**NEW TESTAMENT CONTEXTUAL COMMENTARY** Dr. Robert R. Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One

The Precious Things Of God Octavius Winslow, 2020-03-09 A slight glance at the contents of this volume will convey an idea of its character and design It is intended to be not so much a systematic treatise of theology as the companion in his hours of devotional meditative retirement of the experienced and spiritual Christian The truths which it contains and the style in which they are presented are perhaps more adapted to those peculiar seasons in the Christian experience of the believer in which profound discussion and labored thought would not only be distasteful but out of place Bearing with him the volume in his sequestered walks with God or making it the sharer of his temporary seclusion from the active engagements of life the precious things of God which it unfolds may serve to shed the perfume and the luster of Jesus name and work around his lone and pensive path cheering solitude soothing grief and dissolving doubt depression and gloom Many and costly are the precious things of God not enumerated in this work blessed are they who from the volume of their personal and spiritual experience can complete the catalogue and supply the Author's lack These pages address themselves pointedly and strongly to that essential principle of vital religion the experimental We really know as much of the gospel of Christ and of the Christ of the gospel as by the power of the Holy Spirit we have the experience of it in our souls All other acquaintance with Divine truth must be regarded as merely intellectual theoretical speculative and of little worth But to apprehend in some measure the value the glory and the preciousness of the Lord Jesus and as a consequence to esteem Him above all good to reflect His image to labor in His service and to be found preparing and waiting for the happy moment described with such exquisite beauty by Doddridge and as he only could portray it That blessed interview how sweet To fall transported at His feet Raised in His arms to see His face Through the full beamings of His grace this is spiritual LIFE And compared with the heart experience of this when we take a close realizing survey of eternity all other subjects of study and employments of time appear but solemn trifling with our destiny The Author regrets that to the discussion of themes so transcendently important and precious he should have brought so much human feebleness and infirmity His work planned amid the happy tranquility and repose of a long and warmly attached pastorate and finished amid the scenes of anxiety excitement and toil incident to a new and more extended sphere of ministerial labor has necessarily been exposed to much that was unfavorable to that matured thought careful composition and literary finish which he considers efforts of this kind

should possess His hope however is that imperfect as is his production the Divine Spirit may yet deign to bless it to the saving of precious souls give it acceptance with the Church of Christ and use it for the advancement of the cause of God and truth in the world and the glory shall be to the Father and to the Son and to the Holy Spirit three Persons in the One God world without end Amen      Life's Challenges.. Ninan,2018-09-13 Kabalah is considered to be the mystic part of the Jewish Spiritualism Most Christians try to avoid it since traditionally it was associated with magic and witchcraft True Judaism had its part of magic But it contains much more than that We miss the major part of the mysticism which form part of Christianity as inherited from Judaism In this book I have tried to bring some salient part of this strange field and renamed it Cabala to indicate Christian Kabalah It explains many difficult parts of the theology Cabalah is supposed to have been given to Moses by YHVH and was transmitted orally over the millenia Come and taste and see if it is all that good Herald of Gospel Liberty ,1909 Capture the Moment Gregg Matte,2021-12-01 Teach us to number our days carefully so that we may develop wisdom in our hearts These words from Psalm 90 prayed by Moses reflect an eternal truth we need God s help to number our days and to capture every moment so that we can live it with wisdom Capture the Moment is a 365 day devotional that will help you do just that For those who get bogged down in the mundane distracted by the noise and lost in the busyness pastor and author Gregg Matte has written these daily devotions to point us back to what matters most Begin or end each day with a short snippet of Scripture and a helpful devotional thought so that you can capture each moment rather than letting it slip away **The Expository Times** James Hastings,Ann Wilson Hastings,Edward Hastings,1917 God, Who Are You Anyway? Bayes, 2010-09-09 Throughout the centuries churches all over the world have confessed their faith in the words of The Apostle s Creed The Creed is a brilliant summary of the essence of biblical truth But as this book shows the Creed is not just a dry statement of abstract doctrines It is an expression of passion As they composed the Creed the earliest Christians were giving voice to their passion for the God who has made himself known in the person of Jesus Christ The Creed stands as an invitation to believers of every generation to that same passionate commitment which has marked our predecessors in the faith This book expounds the Creed phrase by phrase and seeks at every point to apply its teaching to the life of believers in the world of today Taking the Creed as his starting point and framework Jonathan Bayes presents a wide ranging account of Christian theology His reflections on the Creed lead to some challenging and stimulating meditations on various aspects of biblical teaching **The Testimony of Christ** Stephen W. Lange, 2018-11-17 In a world with so many voices telling us how to find God and how to know him how can we know what is the truth How can we separate what is true from what is false Jesus said that we can know the truth and that the truth will make us free Author Stephen W Lange writes an enlightening book showing how we can know the truth about God and Christ Jesus Christ said there were four witnesses that corroborate his testimony John the Baptist the miracles Jesus performed the witness of God the Father and the prophecy about the Messiah from the Old Testament Stephen highlights the testimony of Christ and examines the four witnesses that corroborate it Stephen then explores the doctrines of Christ and what they mean for people today We can know the truth of God We only have to examine the evidence
