Answering the Call Ken Gire, 2013-03-18. A Christian author's inspiring biography of the Nobel Peace Prize winning theologian and physician who built a hospital in French Equatorial Africa. As a young man, Albert Schweitzer seemed destined for greatness. His immense talent and fortitude drove him to become one of twentieth century Europe's most renowned philosophers, theologians and musicians. Yet Schweitzer shocked his contemporaries by forsaking worldly success and embarking on an epic journey into the wilds of French Equatorial Africa, vowing to serve as a lifelong physician to the least of these in a land rife with famine, sickness and superstition. Schweitzer was honored with a Nobel Peace Prize in 1952. His legacy endures in the thriving African hospital community that began in a chicken coop; the millions who have drawn inspiration from his example and the timeless wisdom and compassion of his writings. In this vividly narrated biography, Ken Gire sheds new light on Schweitzer's faith in action, ethic and his commitment to honor God by celebrating the sacredness of all life.

Congress. House. Committee on Ways and Means. Subcommittee on Human Resources,1993 This document contains a record of the oral and written testimony of witnesses at a Chicago Illinois Congressional hearing on the Job Opportunities and Basic Skills JOBS Training Program Witnesses at the hearing included officials from various Illinois programs funded by the JOBS program government officials and unemployed persons They testified that the high state match of funds and services works against the successful implementation of the JOBS program and the requirements of the Family Support Act of 1988 are burdensome Witnesses noted that in times of recession the states simply do not have enough money to set up the matches for federal funds Witnesses also stated that the JOBS program s requirement that participants engage in 20 hours per week of education is unrealistic because most literacy programs or postsecondary programs require less than 20 hours of classroom work but presume home study time The 20 hour rule works against participants improving their skills Proposed changes in the JOBS legislation to lessen the amount of state money required and to make program requirements more flexible are included in these proceedings KC **Ancient Wisdom for Modern Management** Dr Ralf Lisch,2012-12-28 Machiavelli lives 500 years after Niccol Machiavelli has written The Prince this classic of the mechanisms behind success in management has not lost its relevance In an intriguing and inspiring interplay of quotes interpretations and examples Dr Ralf Lisch develops Machiavelli s most famous work into a practical guide providing Ancient Wisdom for Modern Management Many have heard about Machiavelli but few have really read and understood him Ralf Lisch s analysis of The Prince proves that widespread associations with evil management are a thorough misunderstanding He has done away with historic ballast and abstains from a moralizing approach that does not do justice to Machiavelli s works Instead he lets Machiavelli have his
