Promise Of Bonhoeffer:

The Promise of Bonhoeffer Benjamin A. Reist, 1969 Reclaiming Dietrich Bonhoeffer Charles Marsh, 1994 Marsh reappraises Bonhoeffer's theology and attempts to reclaim his promise for contemporary theological inquiry examining his work in the context of the German philosophical tradition from Kant to Heidegger and its relationship to Karl Barth **The promise of Bonhoeffer, the promise theology**, 1969 **Bonhoeffer's Christocentric Theology and Fundamental Debates in Environmental Ethics** Steven C. van den Heuvel, 2017-05-04 There is widespread understanding of the close connection between religion and the ecological crisis and that in order to amend this crisis theological resources are needed This monograph seeks to contribute to this endeavor by engaging the theology of Dietrich Bonhoeffer His theology is particularly suitable in this context due to its open ended nature and to the prophetic and radical nature of the questions he was prepared to ask that is why there are many other attempts to contextualize Bonhoeffer's theology in areas that he himself has not directly written about In this monograph Steven van den Heuvel first of all addresses the question of how to translate Bonhoeffer's theology in a methodologically sound way He settles on a modified form of the general method of correlation Then secondly van den Heuvel sets out to describe five major concepts in Bonhoeffer's work bringing these into critical interplay with discussions in environmental ethics and eco theology In making the correlations he thoroughly describes each concept situating it in the historic and intellectual background of Bonhoeffer's time He then transposes these concepts to contemporary environmental ethics describing what contribution Bonhoeffer's theology can make *Authentic Faith* Heinz Eduard Todt, 2007-06 One of the twentieth century's best theological ethicists Heinz Eduard Todt personally experienced the struggle of Nazi Germany that so shaped Bonhoeffer Todt said that the further he went the closer he got to Bonhoeffer In *Authentic Faith* he clarifies major dimensions of Bonhoeffer's ethics with precision and enables us to enter personally into the political ecclesiastical and family context in which Bonhoeffer wrote Todt first discusses Bonhoeffer's theology and ethics formed during his own tumultuous time and then focuses on how they can inform and influence contemporary history Todt especially concerns himself with the present tasks in theology and in the church clearing a path for understanding our lives through theology's eyes and drawing us toward the ethical wisdom we need to navigate the ideological struggles of our own time *Authentic Faith* shows an understanding of Bonhoeffer's spirit that makes this book a must for the shelves of any Bonhoeffer scholar and all students of social and theological ethics *Bonhoeffer's Reception of Luther* Michael P. DeJonge, 2017 This study considers the influence of Martin Luther's theology on Dietrich Bonhoeffer with particular reference to justification ecclesiology the doctrine of the two kingdoms and political ethics **The Heaven Promise** Scot McKnight, 2016-11-15 *Heaven Eternity The Afterlife* When you mention any of these concepts people of all ages and from all walks of life are certain to have opinions How can we know for sure what heaven will be like According to New Testament scholar and popular author Scot McKnight all we need to do is turn to Scripture to answer our questions

McKnight helps you examine God's Word in order to discover what awaits you on the other side of the grave and find answers to the most frequently asked questions regarding heaven including 1 What about Near Death Experiences 2 What about Rewards in Heaven 3 Who Will Be in Heaven 4 Is God Fair 5 Will There Be Families in Heaven 6 What about Children Who Die 7 What about Cremation 8 What about Purgatory 9 Will There Be Pets in Heaven 10 Why Believe in Heaven Heaven isn't the construction of a fairy tale or some mystical narrative It's very real it's very good and it's very much the fulfillment of God's promise to you *Benjamin Reist, The Promise of Bonhoeffer*, [Dietrich Bonhoeffer's Christian Humanism](#) Jens Zimmermann, 2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer's own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in-depth portrayal of Bonhoeffer's theological anthropology and establishes that Bonhoeffer's Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer's mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer's theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer's ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer's life and theology namely his dedication to the Bible as God's word is also consistent with his Christian humanism *Bonhoeffer's Religionless Christianity in Its Christological Context* Peter Hooton, 2020-02-06 The German theologian Dietrich Bonhoeffer understood Western civilization to be approaching a completely religionless age to which Christians must respond and adapt This book explores Bonhoeffer's own response to this challenge his concept of a religionless Christianity and its place in his broader theology It does this first by situating the concept in a present-day Western socio-historical context It then considers Bonhoeffer's understanding and critique of religion before examining the religionless Christianity of his final months in the light of his earlier Christ-centred theology The place of mystery paradox and wholeness in Bonhoeffer's thinking is also given careful attention and non-religious interpretation is taken seriously as an ongoing task The book aspires to present religionless Christianity as a lucid and persuasive contemporary theology and does this always in the presence of the question which inspired Bonhoeffer's theological journey from its academic beginnings to its very deliberately lived end the question Who is Jesus Christ **Dietrich Bonhoeffer's Christological Reinterpretation of Heidegger** Nik Byle, 2021-10-01 Dietrich Bonhoeffer was the intellectual progeny of the competing liberal and dialectical theological camps of his time Yet he found both camps incapable of properly accounting for Christ's relation to time and history which both

grounds their conflict and generates further theological problems both theoretical and practical In this book Nik Byle argues that Bonhoeffer was able to mine Martin Heidegger's Being and Time for material theologically useful for moving beyond this impasse Bonhoeffer sifts through Heidegger's analysis of human existence and finds a number of moves and concepts useful to theology These include Heidegger's emphasis on anthropology over epistemology his position that one must begin with concrete existence and that human existence is fundamentally temporal Bonhoeffer must however reject other hallmark concepts such as authenticity and Heidegger's entire anthropocentric method that would threaten the legitimate theological use of Heidegger Making the appropriate theological alterations Bonhoeffer applies the useful elements from Heidegger to his Christocentric theology Essentially Christ and the church become fundamentally temporal and historical in the same way that human existence is for Heidegger This sets a new foundation for Bonhoeffer's Christology with concomitant effects in his ecclesiology sacramentalism theological anthropology and epistemology

Reading in the Presence of Christ: A Study of Dietrich Bonhoeffer's Bibliology and Exegesis Joel Banman, 2021-02-11 Bonhoeffer's writings include a significant amount of biblical interpretation but his potential contributions in the fields of biblical studies and theological exegesis of Scripture have not been sufficiently explored This study reassesses some of his key exegetical writings in light of his theology of revelation and bibliology unfolding the ways in which his reading of the Bible is determined by his theology of Scripture Through this analysis Joel Banman demonstrates that the uniting factor of Bonhoeffer's biblical interpretation is not methodological but bibliological he reads Scripture as the living word of the present Christ

Who Am I? Bernd Wannenwetsch, 2009-07-21 A unique look at Bonhoeffer's poetry written during his prison years facilitating a fascinating conversation between biography and theology

Standing under the Cross Michael Mawson, 2023-09-07 Standing Under the Cross focuses on Bonhoeffer's rich theological and ethical thinking It places Bonhoeffer in conversation with a wide range of modern theologians including Karl Barth Franz Rosenzweig Jürgen Moltmann and James Cone The book gives particular attention to hermeneutics the body and Bonhoeffer's rich reflections on community and discipleship Mawson attends to the complex ways in which these aspects of Bonhoeffer's thinking work together and shows how they can assist us in responding to some of the challenges confronting us today

The God Who Is Given Chris Dodson, 2021-05-03 Dietrich Bonhoeffer's notions of religionless Christianity have provoked a great deal of theological inquiry much of which has hindered evangelical reception of Bonhoeffer's work By setting religionless Christianity in the context of Bonhoeffer's Lutheran sacramental theology Chris Dodson furthers Bonhoeffer's belief that receiving the God given in the sacraments both resists Christians proclivity towards religious self-serving ends and draws Christians into a life of robust faith and love Receiving Christ in baptism the Eucharist and confession serves to instill sustain locate and vitalize the form of life that Bonhoeffer calls religionless The church and its core practices are not abandoned in Bonhoeffer's prison letters they are reengaged with a more proper disposition faithful love of God and neighbor In this way common evangelical skepticisms

about Bonhoeffer's later theology can be assuaged Bonhoeffer's theology rightly construed provokes evangelicals and particularly American evangelicals to reconsider and restructure their worship along the lines of a religionless Christianity that promotes a deeper faith resulting from a more vigorous encounter with Christ as he gives himself over to his people

Human Flourishing in a Technological World Jens Zimmermann, 2023-09-21 Human Flourishing in a Technological World addresses fundamental questions about human identity and flourishing in the light of recent technological advances It includes the text of a lecture by virtual reality engineer and computer scientist Jaron Lanier and a discussion between Lanier and other contributors

Bonhoeffer's New Beginning Andrew D. DeCort, 2018-09-15 Bonhoeffer's New Beginning investigates the ethics of making new beginnings after devastating moral rupture The work argues that new beginnings must be made in order to sustain the fundamental convictions that it is good to exist and that life in the world with others should be loved without exclusion Bonhoeffer's ethics of new beginning is set in conversation with the thought of four moral philosophers Friedrich Nietzsche Hannah Arendt Jonathan Glover and Jonathan Lear DeCort argues that Bonhoeffer's ethics of new beginning opens and energizes a more promising world affirming moral vision with radical hope for new beginnings vis vis the perceived absence of God in the face of devastation

Bonhoeffer's Theology of the Cross J.I. de Keijzer, 2019-10-14 Back cover Engaging Bonhoeffer's dialogues with Barth and Heidegger in Act and Being J I de Keijzer shows how Bonhoeffer both in his critical assessment of Barth's dialectic and his appropriation of Heidegger's ontology articulates a contemporary theological crucis that proves to be deeply influenced by Luther

Christ and Revelatory Community in Bonhoeffer's Reception of Hegel David S. Robinson, 2018-06-22 Back cover How is God revealed through the life of a human community Dietrich Bonhoeffer's theological ethics begins from the claim to Christ existing as community which David Robinson presents as one of several critical and politically astute variations on G W F Hegel's philosophy of religion

The Church for the World Jennifer McBride, 2014-03-05 Drawing on the work of German pastor theologian Dietrich Bonhoeffer Jennifer McBride constructs a new theology of public witness for American Protestant church communities based on the public expression of repentance and redemption
