Interfaith marriages are on the rise, creating new challenges from wedding planning to childraising. People of faith are marrying nonreligious people. Many question the institution of marriage itself. At a time when those identifying as spiritual but not religious is on the rise, Pastor Donna Schaper provides a roadmap to help readers to understand this continuing transition of marriage after both culture and religion are no longer of one voice about its meaning. *The Creative Jewish Wedding Book* Gabrielle Kaplan-Mayer, 2009. Original 40,000 first printing. **From Story Interpretation to Sermon Crafting** Charles R. Dickson, 2012-01-09. *From Story Interpretation to Sermon Crafting* was written by a preacher for preachers who have to deal with the competing demands of pastoral ministry. It takes some of the gains of the last seven decades of the literary approach to Scripture and applies them to a vital aspect of pastoral ministry: preaching. The book presents a text-centered and theological approach to analyzing Old Testament narratives. This approach lays a solid basis for interpreting the narratives and demonstrates that the movement from examining the text to crafting the sermon is a continuous process. Making use of many examples based on narrative passages from the Old Testament that facilitate grasping the methodology, this approach to sermon crafting is rooted in the text, shaped by the text, and is characterized by sound and controlled exegesis. It provides the pastor with an approach that enables Old Testament historical narrative to speak to Christian believers in contemporary society in a way that addresses the issues, concerns, and struggles faced by the church and Christians. The writer to the Hebrews says of righteous Abel, though he is dead, he still speaks 11:4. Similarly, these ancient stories do speak and can still

speaking today To make them heard effectively and relevantly is the purpose of the book **Everything Creative Wedding Book** Jennifer Lata Rung,2003-03-01 This is the ideal handbook for any bride who wants to add a touch of flair to her special day with innovative ideas for everything from the marriage proposal to offbeat honeymoons Photos *As For Me and My House* Walter Wangerin Jr.,2001-06-03 Most books on marriage offer ten easy steps and twenty five proven principles for achieving marital bliss But Walter Wangerin side steps such easy answers and offers us instead an intimate portrait of his own courtship and thirty two year marriage and a pastoral view of married life that inspires readers to view their own marriages with new honesty and hope Wangerin s six tasks of marriage encourages couples to better understand and happily live out the vows they made giving them tools to nurture and maintain a strong marital relationship In his endorsement Philip Yancey accurately describes this book as an enduring classic and a book of wisdom beauty compassion and piercing honesty
