Responsive Prayers David Sparks, 2018-05-30 *The Jesus You Never Knew* Dr. Henry DePetro, 2012-09 In the hearts of all mankind of whatever race or station in life there are inexpressible longings for something they do not now possess This longing is implanted in the very constitution of man by a merciful God that man may not be satisfied with his present conditions or attainments whether bad or good or better God desires that the human shall seek the best and find it to the eternal blessing of his soul Satan by wily scheme and craft has perverted these longings of the human heart He makes men believe that this desire may be satisfied by pleasure by wealth by ease by fame by power but those who have been thus deceived by him and they number myriads find all these things pall upon the sense leaving the soul as barren and unsatisfied as before It is God's design that this longing of the human heart should lead to the One who alone is able to satisfy it The desire is of Him that it may lead to Him the fullness and fulfillment of that desire That fullness is found in Jesus the Christ the Son of the Eternal God For it was the good pleasure of the Father that in Him should all the fullness dwell for in Him dwelleth all the fullness of the Godhead bodily And it is also true that in Him ye are made full with respect to every desire divinely

implanted and normally followed Haggai calls Him the Desire of all nations and we may well call Him the Desire of all ages even as He is the King of ages It is the purpose of this book to set forth Jesus Christ as the One in whom every longing may be satisfied There is many a Life of Christ written excellent books large funds of information elaborate essays on chronology and contemporaneous history customs and events with much of the teaching and many glimpses of the many sided life of Jesus of Nazareth Yet it may be truly said The half has never been told It is not however the purpose of this work to set forth a harmony of the Gospels or even to give in stricdy chronological order the important events and wonderful Iessons of the life of Christ its purpose is to present the love of God as revealed in His Son the divine beauty of life of Christ of which a1l may partake and not to satisfy the desires of the merely curious nor the questionings of critics But even as the attraetl on of His own goodness of character Jesus drew His disciples unto himself and his personal presence by His sympathetic touch and feeling in all their infirmities and needs and by his constantassocaition transformed their characters from the erathly to the heavenly from the selfish to the sacrificing from the small hearted ignorance and prejudice to largehearted knowledge and profound love for soulsof all nations and races even so it is the purpose of this book so to presentthe blessed Redeemer as to helpthe readerto come to Him face to face herat to heart and find in Him even as did the diciples of old Jesus the Mighty One who saves ot the uttermost and transforms to HIs own divine image all of those who come unto God by Him Yet how impossibleit is to revealHis life It is like attemptingto putupos canvas the livingrainbow into charaters of black and white the sweetest music

A Mere Shepherd Boy - Book 1 Michael Peter Thomas-Hall,2024-02-02 The year was 1 000 BC Life was fraught with danger Drought famine and sickness were a constant threat At any moment an enemy could invade In a little hilltop village a child was born the youngest of a tribe of brothers He was destined to become one of the best known names in human history As a child he knew nothing of this Yet he dreamed And as he led his father s sheep through the wild pastures he looked to the heavens played his harp and lifted his voice in spontaneous song There were predators in those hills but he was unafraid and full of courage as if protected from all harm A natural leader he won the loyalty and admiration of the other boys in town He drilled them in war games and they shared many adventures These childhood companions remained faithful to him throughout all the seasons of his life Through thick and thin they followed him because of that special something that capacity to inspire and to lead which seemed to come so naturally to him This is the story of his early years It lays the foundation culturally socially and geographically for the epic life journey which lay ahead His legacy would last forever

Garden to Garden Mark Yoder,2021-07-01 Good stories capture us Gripping stories inspire us God s story changes us In Garden to Garden through the power of story author Mark Yoder recounts the epic saga of God s work with man It began with the first garden in Eden and wraps up with Revelation s last garden on the new Earth One of the great tragedies of not knowing the Bible is not knowing the story in it Let s correct that From the marvel of creation through the colossal collapse of the fall and on through God s work to rescue it all hear the plot twists and shocking acts of a heroic

Savior Written in a style loved by people who gravitate to stories Yoder weaves the narrative of Scripture with tales of his own Those who are unfamiliar with the general flow of the Biblical plot will learn the big picture alongside many of God's individual acts Those who could tell much of this story themselves will step back and once again be in awe of how astonishing this narrative is Gather round it's story time [The Inclusive Bible](#) Priests for Equality,2009-03-16 While this new Bible is certainly an inclusive language translation it is much more it is a re-imagining of the scriptures and our relationship to them Not merely replacing male pronouns the translators have rethought what kind of language has built barriers between the text and its readers Seeking to be faithful to the original languages they have sought new and non-sexist ways to express the same ancient truths The Inclusive Bible is a fresh dynamic translation into modern English carefully crafted to let the power and poetry of the language shine forth particularly when read aloud giving it an immediacy and intimacy rarely found in traditional translations of the Bible The Inclusive Bible contains both the Old and the New Testaments **Gate of the Heart** Nader Saiedi,2010-03-31 In 1844 a charismatic young Persian merchant from Shiraz known as the Báb electrified the Shīh world by claiming to be the return of the Hidden Twelfth Imam of Islamic prophecy But contrary to traditional expectations of apocalyptic holy war the Báb maintained that the spiritual path was not one of force and coercion but love and compassion The movement he founded was the precursor of the Bahá'í Faith but until now the Báb's own voluminous writings have been seldom studied and often misunderstood Gate of the Heart offers the first in-depth introduction to the writings of the Báb Taking an interdisciplinary approach the author examines the Báb's major works in multifaceted context explaining the unique theological system mystical world view and interpretive principles they embody as well as the rhetorical and symbolic uses of language through which the Báb radically transforms traditional concepts Arguing that the Báb movement went far beyond an attempt at an Islamic Reformation the author explores controversial issues and offers conclusions that will compel a re-evaluation of some prevalent assumptions about the Báb's station claims and laws Nader Saiedi's meticulous and insightful analysis identifies the key themes terms and concepts that characterize each stage of the Báb's writings unlocking the code of the Báb's mystical lexicon Gate of the Heart is a subtle and profound textual study and an essential resource for anyone wishing to understand the theological foundations of the Bahá'í religion and the Báb's significance in religious history Co-published with the Association for Bahá'í Studies *Muhammad the Prophet* Maulana Muhammad Ali,2015-04-16 Researched biography of the Holy Prophet Corrects misconceptions about his life answers western criticism 1 Muhammad The Prophet 2 The Early Caliphate by Muhammad Ali together constitute the most complete and satisfactory history of the early Muslims hitherto compiled in English Islamic Culture Hyderabad India He has now produced a biography of the Prophet of Islam in English It is not only Muslims who should feel grateful to him for the publication The book should indeed give greater gratification to the English speaking non-Muslims whom it gives an opportunity of knowing the truth about the life and personality of one who is admitted on all hands to be the greatest reformer in the history of the world The
