Promise And Other Stories:

Story and Promise Robert W. Jenson, 2014-12-02 The respected American theologian Robert Jenson here in brief compass presents his uncluttered understanding of the Christian message in a form ideal for beginning students laypeople and clergy Professor Jenson sees the heart of the gospel as the unconditional promise of the ultimate triumph of the love of Jesus of Nazareth This gospel is based on the story of Jesus and is worked out in the lives of men and of nations as the promise it brings moves towards fulfillment Story and Promise we dare to call it a one volume dogmatics leaves no element of the Christian faith untouched the classical doctrines concerning God Christ the Holy Spirit man the church the clearly radical implications of these doctrines for personal and social transformation the focus of Christian vision on the future as the time when God comes and man becomes what God intends This book clarifies the traditional problems of faith and also raises the revolutionary issues marking the end of this century It is a thoughtful and satisfying piece of systematic theology in a time of shattered understandings of the faith
