature, i.e., about a pattern of reciprocity that occurs among people who are independently identified as lovers. (3) If instantiated with constants, it is an empirical proposition about the attitudes or behaviors of particular individuals (a, b, c). Finally, (4) the function may be treated axiologically; it expresses a normative judgment about what love ought to be or what lovers ought to feel or do. Other propositional functions may be constructed for the constancy, exclusivity, and benevolence of love. This essay investigates the implications of these understandings of the function and how they are logically related to each other.

Keywords: love; reciprocity; benevolence; J. David Velleman; metaphilosophy

They didn’t have the same interests. Liz spent her leisure time riding, kept her mare Polly in the backyard. Brian liked visiting museums and galleries. Liz enjoyed a good steak; Brian was a non-obnoxious vegetarian. Brian liked culture-vulture holidays in Greece; Liz rather fancied white-water rafting. It had to be love: there was nothing else keeping them together.

Jo Bannister, *Broken Lines* (1998)

What follows is a contribution to the metaphilosophy of love. In Section 1, the fundamental categories—conceptual (or analytic) philosophy, empirical (or factual) science, and normative (moral, ethical) judgments—are explained, contrasted, and illustrated. In Section 2, the benevolence of love, its nature and extent, provide an amenable topic for the application of these categories. In particular, J. David Velleman’s well-known take on love is examined. Section 3 contains general conclusions and final observations.

1. The Terrain

Consider this reciprocity formula, in which “ Lxy ” means “ x loves y ” and for which the domain of discourse is persons (hence Polly is excluded):

$$(x)(y)(\neg Lxy \rightarrow \neg Lyx).$$

That is, x does not love y if y does not love x , or x loves y only if y loves x ¹. The formula may be deployed in various ways.

(α) *Individual Psychology.* The formula may be instantiated with a constant “ a ”, the name of a particular person. The purpose is to focus on the psychological facts or, more broadly, the nature or character of “ a ”. In this case, the truth of $(y)(\neg Lya \rightarrow \neg Lay)$ may be investigated, a formula which says that person “ a ” loves no one unless “ a ” is loved in return, no matter who that other person is. It may be discovered empirically that “ a ”, or the psychology of “ a ”, demands this universal reciprocity, which prohibits $Lab \ \& \ \neg Lba$, Lac

Prolegomena To The Study Of Yeatss Poems

Adelyn Dougherty

Prolegomena To The Study Of Yeatss Poems:

Prolegomena to the Study of Yeats's Poems George Brandon Saul, 1957 **Prolegomena to the Study of (William Butler) Yeats's Poems** William Butler Yeats, 1971 **Prolegomena to the Study of Yeats's Plays** George Brandon Saul, 2016-11-11 This book is in a sense complementary to the author's *Prolegomena to the Study of Yeats's Poems* Based on the reasonably definitive *Collected Plays* London 1952 New York 1953 it essays for each play a correction of any error in final dating if such error exists a full publication record keyed to a complete bibliography followed by a reference to Wade's Bibliography for every translation there recorded notations on first production if the play has had production a statement of what is known about dates of composition and revision and relevant concerns resolution in careful glosses of conceivable obscurities reference to really important critical comment and pertinent suggestion of parallel passages Appendices present notes on uncollected or unpublished Yeatsian drama and on the many errors of the 1953 American edition of the plays This comprehensive study will be valuable to all Yeatsians and students of the Irish Renaissance in general as well as anyone seriously concerned with modern drama Like its sister *Prolegomena* it will be a particular timesaver to neophytes in Yeatsian scholarship **A Study of Rhythmic Structure in the Verse of William Butler Yeats** Adelyn Dougherty, 2018-11-05 No detailed description available for *A Study of Rhythmic Structure in the Verse of William Butler Yeats* **The Poems of W.B. Yeats** Peter McDonald, 2023-05-31 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats's poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats's poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet In this third volume Yeats's poetry of the first decade of the twentieth century is brought into sharp focus revealing the extent of his efforts to re-fashion a style that had already made him a well known poet All of the major modes in Yeats's earlier work are subject to radical re-imagining in these years from poetic narrative founded in Irish myth in poems such as *Baile and Ailinn* and *The Old Age of Queen Maeve* to the symbolist drama poetry of *The Shadowy Waters* here edited in its two completely different versions of 1900 and 1906 In a decade when the theatre was one of Yeats's principal concerns his lyric poems which were becoming increasingly explicit in personal terms began to discover new intensities of conversational pitch and mythic resonance Poems such as *The Folly of Being Comforted* *Adam's Curse* *No Second Troy* and *The Fascination of What's Difficult* are given close attention in this new edition alongside topical and epigrammatic pieces that are often

passed over in accounts of Yeats's development. The evolving complexities of Yeats's personal and political lives are crucial to his artistic growth in these years and the commentary gives these generous attention showing how the poetry both feeds upon and often transcends the circumstances of its composition. The volume offers strong evidence for this decade as a crucial one in Yeats's poetic life in which the poet created wholly new registers for his verse as well as new dimensions for his imaginative vision.

Yeats's Poems A. Norman Jeffares, 2017-01-10 William Butler Yeats is considered Ireland's greatest poet. He is one of the most significant literary figures of the twentieth century. He was awarded the Nobel Prize for Literature in 1923. This is the definitive collection of his poems encompassing the full range of his powers from the love lyrics to the political poems from poems meditating on the bliss of youth to the verse that rails against old age. A detailed notes section and full appendix provide an invaluable key to the poems as well as biographical information on the life of the poet and a guide to his times. The collection includes Yeats's fourteen books of lyrical poems, his narrative and dramatic poetry and his own notes on individual poems.

Yeats's Poems W. B. Yeats, 1989-10-19 Here in one volume is the entire canon of Yeats's verse who was awarded the Nobel Prize for Literature in 1923. He was a poet and playwright, storyteller and visionary. The author also wrote *Yeats: Man and Poet*.

The Collected Works of W.B. Yeats Volume I: The Poems William Butler Yeats, 2010-06-15 Breathtaking in range. *The Collected Poems of W.B. Yeats* includes all of the poems authorized by Yeats for inclusion and encompasses the entire arc of his career: reworkings of ancient Irish myths and legends, meditations on youth and old age, whimsical songs of love and somber poems of life in a nation torn by war and uprising. *The Collected Poems of W.B. Yeats* includes all of the poems authorized by Yeats for inclusion in his standard canon. Breathtaking in range, it encompasses the entire arc of his career from luminous reworkings of ancient Irish myths and legends to passionate meditations on the demands and rewards of youth and old age, from exquisite, occasionally whimsical songs of love, nature and art to somber and angry poems of life in a nation torn by war and uprising. In observing the development of rich and recurring images and themes over the course of his body of work, we can trace the quest of this century's greatest poet to unite intellect and artistry in a single magnificent vision. Revised and corrected, this edition includes Yeats's own notes on his poetry, complemented by explanatory notes from esteemed Yeats scholar Richard J. Finneran. *The Collected Poems of W.B. Yeats* is the most comprehensive edition of one of the world's most beloved poets, available in paperback.

A Commentary on the Collected Poems of W. B. Yeats A. Norman Jeffares, 1968-06-18 *A Literary History of England Vol. 4* A. Baugh, Kemp Malone, 1959 *Editing Yeats's Poems* Richard J. Finneran, 1983-05-12

Selected Poems And Four Plays William Butler Yeats, 1996-09-09 Remaining the definitive selection of W.B. Yeats's finest work, this revised edition of M.L. Rosenthal's classic selection of 211 of Yeats's poems and four of his plays represents the essential achievement of Ireland's greatest lyric poet.

W.B. Yeats: Last Poems Jon Stallworthy, 1990 This is a Bloomsbury Academic title. For our full Academic Catalogue, please visit <https://www.bloomsbury.com/uk/academic>.

W.B. Yeats Norman A. Jeffares, 2013-06-17

This set comprises of 40 volumes covering nineteenth and twentieth century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 Biblical Echo and Allusion in the Poetry of W.B. Yeats Dwight Hilliard Purdy,1994 This book treats the poetics of biblical allusion in the lyric poetry of William Butler Yeats and the ways in which the King James Bible became for Yeats a model for poetry as a communal voice shaping a culture The introduction analyzes the critical history of what Eleanor Cook has termed the poetics of allusion emphasizing the work of the Italian rhetorician Gian Biagio Conte and the American critic and poet John Hollander The major topics considered here are allusions as the intersections of texts as figures of speech and as structural signifiers the centrality of the reader in the study of allusion the quality of allusions their placement and varying degrees of clarity and the centrality of the study of allusion to cultural criticism The first chapter is concerned with the development of the Bible as a model for secular poetry from the late eighteenth century to Yeats surveying Bishop Lowth Blake Coleridge Wordsworth Shelley and Matthew Arnold as well as Yeats s references in his prose works to the Bible as a model for art and the artist and his desire to restore the Bible as sacred text yet write his own Bible Chapters 2 through 5 take up in detail the poetics of biblical allusion and echo in the poems Chapter 2 treats the poetry of the nineties here Yeats usually engages the Bible as an antagonist subverting it for the sake of a Celtic consciousness denying its exclusive claim to spiritual truth But many biblical echoes show Yeats s dependence upon the Bible as a guide to poetic language Chapter 3 concerns the poetry from In the Seven Worlds to The Wild Swans at Coole Yeats looks on Scripture with an ironic eye often replacing it with what he calls haughtier texts the parables prayers visions and private revelations that mirror biblical models and make biblical texts into warrants for his own theory of rebirth Chapter 4 is a close reading of biblical intertextuality in seven poems The Second Coming Sailing to Byzantium Meditations in Time of Civil War Nineteen Hundred and Nineteen Prayer for My Son Dialogue of Self and Soul and Vacillation In these major poems Yeats displays his antitheticality as Hazard Adams calls it putting into dramatic tension biblical texts and his own heterodox ideas about birth death and resurrection Chapter 5 examines the poetry after Vacillation where Yeats gives biblical texts often text used before a new sensual gloss but also admits the limits of a high talk derived from scriptural language Chapter 6 places Yeats in the broad context of biblical intertextuality working backward from modernism to Romanticism First the study contrasts Yeats with two of his contemporaries D H Lawrence and T S Eliot for whom the Bible always asserts its religious authority in the Victorian tradition of Arnold Clough Browning and Tennyson The study concludes by comparing Yeats to Wordsworth and Shelley Although Yeats is deeply indebted to them his attitude is distinct from theirs even when rejecting the Bible Wordsworth and Shelley accept a dogmatic view of it while Yeats escapes dogmatism BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Poems of W.B. Yeats: A New Selection A. Norman Jeffares,1988-07-06 This selection of 239 poems is supported by a critical

introduction very full explanatory notes a bibliographical summary of Yeats's life maps a glossary of Irish names and places and their pronunciation and a bibliography For this second edition the notes have been thoroughly revised and updated

Unlocking the Poetry of W. B. Yeats Daniel Tompsett, 2018-06-13 Unlocking the Poetry of W B Yeats undertakes a thorough re-reading of Yeats's oeuvre as an extended meditation on the image and theme of the heart as it is evident within the poetry It places the heart at the centre of a complex web of Yeatsian preoccupations and associations from the biographical to the poetic and philosophical to the mythological and mystical In particular the book seeks to unlock Yeats's mystifying aesthetic vision via his understanding of the ancient Egyptian Weighing of the Heart ceremony The work provides a chronological narrative arc that looks to use the theme of the heart as it recurs in the poetry in order to circumvent and overcome more established frameworks Its purpose is to offer refreshing ways of conceptualizing and building alternatives to more deeply entrenched but not entirely satisfactory arguments that have been offered since Yeats's death in 1939 while demonstrating the centrality of the occult to Yeats's art

COLLECTED POEMS OF W.B. YEATS William Butler Yeats, 2008-06-30 The Collected Poems of W B Yeats includes all of the poems authorized by Yeats for inclusion in his standard canon Breathtaking in range it encompasses the entire arc of his career from luminous reworkings of ancient Irish myths and legends to passionate meditations on the demands and rewards of youth and old age from exquisite occasionally whimsical songs of love nature and art to somber and angry poems of life in a nation torn by war and uprising In observing the development of rich and recurring images and themes over the course of his body of work we can trace the quest of this century's greatest poet to unite intellect and artistry in a single magnificent vision Revised and corrected this edition includes Yeats's own notes on his poetry complemented by explanatory notes from esteemed Yeats scholar Richard J Finneran The Collected Poems of W B Yeats is the most comprehensive edition of one of the world's most beloved poets available

Rhyme and Meaning in the Poetry of Yeats Marjorie Perloff, 2019-03-18 No detailed description available for Rhyme and Meaning in the Poetry of Yeats

Selected Writings: Poetry of grammar and grammar of poetry Roman Jakobson, 1962

Prolegomena To The Study Of Yeatss Poems Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Prolegomena To The Study Of Yeatss Poems PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes

intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Prolegomena To The Study Of Yeatss Poems PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Prolegomena To The Study Of Yeatss Poems free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Prolegomena To The Study Of Yeatss Poems Books

What is a Prolegomena To The Study Of Yeatss Poems PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Prolegomena To The Study Of Yeatss Poems PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Prolegomena To The Study Of Yeatss Poems PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Prolegomena To The Study Of Yeatss Poems PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Prolegomena To The Study Of Yeatss Poems PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing

features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
