Promises Poems 1954 1956:

Promises Robert Penn Warren, 1957 This is the first book of lyric poetry by Robert Penn Warren to appear since the publication of his *Selected Poems* in 1944 **The Braided Dream** Randolph Paul Runyon, 2021-12-14 Robert Penn Warren's reputation as a poet though always considerable has soared in the last decade as indicated by his recent selection as America's first poet laureate *The Braided Dream* is one of the first book length studies of the poetry that has led to Warren's recent rise to eminence and the first to consider his final collection *Altitudes and Extensions* In a communicable jargon free style that will appeal to the nonacademic reader as well as the serious scholar Randolph Paul Runyon provides a detailed and illuminating guide to a body of poetry that despite its greatness has until now seemed resistant to full understanding Every poem of Warren's last four sequences *Now and Then* *Being Here* *Rumor Verified* and *Altitudes and Extensions* is given a close reading with a precise laying out of words phrases and recurring images that not only enrich the texture of the poetry but are themselves the texture Runyon demonstrates the relevance of Freud's concept of the dream work of the unconscious to a reading of this tightly interwoven poetry He shows how Warren's poems assume additional meanings by the poet's very arrangement of them deepening his thesis by arguing that poems eat poems as each reuses and reconceptualizes the imagery of its predecessor frequently with ironic or parodic effect **The Fugitive Poets** William Pratt, 1991 Anthology of the finest modern Southern poets including Warren Ransom Tate Davidson **Encyclopedia of American Literature** Manly, Inc., 2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S *The Poetic Vision of Robert Penn Warren* Victor H. Strandberg, 2021-12-14 Though it has won the Pulitzer Prize the National Book Award and the Bollingen Prize the poetry of Robert Penn Warren still is not widely or well understood In this study Victor H Strandberg redresses this imbalance by providing a comprehensive survey of the poetic canon of this gifted complex and much neglected poet Warren writes in the tradition of Western poets concerned with the painful experience of a forced one way passage from innocence into the world's stew of time and loss This passage Strandberg explains results for Warren in bifurcation of the self into warring segments a clean idealistic surface ego and a polluted undiscovered self in the unconscious Revelation of the dirty part of human personality is tellingly evoked in many of Warren's major works As the poet's vision expands however these conflicting elements are unified in a mystic osmosis of being whereby the world which once provoked fear and disgust may now be totally loved In addition to close analysis both of individual poems and of the poet's overall development Strandberg reviews critical opinion of Warren's poetry over the last three decades and assesses his place among fellow poets Both as prophecy and as art he concludes Robert Penn Warren's poetry is so significant versatile and excellent as to rank him among the finest and most fertile talents of his age *Robert Penn Warren, Shadowy Autobiography, and Other Makers of American Literature* Joseph R. Millichap, 2023-08-18 Toward the end of his career Robert Penn Warren wrote It may be said that our lives are our own supreme fiction Although lauded for his

writing in multiple genres Warren never wrote an autobiography Instead he created his own shadowy autobiography in his poetry and prose as well as his fiction and nonfiction As one of the most thoughtful scholars on Robert Penn Warren and the literature of the South Joseph Millichap builds on the accepted idea that Warren s poetry and fiction became more autobiographical in his later years by demonstrating that that same progression is replicated in Warren s literary criticism This meticulously researched study reexamines in particular Warren s later nonfiction in which autobiographical concerns come into play that is in those fraught with psychological crisis such as *Democracy and Poetry* Millichap reveals the interrelated literary genres of autobiography criticism and poetry as psychological modes encompassing the interplay of Warren s life and work in his later nonfiction He also shows how Warren s critical engagement with major American authors often centered on the ways their creative work intersected with their lives thus generating both autobiographical criticism and the working out of Warren s own autobiography under these influences Millichap s latest book focuses on Warren s critical responses to William Faulkner John Crowe Ransom Herman Melville Nathaniel Hawthorne John Greenleaf Whittier and Theodore Dreiser In addition the author carefully considers the black and female writers Warren assessed more briefly in *American Literature The Makers and the Making* Robert Penn Warren *Shadowy Autobiography and Other Makers of American Literature* presents the breadth of Millichap s scholarship the depth of his insight and the maturity of his judgment by giving us to understand that in his writing Robert Penn Warren came to know his own vocation as a poet and critic and as an American

Selected Letters of Robert Penn Warren Robert Penn Warren,2013-12-16 In the last decade of his life Robert Penn Warren remained a vibrant force in American literature producing new works of poetry and nonfiction while also dealing courageously with the gradual decline of his health and the diminishment of his poetic powers Toward Sunset at a Great Height 1980 1989 the sixth and final volume of the author s selected letters provides crucial documentation of this period containing Warren s correspondence with friends family fellow writers editors critics and the scholars studying his works Warren published several volumes of poetry including Being Here 1980 Rumor Verified 1981 and Chief Joseph of the Nez Perce 1983 and returned to nonfiction prose with Jefferson Davis Gets His Citizenship Back 1980 and the memoir Portrait of a Father 1988 His letters reveal that he tried to begin writing a novel but was unable to make substantial progress on it and that from 1985 on he became increasingly dissatisfied with his new poems Until his death at age eighty four however Warren maintained an active correspondence filled with news about his writings and travels accounts of the lives of his wife and children and a stoic attitude about his own physical decline as well as a solicitousness regarding the health of others such as his brother Thomas and sister Mary He communicated with rising young scholars and encouraged younger poets he admired Toward Sunset at a Great Height offers rich insights into the closing chapter of Robert Penn Warren s professional and personal life making it an essential resource for understanding the full scope of the author s contribution to American letters

The Collected Poems of Robert Penn Warren Robert Penn Warren,1998-10-01 Winner of the C Hugh Holman Award A central figure in twentieth century American literature Robert Penn Warren 1905 1989 was appointed by the Library of Congress as the first Poet Laureate of the United States in 1985 Although better known for his fiction especially his novel All the King s Men it is mainly his poetry spanning sixty years fifteen volumes of verse and a wide range of styles that reveals

Warren to be one of America's foremost men of letters. In this indispensable volume John Burt Warren's literary executor has assembled every poem Warren ever published with the exception of *Brother to Dragons* including the many poems he published in *The Fugitive* and other magazines as well as those that appeared in his small press works and broadsides. Burt has also exhaustively collated all of the published versions of Warren's poems which in some cases appeared as many as six different times with substantive revisions in every line as well as his typescripts and proofs. And since Warren never seemed to reread any of his books without a pencil in his hand Burt has referred to Warren's personal library copies. This comprehensive edition also contains textual notes, lists of emendations and explanatory notes. Warren was born and raised in Guthrie, Kentucky, where southern agrarian values and a predilection for storytelling were ingrained in him as a young boy. By 1925 when he graduated from Vanderbilt University he was already the most promising of that exceptional set of poets and intellectuals known as the Fugitives. Warren devoted most of the 1940s and 1950s to writing prose and literary criticism but from the late 1950s he composed primarily poetry with each successive volume of verse that he penned demonstrating his rigorous and growing commitment to that genre. The mature visionary power and technical virtuosity of his work in the 1970s and early 1980s emanated from his strongly held belief that only insofar as the work of art establishes and expresses a self can it engage us. Many of Warren's later poems which he deemed some of his best rejoice in the possibilities of old age and the poet's ability for continually expanding in a vital process of definition, affirmation, revision and growth, a process that is the image we may say of the life process.

Twentieth-Century Southern Literature J. A. Bryant Jr., 2014-07-11

Authors discussed include Wendell Berry, Erskine Caldwell, Truman Capote, Ralph Ellison, William Faulkner, Shelby Foote, Zora Neale Hurston, Bobbie Ann Mason, Cormac McCarthy, Flannery O'Connor, William Styron, Anne Tyler, Alice Walker, Robert Penn Warren, Eudora Welty, Tennessee Williams, Thomas Wolfe, Richard Wright and many more. By World War II the Southern Renaissance had established itself as one of the most significant literary events of the century and today much of the best American fiction is southern fiction. Though the flowering of realistic and local color writing during the first two decades of the century was a sign of things to come, the period between the two world wars was the crucial one for the South's literary development. A literary revival in Richmond came to fruition at Vanderbilt University; a group of young men produced *The Fugitive*, a remarkable controversial magazine that published some of the century's best verse in its brief run, and the publication and widespread recognition of Faulkner among others inaugurated the great flood of southern writing that was to follow in novels, short stories, poetry and plays. With more than forty years of experience writing and reading about the subject and friendships with many of the figures discussed, J. A. Bryant is uniquely qualified to provide the first comprehensive account of southern American literature since 1900. Bryant pays attention to both the cultural and the historical context of the works and authors discussed and presents the information in an enjoyable, accessible style. No lover of great American literature can afford to be without this book.

Acts of Mind Richard Jackson, 1984-05-30 There have been any number of books of interviews with contemporary writers but none precisely like this one The author editor has somehow managed to get these very different poets to follow his lead and in many cases for the first time anywhere to reveal much about their intellectual habits assumptions and preconceptions In almost every case he has been able to get these poets to talk more openly and freely than anyone else has ever done George Garrett

The Cass Mastern Material James A. Perkins, 2005-03-01 One of the most striking parts of Robert Penn Warren's novel *All the King's Men* is Chapter 4 in which narrator Jack Burden tells the story of his distant relative Cass Mastern A Confederate soldier Mastern betrays his best friend by falling in love with the man's wife and then out of guilt tries repeatedly to get killed in battle but ironically becomes a hero for his daring before finally attaining a mortal wound In *The Cass Mastern Material* James A Perkins fully explores how this episode supplies the crucial piece to a puzzle surrounding Warren's novel tracing the story's evolution through several versions and genres over almost twenty years Found here are

both the earliest short story rendition of the Cass Mastern episode originally published in 1944 and Warren's final dramatic version completed in 1961 and now made available in print for the first time The play was finally staged in 1999 and Perkins appends related letters production notes and an interview that provide a context for understanding the work's importance in Warren's career I have always felt that the section is central to *All the King's Men* Warren wrote concerning the Cass Mastern material In a revolutionary reading of the novel Perkins argues that the section provides the key to unlocking the mystery of Jack Burden's paternity This unique volume affords a view of Warren's restless creative process and throws new light on the story that formed the crux of his greatest novel a story he apparently never felt he had exhausted

Warren, Jarrell, and Lowell Joan Romano Shifflett, 2020-06-03 Robert Penn Warren Randall Jarrell and Robert Lowell maintained lifelong well documented friendships with one another often discussing each other's work in private correspondence and published reviews Joan Romano Shifflett's *Warren Jarrell and Lowell Collaboration in the Reshaping of American Poetry* traces the artistic and personal connections between the three writers Her study uncovers the significance of their parallel literary development and reevaluates dominant views of how American poetry evolved during the mid twentieth century Familiar accounts of literary history most prominently the celebration of Lowell's *Life Studies* as a revolutionary breakthrough into confessional poetry have obscured the significance of the deep connections that Lowell shared with Warren and Jarrell They all became quite close in the 1930s with the content and style of their early poetry revealing the impact of their mentors John Crowe Ransom and Allen Tate whose aesthetics the three would ultimately modify and transform The three poets achieved professional maturity and success in the 1940s during which time they relied on one another's honest critiques as they experimented with changes in subject matter and modes of expression Shifflett shows that their works of the late 1940s were heavily influenced by Robert Frost This period found Warren Jarrell and Lowell infusing ostensibly simple verse with multifaceted layers of meaning capturing the language of speech in diction and rhythm and striving to raise human experience to a universal level During the 1950s the three poets became public figures producing major works that addressed the nation's postwar need to reconnect with humanity Warren Jarrell and Lowell continued to respond in interlocking ways throughout the 1960s with each writer using innovative stylistic techniques to create a colloquy with readers that directed attention away from superficial matters and toward the important work of self reflection Drawing from biographical materials and correspondence along with detailed readings of many poems Warren Jarrell and Lowell offers a compelling new perspective on the shaping of twentieth century American poetry

Ghostly Parallels Randolph Runyon, 2006 America's most eminent man of letters in his later years and certainly one of the greatest Southern writers Robert Penn Warren has increasingly come to be known for his poetry *Ghostly Parallels* is a close examination of the heart of his poetic corpus the eight collections published between 1935 and 1976 *Thirty Six Poems* *Eleven Poems on the Same Theme* *Promises You* *Emperors and Others* *Tale of Time* *Incarnations* *Or Else* and *Can I See Arcturus from Where I Stand* *Ghostly*

Parallels shows how Warren constructed collections of poems based on common subjects and contexts and also contends that while the poems are distinctive taken together they reveal intricate patterns of theme imagery and diction within explicit sequences Runyon demonstrates that Warren's collections are integrated well crafted wholes and each poem references its predecessor sometimes in intriguingly self referential ways Runyon shows that despite the many changes in diction tone and subject that Warren underwent in his long career his concern for writing his poems in such a way that they could reach out beyond themselves to other poems remained remarkably constant In the arrangement Warren gave them his poems form ghostly parallels an expression that appears in The Return An Elegy where they refer to the railroad tracks that bring the poet home to his dying mother This return to the mother is a persistent leitmotif in the poems and forms the other major theme of this study Warren's personal poetic myth in which such images as golden light and mirror images are signs of the mother's presence as both Danae mother of Perseus and Medusa whom Perseus confronted Through pursuing sequential patterns as well as echoes and myth GhostlyParallels brings a wealth of insights to the work of this prolific novelist critic and essayist An important guide for undergraduate and graduate students alike Ghostly Parallels will also appeal to anyone with an interest in Robert Penn Warren and southern literature
