Promise Is A Promise:

A Promise Is a Promise Wayne Dyer, 2009-11 A Promise is a Promise Promise you won't leave me will you Mommy Of course not I would never leave you darling I promise And a promise is a promise These were the last words that were exchanged between Kaye O Bara and her 16 yearold daughter Edwarda before the vivacious teenager fell into a diabetic coma on January 3 1970 **A Promise is a Promise** Florence Parry Heide, 2007 George's father finally agrees to let him have a pet and that's when all the trouble begins A Promise Is a Promise Fay Risner, 2009-05 Home Health Nurse Hal Lindstrom is assigned Amish widower John Tapp She offers to stay with his children while he is in the hospital Hal discovers that the troubled children are hiding a tragic secret at their farm in southern Iowa **Because God Made a Promise to Abraham** Buddy Selman, 2011-01-31 Because God made a promise to Abraham concerning inheriting the land of Israel a question arises To which line of Abrahams descendants was the Promise made That's important because they worship different Gods This poses the problem who is the true God This is the question of the ages concerning all claims of Deity All things of life and death depend on that answer This book addresses questions from the perspective that the God of the Bible through Abraham Isaac and Jacob is the true God and the God of true Christianity It distinguishes between true and counterfeit Christianity The war that started with Satans attempt to dethrone God and elevate himself to the Almighty is the defining factor of conflict Association is made between spiritual determinations and earthly happenings The next earthly event distinguishing where we are in time is the Russian invasion of Israel The only remaining possibility for Satans success is stopping God from keeping His promise to Abraham The mid east peace problem is not just about ownership of land but about who is God Also addressed doctrines and theories taught in error Dispensations covenants and promises are defined How Revelation is structured and plays out is explained ne purpose of the book is to cause the reader to think Not just about things termed religious but in truth how all things are related especially political Hopefully it gives insight on how to prepare mentally spiritually and materially for what Scripture says will happen Evidence shows we are the generation that experiences the Biblical end times and the fulfillment of Gods promise to Abraham America must choose follow the true God or the Satanic one world government The book challenges the true Church to reestablish scripture as our highest authority and be about our task *According to Promise* Charles Spurgeon, 2015-07-01 Isaac and Ishmael were both sons of Abraham yet only one was the son of promise For the people of God living in covenant relationship with him requires understanding of what it means to be people of the promise In this book Spurgeon explores the promises of God to his covenant people and the life that his people are to live as a result O friend if what you have within you is natural and only natural it will not save you The inward work must be supernatural it must come of God or it will miss the covenant blessing A gracious life will be your own even as Isaac was truly the child of Abraham but still more it will be of God for Salvation is of the Lord We must be born from above Concerning all our religious feelings and actions we must be able to say Lord thou hast wrought all our works in

us *The Theme of Promise in the Epistle to the Hebrews* Daniel Stevens, 2025-04-24 Daniel Stevens analyses the use of the language of divine commitment in the Epistle to the Hebrews arguing that the author distinguishes promise from the cultic language of covenant to sketch a unique mixture of continuity and discontinuity among the people of God across time Stevens stresses through an exegesis of relevant passages that rest is not the primary content of promise nor is it the primary lens through which the other instances of promise language should be understood suggesting instead that the promise is most closely associated with the benefits promised to Abraham and then mediated through the various subsequent covenants He further explores how the divine promise relates to both the Old and New Covenants arguing that Hebrews develops a view of salvation history in which covenants are founded upon promises and then bring those promises to fruition By demonstrating the ways in which this understanding of promise sheds light on the author's hermeneutic and on his method of achieving his hortatory purposes for the epistle Stevens concludes in a reassertion of the consistency of the author's thought regarding promise
