Returning to Irigaray Maria Cimitile, Elaine P. Miller, 2006-11-06 Luce Irigaray is one of the most influential philosophers and theorists in the field of feminist thought and her work is considered both revolutionary and controversial This volume offers the first critical assessment of the relation of her early critical and poetic writings to her later political and practical philosophy Contributors examine how the question of sexual difference has

unfolded in a wealth of different directions in Irigaray's later work focusing on the areas of nature and technology, social and political theory and praxis, ethics, psychoanalysis and phenomenology. They also address whether there has been a radical conceptual turn in Irigaray's thought by exploring the idea of a turn as a return to themes that have concerned her all along. The essays contend that Irigaray's writings should be read, criticized or promoted within the context of her overall philosophical project.

Mothers and Daughters June Cotner, 2001. A selection of poems that explore the bond between mothers and daughters, grouped by stages of life from pregnancy to partings.

Promises I Can Keep Kathryn Edin, Maria Kefalas, 2011-10-04. Millie Acevedo bore her first child before the age of 16 and dropped out of high school to care for her newborn. Now 27, she is the unmarried mother of three and is raising her kids in one of Philadelphia's poorest neighborhoods. Would she and her children be better off if she had waited to have them and had married their father first? Why do so many poor American youth like Millie continue to have children before they can afford to take care of them? Over a span of five years, sociologists Kathryn Edin and Maria Kefalas talked in depth with 162 low-income single moms like Millie to learn how they think about marriage and family. *Promises I Can Keep* offers an intimate look at what marriage and motherhood mean to these women and provides the most extensive on-the-ground study to date of why they put children before marriage despite the daunting challenges they know lie ahead.

The Mother / Daughter Plot Marianne Hirsch, 1989-10-22. Mothers and daughters, the female figures neglected by classic psychoanalysis and submerged in traditional narrative, are at the center of this book. The novels of nineteenth and twentieth-century women writers from the Western European and North American traditions reveal that the story of motherhood remains the unspeakable plot of Western culture. Focusing on the feminine and more controversially on the maternal, this book alters our perception of both the familial structures basic to traditional narrative, the Oedipus story, and the narrative structures basic to traditional representations of the family. Freud's family romance. Confronting psychoanalytic theories of subject formation with narrative theories, Marianne Hirsch traces the emergence and transformation of female family romance patterns from Jane Austen to Marguerite Duras.

Mother Daughter Me Katie Hafner, 2014-04-08. The complex, deeply binding relationship between mothers and daughters is brought vividly to life in Katie Hafner's remarkable memoir, an exploration of the year she and her mother Helen spent working through and triumphing over a lifetime of unresolved emotions. Dreaming of a year in Provence with her mother, Katie urges Helen to move to San Francisco to live with her, and Zo, Katie's teenage daughter, Katie and Zo had become a mother-daughter team strong enough that Katie thought to absorb the arrival of a seventy-seven-year-old woman set in her ways. Filled with fairy-tale hope that she and her mother would become friends and that Helen would grow close to her exceptional granddaughter, Katie embarked on an experiment in intergenerational living that she would soon discover was filled with land mines: memories of her parents' painful divorce, of her mother's drinking, of dislocating moves back and forth across the country, and of Katie's own widowhood and bumpy recovery. Helen, for her part, was also holding difficult issues at bay. How

these three women from such different generations learn to navigate their challenging turbulent and ultimately healing journey together makes for riveting reading By turns heartbreaking and funny and always insightful Katie Hafner s brave and loving book answers questions about the universal truths of family that are central to the lives of so many Praise for Mother Daughter Me The most raw honest and engaging memoir I ve read in a long time KJ Dell Antonia The New York Times A brilliant funny poignant and wrenching story of three generations under one roof unlike anything I have ever read Abraham Verghese author of Cutting for Stone Weaving past with present anecdote with analysis Katie Hafner s riveting account of multigenerational living and mother daughter frictions of love and forgiveness is devoid of self pity and unafraid of self blame Hafner is a bright and appealing heroine Cathi Hanauer Elle A frank and searching account Currents of grief guilt longing and forgiveness flow through the compelling narrative Steven Winn San Francisco Chronicle A touching saga that shines We see how years old unresolved emotions manifest Lindsay Deutsch USA Today Hafner s memoir shines a light on nurturing deficits repeated through generations and will lead many readers to relive their own struggles with forgiveness Erica Jong People An unusually graceful story one that balances honesty and tact Hafner narrates the events so adeptly that they feel enlightening Harper s Heartbreakingly honest yet not without hope and flashes of wry humor Kirkus Reviews An emotionally raw memoir examining the delicate inevitable shift from dependence to independence and back again O The Oprah Magazine Ten Titles to Pick Up Now [Tell Me Another Story, Sing Me a Song](#) Jean Lenox Toddie,1978 Play Jean Lenox Toddie Characters 2 female Bare stage or simple set This witty look at mother daughter relationships is a light hearted exploration of irritations and misunderstandings that build walls between a woman and her female off spring and the love and compassion that destroys these walls The crisis and humor of childhood adolescence adulthood and old age are evoked in a celebration of dissonance and the harmony between mothers and daughters With the **Sociological Theory** Bert N.
