Rose and Ninette** Alphonse Daudet,1904 **The Rose Annual** ,1921 Includes report of the Council Constitution Summary of receipts and payments of the National Rose Society *Dreamwalker: Native Guide* David C. Dillon,2012-08-30 A little known society of the Lakota tribe developed the skill to dream about the future It was

accepted that dreams could not necessarily bring about what a person wanted but that they could be used to inform upon the future and protect people from harm. Despite the society's secrecy, however, a man named Conley is aware of it thanks to his Lakota grandmother. At least he is sure that if he dreams of something it is bound to come true one way or another. Upon receiving a letter from his Grandma Violet announcing a visit, Conley suspects she has something important to tell him, maybe even something about their family history. Soon he experiences a recurring dream about a Native American woman who looks like his grandma. Coaxed by this dream and his grandmother's visit, Conley realizes he must go to South Dakota and search for his spirit guide. Once there, Conley experiences a vision quest that allows him to better understand his skill. His dreams soon turn dark and dangerous though, and he fears for those closest to him. Danger lingers nearby, and Conley must do all he can to prevent harm from spreading. He hopes to use his dreams to fight back with the help of his spirit guide, but he must find the right clues; otherwise, Conley could end up dead.

A Star is Born George Tiffin, 2015-09-30

Marlene Dietrich, Marilyn Monroe, Catherine Deneuve, Feted, adored, and desired, successful movie actresses are icons of modern culture. But what was it that made them true stars? Was it looks, talent, drive, personality, or just plain luck? What was the first captivating image or unforgettable line that etched them indelibly on our collective memory and transformed the screen actress of the passing movie credit into the screen goddess of eternal legend? In a sequence of elegant pen portraits, George Tiffin takes a microscope to the movies and the moments that established 75 female icons of cinema. These pen portraits are supplemented by quotes, notes, and anecdotes, including script excerpts from key scenes. From Oscar winners to ingénues and from grande dames to femmes fatales, *A STAR IS BORN* is a seductive celebration of the eternal feminine at the heart of the movie business and an informal and engaging history of cinema itself.

Githa Sowerby: Three Plays Githa Sowerby, 2021-02-01

Githa Sowerby's *Rutherford and Son* took the London theatre by storm in 1912. Following its triumphant run, the play toured to New York, was produced throughout England, and was translated and staged in multiple European locations. Yet Sowerby's initial theatrical success would not be repeated. With historical hindsight, we can see Sowerby's experience as comparable to that of many other women writers who struggled to achieve lasting recognition, especially when their work was perceived as critiquing the forces restricting women's lives. These vivid domestic dramas explore timely questions of capitalism, feminism, and personal freedom. With the acclaimed revival of *Rutherford and Son* at the National Theatre in 1994 and with the efforts by feminist scholars and theatre artists to rediscover the work of such forgotten women writers, Sowerby and her dramas have secured renewed interest. This edition gathers *Rutherford and Son* and its companion piece *A Man and Some Women* and the postwar play *The Stepmother*. The edition will provide teachers, students, and artists with important historical contexts for Sowerby's dramas and will demonstrate the ongoing cogency of these
