Promise Once Given:

Works: Now First Collected William Bridge (Fellow of Emmanuel College, Cambridge.), 1845 *Promissio* Oswald Bayer, 2025-07-22 *Promissio* is a methodologically rigorous study of all the pertinent Luther texts prior to 1520 thus enabling Bayer to trace Luther's reformational turn culminating in his clear understanding of the gospel promise as God's gift crystallized in the forgiveness of sins and enacted by the word of absolution. The author emphasizes that at the heart of Luther's understanding of the gospel is the insight that God justifies us freely through faith in the word of promise *promissio* and that this promise is not oriented primarily to the future but is a present gift to be received in faith. However, he shows that it is not the understanding of justification by faith that is at the center of Luther's breakthrough but the insight that God's promise is an efficacious word that accomplishes what it says and that justification can only be properly understood in the light of the promise. Bayer shows how Luther comes to see that the promise requires a reshaping of the sacrament of penance, confession and absolution as well as Baptism and the Lord's Supper. Luther's new understanding of promise also leads him to radically rethink his understanding of Christology, the sermon, meditation and prayer. When this book was first published in 1971, it was hailed by the Roman Catholic scholar Otto Hermann Pesch as a classic of Luther research and that claim still holds good today. No serious Luther scholar can afford to ignore it. It has also remained the foundation of all Oswald Bayer's subsequent work. The Lutheran Quarterly Books edition of *Promissio* now offers scholars and students this wisdom in English thanks to Jeffrey Silcock's careful translation. **Encyclopedia of Ethics** Lawrence C. Schrijvers, 2016-04-15 Introducing the thought of philosopher and theologian Jean-Yves Lacoste, this book provides an overview spanning Lacoste's earliest works on sacramentality to his latest work *Etre en Danger* (2011), in which Lacoste opens up the liturgical experience onto a spiritual experience of life. Schrijvers unfolds the logic of what Lacoste calls the liturgical experience from its violent variety in *Expérience et Absolu* to the logic of love and love's possibility as it is developed in the later works. Throughout the book, the focus is on Lacoste's dialogue with Heidegger and through this, his attempt to widen the scope of phenomenology to include the phenomenality of the divine. *Delphi Collected Works of L. Spurgeon, Volume 34* Spurgeon, Charles, 2015-03-26 Volume 34 Sermons 2001 2061 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the

Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon **The American Whig Review** ,1849 The American Review ,1849 The Spectator ,1838 A weekly review of politics literature theology and art On Being a Disciple of the Crucified Nazarene Ernst Käsemann,2010-05-03 In this book Ernst Ksemann celebrated initiator of the twentieth century New Quest of the Historical Jesus examines the problem of the relation between discipleship and faith Ksemann first tackles specific passages in the Synoptic Gospels dealing with the summons to discipleship He makes clear the relevance of the biblical message to human existence even today In the second half he explores how themes relating to specific contemporary problems fulfill that message Here is a theologian who is radically and passionately committed to discipleship of the crucified Jesus of Nazareth and who is not afraid to share that commitment Works Samuel Richardson,1811 *Clarissa Harlowe* V2 Samuel Richardson,2015-11-01 Clarissa Harlowe the tragic heroine of *Clarissa* is a beautiful and virtuous young lady whose family has become wealthy only recently and now desires to become part of the aristocracy Their original plan was to concentrate the wealth and lands of the Harlowes into the possession of Clarissa s brother James Harlowe whose wealth and political power will lead to his being granted a title Clarissa s grandfather leaves her a substantial piece of property upon his death

and a new route to the nobility opens through Clarissa marrying Robert Lovelace heir to an earldom James's response is to provoke a duel with Lovelace who is seen thereafter as the family's enemy James also proposes that Clarissa marry Roger Solmes who is willing to trade properties with James to concentrate James's holdings and speed his becoming Lord Harlowe The family agrees and attempts to force Clarissa to marry Solmes whom she finds physically disgusting as well as boorish Desperate to remain free she begins a correspondence with Lovelace When her family's campaign to force her marriage reaches its height Lovelace tricks her into eloping with him Joseph Leman the Harlowes servant shouts and makes noise so it may seem like the family has awoken and discovered that Clarissa and Lovelace are about to run away Frightened of the possible aftermath Clarissa leaves with Lovelace but becomes his prisoner for many months She is kept at many lodgings and even a brothel where the women are disguised as high class ladies by Lovelace himself She refuses to marry him on many occasions longing to live by herself in peace She eventually runs away but Lovelace finds her and tricks her into returning to the brothel Lovelace intends to marry Clarissa to avenge her family's treatment of him and wants to possess her body as well as her mind He believes if she loses her virtue she will be forced to marry him on any terms As he is more and more impressed by Clarissa he finds it difficult to believe that virtuous women do not exist The pressure he finds himself under combined with his growing passion for Clarissa drives him to extremes and eventually he rapes her by drugging her Through this action Clarissa must accept and marry Lovelace It is suspected that Mrs Sinclair the brothel manager and the other prostitutes assist Lovelace during the rape Lovelace's action backfires and Clarissa is ever more adamantly opposed to marrying a vile and corrupt individual like Lovelace Eventually Clarissa manages to escape from the brothel but Lovelace finds her and by deception manages to get her back to the brothel She escapes a second time is jailed for a few days following a charge by the brothel owner for unpaid bills is released and finds sanctuary with a shopkeeper and his wife She lives in constant fear of again being accosted by Lovelace who through one of his close associates and also a libertine John Belford as well as through his own family members continues to offer her marriage to which she is determined not to accede She becomes dangerously ill due to the mental duress As her illness progresses she and John Belford become friends and she appoints him the executor of her will She is dying and is determined to accept it and proceeds to get all her affairs in order Belford is amazed at the way Clarissa handles her approaching death and laments what Lovelace has done In one of the many letters sent to Lovelace he writes if the divine Clarissa asks me to slit thy throat Lovelace I shall do it in an instance Eventually surrounded by strangers and her cousin Col Morden Clarissa dies in the full consciousness of her virtue and trusting in a better life after death Belford manages Clarissa's will and ensures that all her articles and money go into the hands of the individuals she desires should receive them Lovelace departs for Europe and his correspondence with his friend Belford continues During their correspondence Lovelace learns that Col Morden has suggested he might seek out Lovelace and demand satisfaction on behalf of his cousin He responds that he is not able to accept threats against himself and

arranges an encounter with Col Morden They meet in Munich and arrange a duel The duel takes place both are injured Morden slightly but Lovelace dies of his injuries the following day Before dying he says let this expiate Clarissa s relatives finally realise the misery they have caused but discover that they are too late and Clarissa has already died The story ends with an account of the fate of the other characters
