

A romantic couple is shown from behind, embracing on a beach. The woman has long, wavy blonde hair and is wearing a white dress. The man has dark hair and is wearing a light blue t-shirt. They are holding hands and looking out at the ocean. The sky is a mix of blue and orange, indicating a sunset or sunrise. The overall mood is peaceful and loving.

Phillip Michael Garner,2017-07-13 Theological Adventures began as a challenge to the teachers of The Institute for Global Outreach Developments International to provide me with those passages of Scripture they found the most difficult to produce an interpretive theology consistent with nonviolence and a nonviolent God The allegorical method for dealing with OT violence has not led to a constructive theology capable of eradicating violence from the Christian tradition However genre identification of particular books enables a reader to discern the prejudicial nature of a book claiming to speak for God e g Joshua as conquest narrative Judges as a reflection on violence and male female relationships qualifies as a social critique on Israelite society This is wonderfully portrayed in the study of Samson as the archetypal strongman who represents Israel as a people It is healthy to be honest enough about OT Scripture to require basic morality as a guide for reading its claims and stories The gift of a moral conscience is a powerful voice for God s image in us I have found the OT to be consistent with the

revelation of God in Christ Jesus when a person learns to read it correctly The guiding interpretive lens is honesty about the intolerable violence sanctioned in the OT *Eastern Love*, 1928 *French's Standard Drama ...* Samuel French Ltd, 1887
