

A person wearing a brown, shaggy costume with large, upright ears stands on a stone path, looking out over a landscape under a cloudy sky. The costume appears to be a full-body suit, possibly representing a character like a giant rabbit or a similar creature. The person is standing with their back to the camera, looking towards the horizon. The sky is filled with dramatic, grey clouds, and the ground is a mix of dark and light patches, suggesting a path or a field. The overall mood is contemplative and somewhat somber.

Bad promises are better  
broken than kept.

Schreiner)* Michael Lawrence, 2010-04-01 Capitol Hill Baptist Church associate pastor Michael Lawrence contributes to the IXMarks series as he centers on the practical importance of biblical theology to ministry He begins with an examination of a pastor's tools of the trade exegesis and biblical and systematic theology The book distinguishes between the power of narrative in biblical theology and the power of application in systematic theology but also emphasizes the importance of their collaboration in ministry Having laid the foundation for pastoral ministry Lawrence uses the three tools to build a biblical theology telling the entire story of the Bible from five different angles He puts biblical theology to work in four areas counseling missions caring for the poor and church state relations Rich in application and practical insight this book will equip pastors and church leaders to think preach and do ministry through the framework of biblical theology      *Air Force Magazine*, 2003      **The Right Thing** Scott Waddle, 2003-02-26 When a U S nuclear submarine collided with a Japanese fishing vessel in the spring of 2001 the story made national headlines Navy Commander Scott Waddle former captain of the U S S Greeneville was at the center of the controversy This is the first hand never before published account of that fatal moment and the heart breaking avalanche of events that followed      **Autobiography** Thomas Collier Platt, 1910      When Populism Meets Nationalism Alberto Martinelli, 2019-01-28 In Europe and beyond today populism is alive and kicking Over the past few years anti establishment parties have made substantial strides Some of them have reached the levers of governments while others are consolidating their gains Being a thin ideology populism is being contaminated by nationalism This book offers a number of case studies on those countries whose governments have been labelled national populist Ranging from Italy to the United States from the Visegrad countries to Turkey Russia and Latin America this Report aims to single out what all these cases have in common but also what sets them apart from each other

**A Year with Mordecai Kaplan** Steven Carr Reuben, 2019-04-01 You are invited to spend a year with the inspirational words ideas and counsel of the great twentieth century thinker Rabbi Mordecai Kaplan through his meditations on the fifty four weekly Torah portions and eleven Jewish holidays A pioneer of ideas and action teaching that Judaism is a civilization encompassing Jewish culture art and peoplehood demonstrating how synagogues can be full centers for Jewish living

building one of the first shuls with a pool and creating the first ever bat mitzvah ceremony for his daughter Judith Kaplan transformed the landscape of American Jewry Yet much of Kaplan s rich treasury of ethical and spiritual thought is largely unknown Rabbi Steven Carr Reuben who studied closely with Kaplan offers unique insight into Kaplan s teachings about ethical relationships and spiritual fulfillment including how to embrace godliness in everyday experience our mandate to become agents of justice in the world and the human ability to evolve personally and collectively Quoting from the week s Torah portion Reuben presents Torah commentary a related quotation from Kaplan a reflective commentary integrating Kaplan s understanding of the Torah text and an intimate story about his family or community s struggles and triumphs guiding twenty first century spiritual seekers of all backgrounds on how to live reflectively and purposefully every day

**International Sunday School Evangel** ,1901      *Redesigning Democracy* Hans Gersbach,2017-04-07 Could democracy do better This book presents a vision on optimal democracies and a set of new rules to help achieve them The monograph follows on the author s successful book *Designing Democracy* from 2005 and further develops its ideas While liberal democracies are the best systems of self governance for societies they rarely provoke great enthusiasm Democracies have been known to fail in achieving efficient outcomes and fair distributions of wealth Moreover many citizens take the democratic system for granted simply because they have yet to experience an alternative This book argues that the potential offered by democracies has not yet been exhausted and that optimal democracies are both the Utopia for societies and the aim that scientists should commit themselves to making a reality Furthermore the book suggests a number of insightful rules to improve the functioning of democracies We all know what to do we just don t know how to get re elected after we have done it This famous quip by Jean Claude Juncker perfectly encapsulates the challenge this book takes on how to redesign our democratic institutions to overcome political short termism and make our democracies more efficient Several radical but highly relevant proposals are explored ranging from long term incentive contracts for politicians prediction markets over the outcomes of the next election that could be useful for incentive purposes minority voting initiative group constitutions and so on All these highly innovative proposals are rigorously grounded in standard economic analysis I highly recommend this book to anyone concerned about the state of our democracies and looking for constructive reforms Patrick Bolton Columbia University USA In a time of reeling democracies it is urgent to explore how to improve on the electoral system for the benefit of society Hans Gersbach has developed a most innovative and thought provoking research agenda at the intersection of political theory social choice and mechanism design He uncovers the potentially positive effects of political contracts between candidates and society of new rules for agenda setting and of mechanisms compensating the minorities Marc Fleurbaey Princeton University USA      **The Obama Presidency** William Crotty,2012-05-10 A comprehensive analysis of the Obama presidency its actions in office and its policy directions The changes in orientation and policy directions that took place are both accounted for and explained in a policy and political context as are their consequences for the institut
