Promiseland And The Other Side Of Jordan:

Which Way to the Promised Land Syliva Boys,2019-05-14 Spiritual reflections on the subject of Christian pilgrimage arranged as 40 daily readings Very suitable for Lent but can be used at anytime Includes a daily Bible reading plan LENT READINGS EXTRACT Day 38 Pursue Excellence Then Jacob called for his sons and said Gather around so I can tell you what will happen to you in days to come Assemble and listen sons of Jacob listen to your father Israel Reuben you are my firstborn my might the first sign of my strength excelling in honour excelling in power Turbulent as the waters you will no longer excel for you went up onto your father s bed onto my couch and defiled it Gad will be attacked by a band of raiders but he will attack them at their heels Genesis 49 1 4 19 These are the words of Jacob to his sons Reuben and Gad at the end of his life With Reuben s and Gad s track records Jacob knew that they were happy to just get by in life and wouldn t be interested in the effort it would take to take hold of God s best for them and for their descendants They could live the way they did without having to exercise any great faith in God Life was comfortable We may at first think that their tribes settled east of Jordan because they had no heart to do battle to inherit the promised land That is of course not true they went ahead of the other tribes to fight together with them until the war was won However by remaining across the other side of Jordan they settled in God s second best for them Spending time in the wilderness was intended to prepare them to cross the Jordan But they weren t interested in God s plan for their lives However Jacob s other sons and their descendants chose to make the journey and after many battles received God s best for their families Some people are willing to pay the price to receive God s best and persevere but others are not What about you Is second best good enough for you After all it could be a lot worse Do you have an it will do mentality Or are you prepared to put in the effort required to live on the west side of your Jordan What spiritual or natural inheritance are we storing up for the generations who follow us **Perverting the Promised Land**

Charles Wilcox,2015-10-30 Who really killed Lincoln The value of history is understood less and less in our world It s an easy subject to underestimate But the reality is that knowing history is vital to a people s survival Creating connections with the past orients and stabilizes us It provides specific lessons that can inform our decision making both individually and nationally It supplies our memory as a people as well as our understanding of and appreciation for personal and national character It fortifies us to face hardships with resolution And it is extremely prophetic as it tends to play out in repetitive cycles The lessons are many and they are invaluable What sorts of lessons will this history teach Will it fill our students with a sense of positive purpose Will it inspire them to follow the best examples of their forebears and to build heroic character Will it strengthen them for future challenges The better you understand history the better you can understand why our ignorance of it is so dangerous **Bound for the Promised Land** Kate Clifford Larson,2009-02-19 The essential richly researched biography of Harriet Tubman revealing a complex woman who led a remarkable life one that her race her sex and her origins make all the more extraordinary The New York Times Book Review Harriet Tubman is one of the giants of American history a

The Promise Land Principle Richard Christenson,2018-09-21 The book of Exodus provides us with one of the most dramatic adventures of faith found in the Bible During its forty fantastic chapters we read about the enslavement of an entire race a baby set afloat on the Nile River a speaking shrub a shepherd s staff becoming a venomous snake water transformed into blood miraculous frogs gnats flies and locus infestations a death angel a sea selectively parting for the good guys and swallowing up the bad guys a seemingly unlimited supply of flat bread on the ground in the desert every morning birds dropping in for dinner water flowing out of a rock and much much more The stuff God pulls off in Exodus is way better than anything Indiana Jones Iron Man or even a Jedi relying upon the force could possibly accomplish Seriously someone should consider negotiating a film deal with God I

really believe the story that unfolds in Exodus would be a blockbuster success Wait has someone already done that movie As fun as it is to read this stupendous story I want to make sure you don't miss the primary reason God inspired this book to be included in the Bible This intriguing inspirational narrative is about faith how God goes about preparing His people to carry out their intended work and warfare with reliance upon His presence power and provision The purpose and possibilities of our partnership with God are the primary teachings conveyed through all the awesome Exodus adventures [Our Promised Land](#) Charles Selengut,2015-08-06 Our Promised Land takes readers inside radical Israeli settlements to explore how they were formed what the people in them believe and their role in the Middle East today Charles Selengut analyzes the emergence of the radical Israeli Messianic Zionist movement which advocates Jewish settlement and sovereignty over the whole of biblical Israel as a religious obligation and as the means of world transformation The movement has established scores of controversial settlements throughout the contested West Bank bringing more than 300 000 Jews to the area Messianic Zionism is a fundamentalist movement but wields considerable political power Our Promised Land which draws on years of research and interviews in these settlements offers an intimate and nuanced look at Messianic Zionism life in the settlements connections with the worldwide Christian community and the impact on the Israeli Palestinian conflict Selengut offers an in depth exploration of a topic that is often mentioned in the headlines but little understood **Precious Stones and Bedrock Truth** Mark L. Day,2010-05 Will your home stand firm when the torrents of life come bursting at the foundation Certainly if it's built on the foundation of Christ alone Is your marriage troubled Has your spouse or child been lifted on eagle's wings to heaven unexpectedly Has your doctor explained a dreaded prognosis Does the ground quake with financial uncertainties These are the times when you need solid rock Hopeless secular humanism builds on sinking sand and changing ideas Yet believers from every generation have found strength by entrusting their future into God's hands When you study God's Word with determination to obey you are building on Christ faith's cornerstone We will build upon this foundation by studying the Spirit's use of stone typology in scripture to reveal foundations of Christian faith and how to live for Christ as He intended Rock solid truth equips you to stand firm in faith and to give an account of the hope within you for God's glory Mark Day is a student of God's Word and diligently examines Biblical truth He appreciates practical applications from personal study that impact how to live the Christian life For over 40 years Mark has enjoyed sound Biblical teaching from excellent Pastors has grown through leading men's fellowship groups teaching Bible classes and encouraging believers through hospital visitation ministries He has discovered that believers need to stand firm on solid truth especially during testing and trials He has written several articles on Christian doctrines to encourage others Precious Stones which is the culmination of a ten year research project was written as a heritage for his children and prays that you too will find increased strength through this Bible study Mark is a Software Engineer living in Southern California He and his wife Cherie have three children and five grandchildren [The Book of the Former Prophets](#) Thomas W. Mann,2011-04-15 The Former

Prophets of the Hebrew Bible includes the books of Joshua through 2 Kings a narrative of ancient Israel's history of some seven hundred years from the conquest of Canaan to the exile when Israel lost the land. From a critical perspective the narrative is a composite document incorporating many different literary sources from different times seen as a whole the result is a compelling example of ancient historiography as well as an impressive artistic achievement. Included are fascinating and often horrifying stories of war, religious fanaticism, terror and disaster as well as stories of deep personal loyalty, friendship and faith. Many characters in the books of The Former Prophets are at once virtuous and villainous such as King David, slayer of giants, writer of therapeutic songs and builder of empire who is also a permissive parent, a rapist, an adulterer and a murderer. The books of the Former Prophets feature a witch who is far from wicked and a religious reformer who slaughters the unorthodox. Even God makes an appearance as an evil spirit. Not only have such vivid personages inspired works of art and motivated groups including the Pilgrims who came to America to found communities like New Canaan. The Former Prophets also present parallels, often uncomfortable ones, to events in our own history from ethnic cleansing to tyrannical oppression. Yet the Former Prophets also picture the dream of a just and peaceful community that has motivated people of goodwill for thousands of years. Through it all the Former Prophets raise perennial questions: What is the relationship between divine sovereignty and human political institutions? How does a culture identify insiders and outsiders? In what sense are historical events the result of human acts and also of divine Providence? How does a nation come to terms with its failures as well as its triumphs?

The Children's Bible in 365 Stories Mary Batchelor, 1995. Tells all the better known stories of the Old and New Testaments.

Speaking the Truth in Love Paul Matte, 2023-03-13. As Christians we are to be the salt and light to this world but are dangerously becoming a hybrid form of Scripture and culture. We are conforming to the pressure making us more culturally centered in our teachings and practices. This mixture of church and culture is seen as we drift from biblical truth in determining what we believe and how we live. It is not enough to resist the cultural pressures. We must be transformed by the renewing of our mind. This is not a mental positive thinking exercise as some suggest. It is listening to God's Word as our source of truth to understand all issues of life. By speaking the truth in love we mature in Christ so that we are not tossed by the waves of the culture but are firmly anchored in Jesus so that we live in a manner that pleases Him.
