The Boy Made of Snow Chloe Mayer, 2017-11-02 A haunting and thrilling read Kate Hamer author of *The Girl in the Red Coat* Original and unsettling and just a little bit heartbreaking Rachel Rhys author of *Dangerous Crossing* In a sleepy English village in 1944 Annabel and her son Daniel live in the shadow of war With her husband away an increasingly isolated Annabel begins to lose her grip on reality When mother and son befriend Hans a German PoW consigned to a nearby farm their lives are suddenly filled with thrilling secrets To Annabel Hans is an awakening from the darkness that has engulfed her since

Daniel's birth To her son a solitary boy caught up in the magical world of fairy tales he is perhaps a prince in disguise But Hans has plans of his own and will soon set them into motion with devastating consequences Heaven Knows I'm Miserable Now Andrew Collins,2012-12-31 Higher education comes at exactly the right time in the twilight of your teens you're just starting to coagulate as a human being to pull away from parental influence and find your own feet What better than three years in which to explore the inner you establish a feasible worldview and maybe get on Blockbusters After an idyllic provincial 1970s childhood the 1980s took Andrew Collins to London art school and the classic student experience Crimping his hair casting aside his socks and sporting fingerless gloves he became Andy Kollins purveyor of awful poetry disciple of moany music and wannabe political activist What follows is a universal tale of trainee hedonism girl trouble wasted grants and begging letters to parents A synth soundtracked rite of passage that's often painfully funny it traces one teenager's metamorphosis from sheltered suburban innocent to semi-mature metropolitan male through the pretensions and confusions of trying to stand alone for the first time in your own kung fu pumps in a big bad city **The Shooting in the Shop** Simon Brett,2020-11-01 Welcome to Fethering Christmas turns killer for amateur sleuths Carole and Jude in this quirky cozy British village mystery Carole Seddon hates Christmas it all seems rather a waste of time So when her neighbour and best friend Jude drags her along to go shopping at a local store called Gallimaufry she can feel her inner Scrooge knocking But the sales are on and even Carole can't resist a bargain A few days later though Gallimaufry is burnt down and a body is discovered in the ashes It seems like a tragic accident but no one can die of natural causes when a gun is involved The victim was young pretty and successful who could possibly want her dead With a host of suspects the amateur detectives know they have their work cut out for them And as they dig deeper they discover a host of half-truths and lies It seems that someone in Fethering has a deep dark deadly secret and is prepared to kill to keep it Semester Off Anna Kennedy,2025-01-21 This coming-of-age story follows seventeen-year-old Heather Webster as she spends a semester off in England before college Still grieving the loss of her parents five years prior Heather struggles with this abrupt change in plans orchestrated by her strict aunt and guardian Kristin However Heather soon settles into life with her father's old friends the Andersons and their son Brian Through vivid descriptions and relatable characters the author immerses the reader into Heather's journey as she explores England makes close friends falls in love and grapples with the decision of where her future lies The Andersons provide the warmth and family connection Heather has been missing especially maternal Cindy Heather's friendship with Brian is particularly well-developed and heartwarming The story also captures the culture traditions and atmosphere of England Flashbacks to Heather's childhood provide insight into her loving relationship with her parents and help the reader empathize with her grief A poignant dream conversation with her deceased mother is especially moving Subplots involving Brian coming out as gay to his parents and a surprise birthday party add texture and interest The themes of finding family belonging growing up and moving forward after loss are deftly handled Heather's personal growth and realizations feel

authentic and earned The open ended conclusion with Heather choosing to stay in England for college fits the story's tone while holding the promise of more adventures to come My Life Gandy 'Red' Marlick,2014-02-13 This is the story of childhood abuse looking for love in the wrong places finding the perfect partner and the journeys both share when they decide they are stronger together *Diary of a Vampire in Pyjamas* Mathias Malzieu,2017-05-04 The Diving Bell and the Butterfly meets Reasons To Stay Alive in this beautiful bestselling memoir that has taken the French literary world by storm This memoir by bestselling and award winning author and musician Mathias Malzieu focuses on a single year in which he explores his close encounter with death Insightful tragic and even often very funny it is a hugely inspirational read In November 2013 Malzieu is diagnosed with a rare and life threatening blood disease his bone marrow does not produce enough blood cells and those that survive are being attacked by the body's natural antibodies as if they were viruses Highly anaemic and at risk of a cardiac attack or fatal haemorrhaging Malzieu is whisked into hospital and spends months in a sterile isolation room He is kept alive by blood transfusions while waiting for a bone marrow transplant When he has the energy for it he writes in his diary and strums his ukelele To read this book is to be in awe of the triumph of the human spirit As a reader you find yourself marvelling at how we find the mechanisms to cope with tragedy and uncertainty when faced with the reality that we may die Malzieu's highly active imagination allows him to transcend the limits of his body and its increasing failures through fantasy and escapism His wonderfully addictive childish wonder with a punk Gothic twist lifts the narrative from being a depressing account to a reading experience that is evocative poetic and intensely moving Malzieu survived thanks to a revolutionary operation involving stem cell treatment with the blood from an umbilical cord As he leaves the hospital with not only a different blood group but also a different DNA he describes himself as the oldest newborn in the world As Malzieu says himself To have had my life saved has been the most extraordinary adventure I have ever had
