Webb's Easy Bible Names Pronunciation Guide Steven K Webb, 2012-06-02 Who should use this guide Anyone who desires to pronounce the names of people and places in the Bible with confidence Do you read passages of the Bible in public This book is for you In private devotions do you gloss over the difficult names This book is for you This book was originally begun as a pronunciation guide for myself as I was recording the Douay Rheims Audio Bible When I was commissioned to do that work I was surprised to find that there was apparently nothing currently in print specifically for the Douay Rheims version that could help me to properly pronounce names of people and places In order to expedite the narration I began to compile a list of names and carefully researched pronunciations and that list became the book that you now hold in your hands Somewhere along the way I decided to include the spellings and pronunciations of all the English translations I could find As far as I know every spelling of every name in every English translation of the Bible is included in this guide Since the the genesis of this guide was for the Douay Rheims Audio Bible which is a Catholic Bible names included in the Apocrypha appear here as well Great effort has been made to include every English Bible translation s names and places in this work If the reader would be so kind as to write to me at info@EasyBibleNamesGuide.com if the reader is aware of omissions I will include additions in subsequent editions of this guide It is important to note that in my research I became aware of the fact that there are differing opinions on the correct pronunciations of many of the names contained in the Bible Often there really is no one correct way to pronounce a specific name Languages do morph over time and pronunciations can change This guide includes the generally accepted pronunciations in the United States in the year 2012

Sowerby, 1862 The Name of God Y.eH.oW.aH Which is pronounced as it is Written I_Eh_oU_Ah Gerard Gertoux, 2015-06-10 The understanding of God's name YHWH is so controversial that it is eventually the controversy of controversies or the ultimate controversy Indeed why most of competent Hebrew scholars propagate patently false explanations about God's name Why do the Jews refuse to read God's name as it is written and read Adonay my Lord a plural of majesty instead of it Why God's name is usually punctuated with shewa qamats by the Masoretes what makes its reading impossible because the 4 consonants of the name YHWH must have at least 3 vowels long or short to be read like the words aDoN Y and eLoH M God a plural of majesty which have 4 consonants and 3 vowels At last why the obvious reading Yehowah according to theophoric names which all begin by Yeh without exception is so despised and why the simple biblical meaning He will be from Exodus 3:14 is rejected The Comprehensive English Dictionary, Explanatory, Pronouncing & Etymological ...
