Matsumoto,2019-06-30 In 1919 against a backdrop of a long history of anti Asian nativism a handful of Japanese families established Cortez Colony in a bleak pocket of the San Joachin Valley Valerie Matsumoto chronicles conflicts within the community as well as obstacles from without as the colonists responded to the challenges of settlement the setbacks of the Great Depression the hardships of World War II internment and the opportunities of postwar reconstruction Tracing the evolution of gender and family roles of members of Cortez as well as their cultural religious and educational institutions she documents the persistence and flexibility of ethnic community and demonstrates its range of meaning from geographic location and web of social relations to state of mind *The Oxford Handbook of Asian American History* David Yoo,Eiichiro Azuma,2016 The Oxford Handbook of Asian American History brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese

American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history Encyclopedia of Life Writing Margaretta Jolly,2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company *The Columbia Guide to Asian American History* Gary Y. Okihiro,2005-03-30 Offering a rich and insightful road map of Asian American history as it has evolved over more than 200 years this book marks the first systematic attempt to take stock of this field of study It examines comments and questions the changing assumptions and contexts underlying the experiences and contributions of an incredibly diverse population of Americans Arriving and settling in this nation as early as the 1790s with American born generations stretching back more than a century Asian Americans have become an integral part of the American experience this cleverly organized book marks the trajectory of that journey offering researchers invaluable information and interpretation Part 1 offers a synoptic narrative history a chronology and a set of periodizations that reflect different ways of constructing the Asian American past Part 2 presents lucid discussions of historical debates such as interpreting the anti Chinese movement of the late 1800s and the underlying causes of Japanese American internment during World War II and such emerging themes as transnationalism and women and gender issues Part 3 contains a historiographical essay and a wide ranging compilation of book film and electronic resources for further study of core themes and groups including Chinese Japanese Filipino Hmong Indian Korean Vietnamese and others *The Nishimutas* Juli Ann Nishimuta,2006 This is the true story of an Issei immigrant and his multicultural Nisei family They lived and farmed in rural Oklahoma and survived the Great Depression It is important to understand the enormous impact of Pearl Harbor and World War II on the life of this Japanese American family This is an oral history the words of their multicultural children paint a picture of love faith and inspiring optimism **An Interethnic Companion to Asian American Literature** King-Kok Cheung,1997 A survey of Asian American literature Okina Kyūin and the Politics of Early Japanese Immigration to the United States, 1868-1924 Ikuko Torimoto,2017-01-31 Okina Ky in boarded the steamship Kaga Maru at the port of Yokohama in 1907 bound for America For this ambitious young man Japanese American newspapers were an invaluable medium for communicating his opinions on important social issues and documenting everyday life in his community His vivid articles and stories established him as an essential voice among Japanese immigrants This book examines Okina s life on the American West Coast in the context of U S Japanese diplomatic relations between 1868 and 1924 **Immigrant Voices** Thomas Dublin,1993 A collection of ten immigrant stories from 1773 to 1986 by men and women from European Latin American and Asian countries which are based on letters diaries and oral histories **Reading Asian American Literature** Sau-ling Cynthia Wong,1993-07-12 A recent explosion of publishing activity by a wide range of talented writers has placed Asian American literature in the limelight As the field of Asian

American literary studies gains increasing recognition however questions of misreading and appropriation inevitably arise How is the growing body of Asian American works to be read What holds them together to constitute a tradition What distinguishes this tradition from the mainstream canon and other minority literatures In the first comprehensive book on Asian American literature since Elaine Kim's ground breaking 1982 volume *Sau ling Wong* addresses these issues and explores their implications for the multiculturalist agenda Wong does so by establishing the intertextuality of Asian American literature through the study of four motifs food and eating the Doppelgänger figure mobility and play in their multiple sociohistorical contexts Occurring across ethnic subgroup gender class generational and historical boundaries these motifs resonate with each other in distinctly Asian American patterns that universalistic theories cannot uncover Two rhetorical figures from Maxine Hong Kingston's *The Woman Warrior* Necessity and Extravagance further unify this original wide ranging investigation Authors studied include Carlos Bulosan Frank Chin Ashley Sheun Dunn David Henry Hwang Lonny Kaneko Maxine Hong Kingston Joy Kogawa David Wong Louie Darrell Lum Wing Tek Lum Toshio Mori Bharati Mukherjee Fae Myenne Ng Bienvenido Santos Monica Sone Amy Tan Yoshiko Uchida Shawn Wong Hisaye Yamamoto and Wakako Yamauchi

Barbed Voices Arthur A. Hansen, 2018-11-05 *Barbed Voices* is an engaging anthology of the most significant published articles written by the well known and highly respected historian of Japanese American history Arthur Hansen updated and annotated for contemporary context Featuring selected inmates and camp groups who spearheaded resistance movements in the ten War Relocation Authority administered compounds in the United States during World War II Hansen's writing provides a basis for understanding why when where and how some of the 120 000 incarcerated Japanese Americans opposed the threats to themselves their families their reference groups and their racial ethnic community What historically was benignly termed the Japanese American Evacuation was in fact a social disaster which unlike a natural disaster is man made Examining the emotional implications of targeted systemic incarceration Hansen highlights the psychological traumas that transformed Japanese American identity and culture for generations after the war While many accounts of Japanese American incarceration rely heavily on government documents and analytic texts Hansen's focus on first person Nikkei testimonies gathered through powerful oral history interviews gives expression to the resistance to this social disaster Analyzing the evolving historical memory of the effects of wartime incarceration *Barbed Voices* presents a new scholarly framework of enduring value It will be of interest to students and scholars of oral history US history public history and ethnic studies as well as the general public interested in the WWII experience and civil rights

In Defense of Asian American Studies Sucheng Chan, 2005 *In Defense of Asian American Studies* offers fascinating tales from the trenches on the origins and evolution of the field of Asian American studies as told by one of its founders and most highly regarded scholars Wielding intellectual energy critical acumen and a sly sense of humor Sucheng Chan discusses her experiences on three campuses within the University of California system as Asian American studies was first developed in response to vehement student

demand under the rubric of ethnic studies Chan speaks by turns as an advocate and an administrator striving to secure a place for Asian American studies as a teacher working to give Asian American students a voice and white students a perspective on race and racism and as a scholar and researcher still asking her own questions The essays span three decades and close with a piece on the new challenges facing Asian American studies Eloquently documenting a field of endeavor in which scholarship and identity define and strengthen each other In *Defense of Asian American Studies* combines analysis personal experience and indispensable practical advice for those engaged in building and sustaining Asian American studies programs

Japanese Americans Paul R. Spickard, 2009 Since 1855 nearly half a million Japanese immigrants have settled in the United States and today more than twice that number claim Japanese ancestry While these immigrants worked hard established networks and repeatedly distinguished themselves as entrepreneurs they also encountered harsh discrimination Nowhere was this more evident than on the West Coast during World War II when virtually the entire population of Japanese Americans was forced into internment camps solely on the basis of ethnicity

California History, 1994 *Race, Poverty, and Social Justice* José Z. Calderón, 2023-07-03 This volume explores multiple examples of how to connect classrooms to communities through service learning and participatory research to teach issues of social justice The various chapters provide examples of how collaborations between students faculty and community partners are creating models of democratic spaces on campus and off campus where the students are teachers and the teachers are students The purpose of this volume is to provide examples of how service learning can be integrated into courses addressing social justice issues At the same time it is about demonstrating the power of service learning in advancing a course content that is community based and socially engaged To stimulate the adaptation of the approaches described in these books each volume includes an Activity Methodology table that summarizes key elements of each example such as class size pedagogy and other disciplinary applications Click here for the table to this title

Inside an American Concentration Camp Richard Shigeaki Nishimoto, 1995 Of particular interest are Nishimoto's accounts of the importance of gambling among Japanese Americans and of the power politics between first and second generation Japanese Americans in the camp

"Silence, No More" Alice Yang Murray, 1994 *Historical Memories of the Japanese American Internment and the Struggle for Redress* Alice Yang Murray, 2008 This book explores how the politics of memory and history affected representations of the internment of 120 000 Japanese Americans during World War II and the passage of redress legislation in 1988
