[Preparing Teachers for Inclusive Education in China](#) Wang Yan, 2023-09-29 Focusing on the competence of teachers that underpins inclusive education seeking equal access to education for special needs children this title examines teacher competence cultivation based on examples in China and excellent international experience To give a clear picture of the context of inclusive education in China the author first

clarifies the relevant concepts and reviews the evolving policies and practices embodied in the Learning in Regular Classrooms LRC program. The study then constructs an analytical model of four key indicators that help evaluate the competence of teachers in inclusive education. Based on analysis of the influencing factors of teacher competence, the book elucidates how these factors work to determine teacher competence. Drawing on international experience, especially pre-service teacher cultivation in the US and in-service training in China, it introduces three major cultivation models and feasible suggestions and strategies to improve the competence of teachers in inclusion. This book will benefit researchers, professionals, and policymakers interested in inclusive education, special education, and teacher education.

*Inclusive Education in China* Wangqian Fu, 2022-06-23 By adopting a comparative approach, this book investigates the philosophy, policy, practices, and challenges of inclusive education in the Chinese contexts, recognizing influences of Chinese culture such as Confucianism, collectivism, and familism. In the 1980s, the Chinese government promoted a policy named Learning in Regular Classroom to ensure educational rights for children with disabilities, which subsequently turned into an inclusive education program in the western sense. Starting from this point, the policy and practice of inclusive education have developed tremendously. To facilitate reflection and future development, this is the latest and most comprehensive attempt at understanding the status quo of inclusive education in China from a variety of perspectives, from early childhood to higher education, from family to schools and communities, from peers to teachers, and

parents It also analyzed the unique Chinese philosophy of inclusive education adding to current debates with a Chinese lens This book will appeal to academics students and practitioners in disciplines such as education early childhood studies sociology social work social policy disability studies and youth studies *Building Inclusive Education in K-12 Classrooms and Higher Education: Theories and Principles* Koreeda, Kiyoji, Tsuge, Masayoshi, Ikuta, Shigeru, Dalton, Elizabeth Minchin, Ewe, Linda Plantin, 2023-06-12 Most people recognize the importance of inclusive education and hope to promote it everywhere at all levels and situations in education However the road to realizing this ideal is by no means a smooth one due to this further study is required Building Inclusive Education in K 12 Classrooms and Higher Education Theories and Principles discusses various inclusive practices in K 12 classrooms and higher education all over the world and presents problems and challenges that educators are struggling to overcome Covering key topics such as educational technology global movement and inclusive education this major reference work is ideal for administrators policymakers industry professionals researchers academicians scholars practitioners instructors and students Pedagogical Approaches of Teachers in the Implementation of Inclusive Education Program for the Learners Nazarene Delos Santos, Catherine R.
