**Daniel F McAuley**

## **Prologos Gloucesterman:**

**Prologos** Jonathan Bayliss, 2015-04-01 Prologos is Jonathan Bayliss's sparkling complex experimental playful serious richly detailed literary masterpiece of the 20th century whose protagonist Michael Chapman is the author or controller of the other three novels in Bayliss's GLOUCESTERMAN tetralogy. The foreground is California's Bay Area about a decade after the end of World War 2. The background is the pre-war East Coast Cambridge Gloucester Manhattan and the wartime and post-war Pacific of Chapman's Naval service. Living in Oakland with wife and children he yearns for the Gloucester that he left as a child and for the European world he's never seen. He is torn three ways by domestic love by the practical matters of his livelihood and by the conflicts of intellectual life. No one reader will sympathize with all the manias or crochets either of Chapman or of his friend Caleb Karcist. But a thoughtful reading will engage almost anyone's mind with the novel's intellectual departures from traditional narrative. Prologos generates anthropological economic technical and literary ideas from a base of erotic and social realism. This novel is a diamond mine for digging a sandy stream for panning gold.

**Gilgamesh Plays** Jonathan Bayliss, 2017-03-21 These dramatic works The Tower of Gilgamesh and The Acts of Gilgamesh take place in Sumer now southern Iraq where it is said that civilization began the first writing numbering and accounting systems the first literature and for better or worse the Tower of Babel. Loosely based on the Gilgamesh legend together the plays form a comedic tragedy exploring with humor imagination and spirited language ideas about free will love creativity friendship and religion. Jonathan Bayliss 1926-2009 is also the author of the novels Prologos Gloucesterbook Gloucestertide and Gloucestermas which form his expansive fiction tetralogy GLOUCESTERMAN. **Gloucestertide** Jonathan Bayliss, 2013-03-28 Jonathan Bayliss's groundbreaking fiction the tetralogy GLOUCESTERMAN has been compared to the works of Sterne Melville Joyce Broch and Musil. Like the other GLOUCESTERMAN novels Gloucestertide is inventive good humored and thought provoking. It explores Bayliss's wide ranging interests including theater systems engineering financial webs liturgy railroads geography and politics as well as the challenges of friendship love sex art and work. The setting is Dogtown on Cape Gloucester in the 1960s. **Gloucestermas** Jonathan Bayliss, 2013-11-14 Gloucestermas is the culmination of Jonathan Bayliss's masterwork GLOUCESTERMAN a tetralogy reviewers have compared to the fiction of Sterne Melville Joyce Broch and Musil. Like Gloucesterbook and Gloucestertide this richly detailed playful and expansive novel is centered on the Atlantic Coast's seaport Dogtown on Cape Gloucester. Rafe Opsimath and Caleb Karcist are now older with new practical social and intellectual preoccupations in 1980s Dogtown. Woven into the narrative are the Cape Gloucester and Isle of Man of the 1920s Dogtown legends and municipal affairs the fate of the schooner Gloucesterman and a Court of Love. Expanding the network of friends spouses and lovers new central characters are intertwined in the sprawling web of ideas history geography responsibility experience conversation and love that make GLOUCESTERMAN unique in the world of literature. Gloucestermas may be enjoyed independently or alongside the previous novels in the GLOUCESTERMAN

series headed by Prologos and including Gloucesterbook and Gloucestertide      Gloucesterbook Jonathan Bayliss,2015-04-01 This complex and intellectually extensive novel is an anthropological discovery of the various personal and social dimensions that define an imaginative place on the East Coast to which the West Coast protagonist adapts and subordinates his new life even as he assists several of their inhabitants in their polyphonic story The benign helpfulness of this book s language its precision and humor its sheer competence and intelligent ambition creates a unique landmark in fiction This novel is part of Bayliss s series GLOUCESTERMAN Each of the four novels may be enjoyed independently      Democratic Oak Tree Jonathan Bayliss,2016-03-16 A collection of political essays by the writer Jonathan Bayliss addressing crucial questions in American politics including why political parties matter why citizens should register and vote as Democrats what the Republican Party really wants and what Democrats stand for in a nutshell His answers are simple and vitally important In his personal correspondence Bayliss shares political hopes and deep disappointments from the devastating defeat of Adlai Stevenson in the Presidential election of 1952 to the Democratic Primary contest between Hillary Clinton and Barack Obama in 2008 He offers advice to his favorite candidates continually promotes their strengths and defends them publicly when they lose elections Bayliss s lifetime spanned momentous world events Growing up in poverty during the Great Depression he spent many evenings listening on the radio to FDR s fireside chats He served in the Navy toward the end of World War II and lived to see Barack Obama in the White House      **Rain Taxi Review of Books** ,2008      **American Book Publishing Record** ,2000      **The Publishers Weekly** ,1999
