**PREFACE** A few years ago somebody asked me how I could be so sure of my love for Jesus a historical figure whom I can never meet I had a really hard time answering this question in a way that did not sound fanciful and cliché My love grew and deepened out of a relationship and that relationship started with curiosity who was this Jesus of Nazareth what was his story and why are people still talking about him some 2 000 years later In response to that person's question I wrote this I met Jesus today They are tall strong and proud with deep cocoa skin calluses on their fingers blisters on their feet and Skittles in their pocket They are recognizable by the resiliency in their eyes the compassion in their smile and their ability to forgive those who trespass against them They will be exalted with placards hashtags and protests after they are killed by systems of oppression I met Jesus today It's a little cryptic perhaps I was trying to say that once I knew and loved Jesus I started to recognize him and his passion in the brokenness and suffering around me My love for him transferred to those I saw him in and my life has never been the same Each Lent we are invited to spend some time getting to know Jesus who he was what he did what he taught how he prayed and how his ministry continues through followers of his Way It is hoped that this book of devotions and its corresponding study guide based on the parables prayers and promises of Jesus will help deepen or begin your relationship with Jesus of Nazareth Where might you meet Jesus this Lent Alydia Smith

**Worship Music and Spirituality     Spiritual Reflections** Henry G. Covert, 2008-07-30 What is forgiveness How can we be truly grateful for our lives What does spiritual healing really mean How can we attain inner peace joy and contentment So many spiritual questions confront us on a daily basis it is hard to know how to answer each and yet still experience spirituality in a meaningful way Here Covert offers a devotional and educational source that provides practical insights for the reader into how to lead each day more spiritually Broken into thematic sections each brief chapter examines a passage of scripture in its biblical context with an emphasis upon how the text speaks to us today The topics which provide scripture from both the Hebrew Bible and New Testament speak to every aspect of life offering guidance strength and hope The lessons and themes which provide inner strength and renewal speak to one's deepest needs Scriptures are presented in their simplest form and Covert makes them pertinent to everyday life Whether pastor or lay person young or old this is a book that speaks to the heart crossing all denominational lines and cultural divides     Creative Ideas for Catechists Ruth Ann Rost, 1997-08 Rost takes us into the delightful dimension of creative catechetics with its powerful impact on children's faith learning She first leads us in an exploration of our own creativity our sense of prayer and our own sense of discipleship She then suggests ways to enliven the gathering space using the children's five senses to help open them to these rich faith experiences She offers

approaches to the critical factors in preparation presentation and procedure that make for successful empowerment of the child's faith learning. She also includes scores of practical ideas for involving primary and middle grade children in making prayer. Helping them express their unity with God through prayer. Finally, she discusses the many resources essential to our own spiritual formation which must go hand in hand with that of unfolding a vibrant faith life in children. An excellent resource to inspire, encourage, and sensibly guide catechetical ministry as it is meant to be: joy-filled, revitalizing, and life impacting.
