**The Living Church**, 1907 **Toward a Homiletical Theology of Promise** David Schnasa Jacobsen, 2018-04-17

Promise has a long pedigree in the history of Christian understandings of the gospel This volume gathers together leading homileticians to consider the breadth of its understanding today in light of the struggle to reconcile God's grace with God's justice Assuming that promise is a core sense of the gospel how does this relate to the variety of contexts in which homiletical theology is done In this final volume in the series six homileticians from a variety of contexts and perspectives try to move specifically toward a homiletical theology of promise as a way to articulate the central theological gift and task that is preaching the gospel today Seeds of Faith Mark A. McIntosh, Frank T. Griswold, 2022-05-24 A spiritual introduction to Christian theology Christian belief can be understood neither entirely through doctrine nor entirely apart from it Doctrine is the starting point the seed of faith from which springs forth flourishing life in the fellowship of the church But that growth occurs only when theology and spirituality are held together in a relation of reciprocal influence With decades of combined experience in both the church and the academy Mark McIntosh and Frank Griswold prioritize the life giving relationship between theology and spirituality in this immersive introduction to the Christian faith Drawing inspiration and guidance from Christianity's greatest mystical theologians including Augustine Maximus the Confessor Thomas Aquinas Bonaventure and Catherine of Siena McIntosh and Griswold unfold essential doctrines and illuminate the transformative power of Christian belief The result is a book that propels readers beyond abstract knowledge to an experience of the living mystery who is God

**Living with Long Island's South Shore** Larry McCormick, 1984 The south shore of Long Island one of New York's greatest recreational assets is receding at the rate of up to six feet per year In many cases efforts to halt this erosion actually

have increased it Buildings cone thought safely constructed back from high tidemarks today protrude far into the water Even more the number of homes an facilities built too close to the sea s edge has dramatically increased making the south shore probably less ready to withstand a major storm than at the time of the cataclysmic hurricane of 1938 Thus the question of what to do now to overcome and avoid these hazards takes on real urgency Pointing to past mistakes many Long Islanders insist that only by acting in an informed reasonable way can safe and environmentally sound development be possible for everyone

*Exodus: the Master Plan* Alice Gravatt,2017-04-24 A master plan exists for human life so amazing that it goes beyond human imagination No human mind could give birth to it nor can any human ability bring it into being The plan is intended for all people who will claim it for themselves The plan is given to us by our Creator through Mosess tabernacle in approximately 1440 BC in a book called Exodus and it is about to be fulfilled in the near future The tabernacle is the blueprint for the plan through an amazing voluminous number of symbols expressed in measurements the furniture within it metals and substances for construction and colors and areas used within it The historic people Israel were the scale model of the plan a living clarification of the symbols on the stage of planet earth In part five youll find several chapters of totally unique revelations that give us a clearer understanding of some concepts that we have had difficulty in grasping particularly in the chapter The Cell of Life Lets put off the conventional humanly preconceived limiting blindness of

human legalism and tradition and explore the concepts from a greater mind whose vision is unlimited That vision is expressed in a being who has agape sacrificial love The plan with its promises is available to everyone who really wants it a gift requiring no merit on the part of the receiver only a hungry heart desiring truth and a willingness to follow its guidance The purpose of Exodus The Master Plan is to draw you into this plan so you may have all of its promise
