

THE PROMISE OF THE FATHER

"An excellent historical and theological introduction to the New Testament's understanding of God as Father. This volume is a welcome addition to the library of any serious student of the New Testament." —Richard B. Hays, Professor of New Testament, Yale Divinity School, and author of *First Corinthians*, *Second Corinthians*

"This volume is a fine introduction to the New Testament's understanding of God as Father. The *Promise of the Father* is a welcome addition to the library of any serious student of the New Testament. Thompson's calm and balanced approach to the subject is a welcome contrast to the more polemical work of some other scholars." —John F. Walcott, Managing Director, American Academy of Religion, Theological Education Institute

"Informed, profound, compelling—such commentaries and studies will become greatly treasured. Thompson provides them through the biblical, systematic and their implications." —Alexander S. Hays, R. Wright, Professor of Theology, Yale Divinity School

What does it mean to confess that God is "the Father of our Lord Jesus Christ"? The *Promise of the Father* begins by showing that Judaism's claim of God as "Father" never attached an ontological gender or "masculine" essence to God. Instead of setting the standard for the conduct for human personal fathers or men in general as some argue, God's identity as "Father" served as an example for the entire community of both as one who promotes mercy, justice, and humility. Jesus' address to God as "Father" thus did not introduce a new private experience of intimacy with the divine; rather, it evoked Israel's ancient and corporate hope of God's saving power and covenant faithfulness. Above all then, to speak of God as "Father" signifies the redemptive and life-giving work of God and then only subsequently to human experience of that work. Christians can confess God as "Father of Jesus Christ" because God was first "Father" to the people of Israel, and to Israel's Messiah, Jesus of Nazareth, and to the followers of Jesus.

Promise Of The Father Jesus And God In The New Testament:

The Promise of the Father Marianne Meye Thompson, 2000-01-01 Marianne Thompson surveys the portrayal of God as Father in the Old Testament and Second Temple Judaism in the ministry of Jesus in the Synoptic Gospels and in the writings of Paul and John Thompson argues that rather than rooting the image of God in a debate about gender Father terminology really identifies an ancestor who grants inheritance *Heaven and Earth in the Gospel of Matthew* Jonathan T.

Pennington, 2007 A much overlooked aspect of the Gospel of Matthew is the theme of heaven and earth Rather than being a reverential circumlocution for God heaven in Matthew is part of a highly developed discourse of heaven and earth language Matthew's idiolectic way of using heaven language consists of four aspects 1 a distinction in meaning between singular and plural forms of ouranos 2 frequent use of the heaven and earth word pair 3 regular reference to the Father in heaven and 4 the recurrent use of the Matthean expression kingdom of heaven This book examines the historical precedents for each of these aspects and shows in Matthew how they serve one overriding theological purpose to highlight the tension that currently exists between heaven and earth or God and humanity while looking forward to its eschatological resolution

Cruciformity Michael J. Gorman, 2021-07-27 When it was first published in 2001 *Cruciformity* broke new ground with a vision of Pauline spirituality that illuminated what it meant to be a person or community in Christ Beginning with Paul's express desire to know nothing but Christ crucified Gorman showed how true spirituality is telling the story in both life and words of God's self-revelation in Jesus so that we might practice cruciformity the impossible possibility of conformity to the crucified Christ Two decades later Gorman's seminal work is still a powerful model for combining biblical studies and theological reflection to make Paul's letters more immediately relevant to contemporary Christian life This twentieth anniversary edition includes a new foreword by Nijay Gupta a next generation Pauline scholar heavily influenced by Gorman as well as an afterword by the author in which he reflects on the legacy of *Cruciformity* in the church and the academy including his own subsequent work in Pauline theology *A Visible Witness* Jules A. Martinez-Olivieri, 2016-06-03 *A Visible Witness* presents a fresh innovative perspective on a vital movement in twentieth century theology Protestant theology in Latin America emerged over fifty years ago side by side with the initial development of Roman Catholic liberation theology Both traditions have common theological interests the praxical nature of theology Christology and soteriology Protestants also share some of the fundamental intuitions of liberation theology the centrality of praxis in Christian life and the priority of opting for the suffering masses Key Protestant theologians like Jos Miguez Bonino Nancy Bedford and Guillermo Hansen challenged Protestant theology in Latin America to develop a Trinitarian hermeneutic for Christology in order to see the work of salvation as the work of the triune God and to relate Christology and pneumatology in ways that fundamentally shape the praxis of the church This dissertation takes on this challenge and proposes a theodramatic Christology that serves to ground the Christian notion of salvation as historical liberation and the church's participation in the present experience of

redemption in the Trinitarian and economic work of Jesus Christ The ecclesia of believers participates in God's communicative activity via union with Christ the community of disciples becomes a theater of liberation

Promise and Prayer Anthony C. Thiselton, 2020-11-12 In the Bible promise and prayer are essential and connected components of the inter personal relationship between God and his people And both promise and prayer are kinds of action undertaken by means of speaking utterances philosophers refer to as speech acts In the case of promises this is clear they constitute firm commitments to act in certain ways under appropriate conditions This book considers biblical examples of divine promise from both Old and New Testaments All speech acts depend upon institutional facts and Thiselton argues that in the biblical writings Divine promises are based on the prior institution of God's covenant That same covenant forms the institutional context of prayer Thiselton shows how different kinds of prayer blessing thanksgiving and praise petition and intercession count as speech acts in different ways and to different degrees

Trinity Without Hierarchy Micheal F. Bird, Scott Harrower, 2019-04-30 A defense of equality among the persons of the Trinity In response to those complementarian theologians who assert that the Son is eternally subordinate to the Father the contributors to Trinity Without Hierarchy contend that this view misconstrues the orthodox doctrine of the Trinity and reduces the Son to a lower level of glory and majesty than the Father Surveying Scripture church history and theology sixteen contributors present a defense of the full and equal authority of all three members of the Trinity while critiquing approaches that border on semi Arianism In particular the creedal confessions of Nicaea are upheld as the

historical standard by which any proposed Trinitarian doctrine should be judged While some contributors hold complementarian and others egalitarian viewpoints all agree that Trinitarian relations are not a proper basis for understanding gender roles Trinity Without Hierarchy is indispensable reading for anyone interested in the current debate over the relationship between Trinitarian theology and the roles of men and women *The Child in the Bible* Marcia J.
