Promise Of Obedience A Ritual History:

The Promise of Obedience Leon F. Strieder, 2001 Examines the promise of obedience in the rite of ordination particularly the 1991 addition of a second promise for religious deacons and priests to the bishop The work connects the theological issues of the promise of obedience with their historical development in ordination rituals and religious vows **Reform, Conflict, and the Shaping of Corporate Identities** Steven Vanderputten, 2013 This book contains ten previously published essays dealing with the development of Benedictine monasticism between c 1050 1150 Relying on primary sources that originated in communities situated in the Southern Low Countries one of the densest regions of Benedictine occupation and a crossroads of cultural and political influences the essays are arranged in three thematic sections The first looks at the societal background methodologies and intended outcomes of Cluniac reform around 1100 The second section investigates reactions to reform both within the monastic sphere and by outsiders In the third section the focus is on groups of monks and how they their supporters and their enemies all developed strategies of self representation and self positioning in the face of growing competition over landed wealth patronage and positions of social privilege Series Vita Regularis Regulations and Interpretations of Religious Life in the Middle Ages Treatises Ordnungen und Deutungen religiösen Lebens im Mittelalter Abhandlungen Vol 54 *Understanding the Religious Priesthood* Christian, OSB Raab, Brian E., SJ Daley, 2020-10-14 Most contemporary theologies of Holy Orders consider priesthood mainly in its diocesan context and most contemporary theologies of religious life do not consider how ordained ministry functions when it is internal rather than external to religious life *Understanding the Religious Priesthood* provides a history and theology of religious priesthood that contributes to our understanding of this vocation s identity and mission It uncovers what religious priesthood shares with diocesan priesthood and non ordained religious life and what makes it different from both those other vocations Christian Raab begins by tracing the history of religious priesthood from its origins in the early Church to the eve of the Second Vatican Council He demonstrates that religious priests often faced questions about how to reconcile their two callings but that they also provided answers in their theologies and spiritualities of priesthood and religious life Meanwhile they made key contributions to the Church s life and mission Raab then investigates the teachings of the Second Vatican Council on priesthood and religious life Observing that the Council presented priesthood according to a diocesan typology and presented religious life without sacerdotal associations he argues that the lack of imagery of religious priesthood contributed to a post conciliar vocational identity crisis among religious priests He then seeks to remedy this lacuna by appealing to the biblical images for religious priesthood Hans Urs von Balthasar offered in his theology of vocations Raab argues that Balthasar s imagery is a promising way forward for understanding the identity and mission of religious priesthood In a final part Raab provides a substantial theological articulation of religious priesthood which illuminates its liturgical signification ecclesial mediation and mission and ministerial identity Here he draws not only from Balthasar but also from Pope John Paul II Yves Congar Jean Marie

Tillard Brian Daley and Guy Mansini to construct his profile Reception History, Tradition and Biblical Interpretation
 Robert Evans, 2014-08-28 This study seeks to make a contribution to current debates about the nature of Wirkungsgeschichte or reception history and its place in contemporary Biblical Studies The author addresses three crucial questions the relationship between reception history and historical critical exegesis the form of reception history itself with a focus on the issue of which acts of reception are selected and valorized and the role of tradition pre judgements and theology in relation to reception history Disagreements about these matters contribute to what many characterise as the fragmentation of the discipline of biblical studies The study champions the hermeneutics of Hans Georg Gadamer as a theoretical resource for understanding biblical interpretation and a way of holding together with integrity the varied activities undertaken within the discipline Each aspect of the argument is illustrated tested and further explored with reference to the post history of exhortations in the New Testament to be subject These have been widely cited and applied for 2 000 years in literature law and politics as well as in theological traditions In this way the study makes a contribution not just to the theory but also the practice of reception history *Rites of Ordination* Paul F. Bradshaw, 2013 A Pueblo book Includes index Includes bibliographical references and index Table of Contents Historical and typological background Ministry in the earliest Christian communities Ministry and ordination in the third and fourth centuries Early ordination rites Ordination rites in the churches of the East Ordination rites in the medieval West The theology of ordination in the Middle Ages Orders and ministry in the churches of the Reformation The Roman Catholic Church from the Council of Trent to the present Other modern ordination rites A Companion to the Abbey of Le Bec in the Central Middle Ages (11th-13th Centuries) , 2017-10-02 This Companion to the Abbey of Le Bec in the Central Middle Ages 11th 13th Centuries offers the first major collection of studies dedicated to the medieval abbey of Le Bec one of the most important and perhaps the single most influential monastery in the Anglo Norman world Following its foundation in 1034 by a knight turned hermit called Herluin Le Bec soon developed into a religious cultural and intellectual hub whose influence extended throughout Normandy and beyond The fourteen chapters gathered in this Companion are written by internationally renowned experts of Anglo Norman studies and together they address the history of this important medieval institution in its many exciting facets The broad range of scholarly perspectives combined in this volume includes historical and religious studies prosopography and biography palaeography and codicology studies of space and identity as well as theology and medicine Contributors are Richard Allen Elma Brenner Laura Cleaver Jean Herv Foulon Giles E M Gasper Laura L Gathagan V ronique Gazeau Leonie V Hicks Elizabeth Kuhl Benjamin Pohl Julie Potter Elisabeth van Houts Steven Vanderputten Sally N Vaughn and Jenny Weston **Emotional monasticism** Lauren Mancia, 2019-06-14 Medievalists have long taught that highly emotional Christian devotion often called affective piety appeared in Europe after the twelfth century and was primarily practiced by communities of mendicants lay people and women Emotional monasticism challenges this view The first study of affective piety in an eleventh century

monastic context it traces the early history of affective devotion through the life and works of the earliest known writer of emotional prayers John of F camp abbot of the Norman monastery of F camp from 1028 78 Exposing the early medieval monastic roots of later medieval affective piety the book casts a new light on the devotional life of monks in Europe before the twelfth century and redefines how medievalists should teach the history of Christianity **Coptic Church Review** ,2000

History of the Popes Leopold von Ranke,1896 **A History of the Early Church. A manual** John PRYCE (Vicar of Bangor.),1869 A Brief History of Justice David Johnston,2011-03-08 A Brief History of Justice traces the development of the idea of justice from the ancient world until the present day with special attention to the emergence of the modern idea of social justice An accessible introduction to the history of ideas about justice Shows how complex ideas are anchored in ordinary intuitions about justice Traces the emergence of the idea of social justice Identifies connections as well as differences between distributive and corrective justice Offers accessible concise introductions to the thought of several leading figures and schools of thought in the history of philosophy **The History of the Popes During the Last Four Centuries** Leopold von Ranke,1907 **A history of the early Church** John Pryce,1869 **Promised Land: Whose Land? Whose Promise?** Plammoottil Cherian,2019-06-13 Biblical interpretation of the Abrahamic Covenants and his descendants often present a bias against the Arabs and Ishmaelites perhaps due to lack of full knowledge of God s covenantal promises and blessings to humanity Dr Cherian presents clear evidences that God has no partiality and that Jews Christians Arabs Muslims Hindus and all people are equally called to be the partakers of the Kingdom of God Ishmael was not rejected but he and his generations were abundantly blessed and they have a continuous role to play in the end stages of the world As a skilled detective the author examines the Scriptures and calls all people to unlock the Bible and fight for the Eternal Promised Land The book presents A complete history of God and humanity *Jesus of Nazareth* Pope Benedict XVI,2011-02-16 For Christians Jesus of Nazareth is the Son of God who died for the sins of the world and who rose from the dead in triumph over sin and death For non Christians he is almost anything else a myth a political revolutionary a prophet whose teaching was misunderstood or distorted by his followers Jesus of Nazareth is the Son of God and no myth revolutionary or misunderstood prophet insists Benedict XVI He thinks that the best of historical scholarship while it can t prove Jesus is the Son of God certainly doesn t disprove it Indeed Benedict maintains that the evidence fairly considered brings us face to face with the challenge of Jesus a real man who taught and acted in ways that were tantamount to claims of divine authority claims not easily dismissed as lunacy or deception Benedict XVI presents this challenge in his new book *Jesus of Nazareth Holy Week* From the Entrance into Jerusalem to the Resurrection the sequel volume to *Jesus of Nazareth From the Baptism in the Jordan to the Transfiguration* Why was Jesus rejected by the religious leaders of his day Who was responsible for his death Did he establish a Church to carry on his work How did Jesus view his suffering and death How should we And most importantly did Jesus really rise from the dead and what does his resurrection mean The story of Jesus

raises many crucial questions Benedict brings to his study the vast learning of a brilliant scholar the passionate searching of a great mind and the deep compassion of a pastor's heart In the end he dares readers to grapple with the meaning of Jesus life teaching death and resurrection Only in this second volume do we encounter the decisive sayings and events of Jesus life I hope that I have been granted an insight into the figure of Our Lord that can be helpful to all readers who seek to encounter Jesus and to believe in Him Pope Benedict XVI

The Peril and Promise of Christian Liberty W. Bradford Littlejohn, 2017-05-05 How do Christians determine when to obey God even if that means disobeying other people In this book W Bradford Littlejohn addresses that question as he unpacks the magisterial political theological work of Richard Hooker a leading figure in the sixteenth century English Reformation Littlejohn shows how Martin Luther and other Reformers considered Christian liberty to be compatible with considerable civil authority over the church but he also analyzes the ambiguities and tensions of that relationship and how it helped provoke the Puritan movement The heart of the book examines how according to Richard Hooker certain forms of Puritan legalism posed a much greater threat to Christian liberty than did meddling monarchs In expounding Hooker's remarkable attempt to offer a balanced synthesis of liberty and authority in church state and conscience Littlejohn draws out pertinent implications for Christian liberty and politics today
