**Eusebius of Caesarea**

## **Proof Of The Gospel:**

*The Proof of the Gospel; Two Volumes in One* Bishop Eusebius, 2001-03-06 J B Lightfoot ranked Eusebius's Preparation for the Gospel and Proof of the Gospel together as probably the most important apologetic work of the Early church. *The Proof of the Gospel* Eusebius (of Caesarea, Bishop of Caesarea), 1981 Eusebius wrote *The Proof of the Gospel* for those who have passed beyond the need of elementary instruction in Christianity and are already in a state prepared for the reception of the higher truths. He intended to convey the exact knowledge of the most stringent proofs of God's mysterious dispensation in regard to our Lord and Saviour Jesus Christ. Only ten of the original twenty books comprising this work have survived. Books 1 and 2 are introductory. Book 3 treats Christ's humanity and is perhaps the most modern part of the argument. By an elaborate reductio ad absurdum Eusebius shows dramatically and cogently the impossibility of Jesus Christ being anything but perfect man and divine. Books 4 and 5 deal with Christ's divinity and it is in them that passages of an Arian ring appear. Books 6-9 discuss the Jesus incarnate life as the fulfillment of prophecy. And book 10 reaches the passion and is especially occupied with Judas and the betrayal. This edition was first published in 1920 as part of the SPCK's series of Translations of Christian Literature. complete destruction of all these three together would be the sign of the presence of the Christ And that the proofs that the times had come would lie in the ceasing of the Mosaic worship the desolation of Jerusalem and its Temple and the subjection of the whole Jewish race to its enemies The holy oracles foretold that all these changes which had not been made in the days of the prophets of old would take place at the coming of the Christ which I will presently shew to have been fulfilled as never before in accordance with the predictions      *The Proof of the Gospel, Being the Demonstratio Evangelica; Volume 01 - Primary Source Edition Of Caesarea Eusebius, William John Ferrar, 2014-02* This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book      *The Proof of the Gospel* Eusebius Caesariensis (Pamphili), 1920      *The Testimony of the Evangelists* Simon Greenleaf, 2023-05-09 In this timeless classic American lawyer and jurist Simon Greenleaf s expertly applies his understanding of legal principles to the narratives documenting Jesus life and teachings in the New Testament Through a careful analysis Greenleaf concludes the undeniable credibility and authoritative nature of the Gospels substantiating their status as trustworthy historical records      *The Proof of the Gospel, Being the Demonstratio Evangelica; Volume 02* William John Ferrar, Of Caesarea Bishop of Caesare Eusebius, 2015-08-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
