**Schunard Mayhem Pangloss** Martin Paul Mayer,2020-08-11 The appearance of a black Labrador retriever SCHUNARD MAYHEM PANGLOSS at the dilapidated southern plantation Frazier Hill signals a great transition in the life of miserly and misanthropic owner Martin Mayer Schunard relates stories about three years of life and travels with Martin Beginning his life in the garage Schunard gradually wins his way into Martin s heart and into the big house As his middle name implies Schunard Mayhem is the master of slapstick antics with a penchant for creating chaotic and hilarious scenes everywhere It is a literary coincidence that the real

life Martin and Pangloss share names and personal attributes of similar characters in Voltaire's *Candide*. As does his namesake in *Candide*, Schunard Pangloss interprets the events of life philosophically, sharing his crazy and often ill-founded optimism in contrast to Martin's pervasive pessimism. Schunard wins the hearts of everyone in his small town and breaks their hearts with his accidental death and heart-wrenching public funeral. Despite his tragically short life, Schunard communicates the simple vision of a gentle and peaceful world as Voltaire would say, the best of all worlds.

**Cut the Crap and Close the Gap** Jim Coleman, 2017-07-03 *Cut the Crap and Close the Gap* is written by a Hog Farmer, Fortune 500 Executive and Economic Developer. It's a practical operating guide for achieving breakthrough levels of performance by closing performance gaps between actual and desired performance and adjusting to exceed expectations. The principles of *Cut the Crap and Close the Gap* can be used by small and large businesses, not-for-profit organizations, state and local governments, faith-based organizations, and even parents. According to Dunn Bradstreet, 585,000 of the more than 22 million small to medium-sized businesses in America close each year. Businesses with fewer than 20 employees have only a 37% chance of surviving for four years and only a 9% chance of surviving for 10 years. Nine out of 10 business failures are caused by a lack of general business management skills, including management of staff, operations, sales, marketing, and planning. The *Cut the Crap and Close the Gap* management model requires the courage to question and challenge conventional wisdom and to operate with a spirit of continuous improvement that things can always be better and that being satisfied with the status quo is totally unacceptable. The foundation for the *Cut the Crap and Close the Gap* management approach is aligned with the philosophy of Civil Rights Activist Angela Davis: "I'm no longer accepting the things I can not change. I'm changing the things I can not accept." The following chapters are filled with examples of how Jim Coleman has either applied or personally witnessed the use of the *Cut the Crap and Close the Gap* management approach over the last 30 years.

**Hearst's International**, 1923 **Tobacco Sticks** William Elliott Hazelgrove, 1995 In the South, a white community turns against a lawyer who decides to defend a black maid accused of stealing a silver tea service from her mistress. The story, which is set in Virginia in the final year of World War II, is narrated by the lawyer's 12-year-old daughter.
