## **Promise Me Everything:**

**Promise Me Forever** Elice Nange, 2023-12-12 Absence doesn't make the heart grow fonder. It only fills it with resentment and regret. Nineteen years ago I lost the love of my life for four dangerous reasons: Power, Control, Money, Love. These forces don't just break hearts; they shatter lives, and mine was no exception. Left irreparably scarred, I vowed never to be vulnerable again. I fortified my defective heart against heartbreak while channeling my energy into amassing an abundance of power, mastering control, and accumulating wealth. Love? It's a treacherous illusion, a game for fools. Something I've become far too cynical to truly let it in. That and time doesn't heal all wounds. Far from it. What I am is defective and proud. Having embraced my flaws, I wear my scars and cynicism defiantly, determined to live my life on my own terms, the best revenge to strive for. Until an unconventional proposition slithers into my world, a dangerous and ill-timed offer in a treacherous game, but one impossible to ignore. Turning it down was the most gut-wrenching decision I ever had to make, but I did so anyway for her. For the woman my defective heart still beats for. And the tsunami that shreds everything in its path, including the fragile threads holding my barely stitched-together heart.

**DISCLAIMER** *Promise Me Forever* is a dark contemporary romance novella with dark themes. It is a second-chance interracial forbidden love. MMF. Why choose romantic suspense, dark mafia, billionaire romance? It contains no cheating and a guaranteed HFN. It features a transgender main character. Note: This is a 32,000-word prequel to *In Plain Sight* Book 4 in the Sin and Sinuosity series. It ends in a cliffhanger, and the story concludes in *In Plain Sight*. For an optimal reading experience, reading the first three books in the series: *Taste of Hell*, *Touch of Heaven*, and *Six Feet Under* is suggested but not required. [Ace Darkly](#) Nathan Nixon, 2013-01-31. What would one man do to avenge the only thing good in his life? What would any of us do? Ace Darkly is pushed into vengeance against the crime-ridden city of Vandalice. When this happens, Ace transcends from being a local rock star to becoming a vigilante. He soon then discovers a world of people with super-human powers like the beautiful Lumanessa, who controls light. Vandalice City is full of dangerous people, some more so than others. Amongst the sea of killers, thieves, and rapists are the men that wronged Ace. Justice will be found, but not before vengeance.

**VOICES** Alessio Escorri, 2010-02-12. Sirio is a boy that fights against his mind full of voices and fear. Sirio fights against his Catholic parents. Sirio fights against everybody to conquer his life. Sirio is gay in an Italy apparently open-minded. Through beautiful images of an ancient and at the same time modern Florence, Sirio brings us in a dimension where each one of us could find a reason to reflect.
