Propertius A Critical Introduction:

Propertius J. P. Sullivan, 2010-06-10 Professor Sullivan proposes what was at the time of publication a new view on Propertius poetic development and his place in the social political and literary circles of the day His was an important re evaluation It finally banished the picture of Propertius as a simple romantic apprehended dimly through poor texts and an obscure vocabulary

A History of Roman Literature Michael von Albrecht, 1997

Textual Permanence Teresa Ramsby, 2013-12-12 Textual Permanence is the first book to examine the influence of the Roman epigraphic tradition on Latin elegiac poetry The frequent use of invented inscriptions within the works of Rome s elegiac poets suggests a desire to monumentalise elements of the poems and the authors themselves This book explores inscriptional writing in the elegies of Catullus Propertius Tibullus and Ovid showing that whenever an author includes an inscription within a poem he draws the reader s attention beyond the text of the poem to include the cultural contexts in which such inscriptions were daily read and produced The emphases that these inscriptions grant to persons sentiments and actions within the poems are reflections of the permanence that real life inscriptions grant to a variety of human efforts These poetic inscriptions provide unique windows of interpretation to some of Rome s most significant and influential poems Teresa Ramsby traces an important relationship between the Roman tradition that honoured individual participation in Roman politics and the way that elegiac poetry was early applied in Rome to the same activity In the course of the book she offers fresh interpretations of poems that have been analysed by a host of scholars

A History of Roman Literature (2 vols.) M. von Albrecht, 2019-09-16 Michael von Albrecht s A History of Roman Literature originally published in German can rightly be seen as the long awaited counterpart to Albin Lesky s Geschichte der Griechischen Literatur In what will probably be the last survey made by a single scholar the whole of Latin literature from Livius Andronicus up to Boethius comes to the fore Literature is taken here in its broad antique sense and therefore also includes e g rhetoric philosophy and history Special attention has been given to the influence of Latin literature on subsequent centuries down to our own days Extensive indices give access to this monument of learning The introductions in Von Albrecht s texts together with the large bibliographies make further study both more fruitful and easy

Texts and Contexts Kenneth Quinn, 2024-08-30 First published in 1979 Texts and Contexts identifies those classics of Roman literature which deserve to survive because of their intrinsic quality and their lasting significance The most important of these texts are placed in the context of the tradition which each represents and which each group of texts taken together constitutes Four main streams of tradition are identified the poet as storyteller narrative poetry and drama the poet as teacher didactic poetry the poet as himself personal poetry and the poetry of social comment and Roman literary prose Each major text is presented in the form of one or more passages of substantial length for analysis in detail and comparison with related works The translations used include leading literary translations since the sixteenth century The result is a history of Roman literature in which the emphasis is laid on the quality of the text discussed rather than on

comprehensiveness of treatment and on organic relationships rather than chronology This book is the result of thirty years of teaching experience by the author and his conviction that existing books on the same subject are inadequate and misleading It will be of particular interest to students taking classical literature and translation courses to students of English literature and anyone who is interested in literature even without a knowledge of Latin Latin Love Poetry Denise Eileen McCoskey, Zara M. Torlone, 2013-12-17 I hate and I love The Roman poet Catullus expressed the disorienting experience of being in love in a stark contradiction that has resonated across the centuries While his description might seem to modern readers natural and spontaneous it is actually a response planned with great care and artistry It is that artistry and the way in which Roman love poetry works that this book explores Focusing on Catullus and on the later genre of elegy so called for its metre and a form of poetry practiced by Tibullus Propertius and Ovid Denise Eileen McCoskey and Zara Martirosova Torlone discuss the devices used by the major Roman love poets as well as the literary and historical contexts that helped shape their work Setting poets and their writings especially against the turbulent backdrop of the Augustan Age 31 BCE 14 CE the book examines the origins of Latin elegy highlights the poets key themes and traces their reception by later writers and readers

A Guide to Latin Elegy and Lyric Barbara K. Gold, Genevieve Liveley, 2021-07-27 Provides the necessary context to read elegiac and lyric poetry designed for novice and experienced Classics and Latin students alike A Guide to Latin Elegy and Lyric explores the language of Latin poetry while helping readers understand the socio cultural context of the remarkable period of Roman literary history in which the poetry was composed With an innovative approach to this important area of classical scholarship the authors treat elegy alongside lyric as they cover topics such as the Hellenistic influences on Augustan poetry the key figures that shaped the elegiac tradition of Rome the motifs of militia amoris the warfare of love and servitium amoris the slavery of love in Latin love elegy and more Organized into ten chapters the book begins with an introduction to the literary political and social contexts of the Augustan Age The next six chapters each focus on an individual lyric and elegiac poet Catullus Horace Tibullus Propertius Ovid and Sulpicia followed by a survey of several lesser known poets and post Augustan elegy and lyric The text concludes with a discussion of major tropes and themes in Latin elegy and lyric and an overview and analysis of key critical approaches in current scholarship This volume Includes full translations alongside the Latin throughout the text to illustrate discussions Analyzes recurring themes and tropes found in Latin poetry such as sexuality and gender politics and patronage myth and religion wealth and poverty empire madness magic and witchcraft Reviews modern critical approaches to elegiac and lyric poetry including autobiographical realism psychoanalysis narratology reception and decolonization Includes helpful introductory sections How to Read a Latin Elegiac or Lyric Poem and How to Teach a Latin Elegiac and Lyric Poem Provides information about each poet an in depth discussion of some of their poetry and cultural and historical background Features a dedicated chapter on Sulpicia offering readers an ancient female viewpoint on sex and gender politics and patronage Part of the acclaimed Blackwell Guides to Classical

Literature series A Guide to Latin Elegy and Lyric is the perfect text for both introductory and advanced courses in Latin elegy and lyric accessible for students reading the poetry in translation as well as for those experienced in Latin with an interest in learning a different approach to the subject *Sexuality and Gender in the Classical World* Laura K.

McClure,2008-04-15 This volume provides essays that represent a range of perspectives on women gender and sexuality in the ancient world tracing the debates from the late 1960s to the late 1990s **Editing and Commenting on Statius'**

Silvae ,2022-12-28 The *Silvae* by Statius dethroned Virgil from the Studio in Naples fostered the creation of a new genre offered a model for court poetry and seduced the most prestigious Humanists in the most vibrant centres of Renaissance Italy and the Netherlands The collection preserves magnificent buildings otherwise lost speaks of stones otherwise unknown and memorializes people rituals and social relationships that would have passed into oblivion in silence This volume offers a fresh look into approaches to the *Silvae* by editors and commentators both at the time of the rediscovery of the poems and today

Roman Epic Anthony J. Boyle,2003-09-02 Roman epic is both index and critique of the foundational culture of the western world It is one of Europe s most persistent and determinant poetic modes In this book distinguished Latinists examine the formation and evolution of Roman epic from its beginnings in the third century BC to the high Italian Renaissance Featuring a variety of methodologies and approaches it clarifies the literary importance and political and moral meaning of Roman epic

The Classics in Paraphrase Daniel M. Hooley,1988 Bringing together translation theory and literary history this volume conveys how Pound in his influential and controversial *Homage to Sextus Propertius* enriched the art of translation The work of Louis Zukofsky Basil Bunting J V Cunningham and Peter Porter is also discussed Sexual Symmetry David

Konstan,2014-07-14 In the Greek romances writes David Konstan sighs tears and suicide attempts are as characteristic of the male as of the female in distress ruses disguises and outright violence in defense of one s chastity are as much the part of the female as of the male Exploring how erotic love is represented in ancient amatory literature Konstan points to the symmetry in the passion of the hero and heroine as a unique feature of the Greek novel they fall mutually in love they are of approximately the same age and social class and their reciprocal attachment ends in marriage He shows how the plots of the novels are perfectly adapted to expressing this symmetry and how because of their structure they differ from classical epic elegy comedy tragedy and other genres including modern novels ranging from Sidney to Harlequin romances Using works like *Chaereas and Callirhoe* and *Daphnis and Chloe* Konstan examines such issues as pederasty the role of eros in both marital and nonmarital love and the ancient Greek concept of fidelity He reveals how the novelistic formula of sexual symmetry reverses the pattern of all other ancient genres where erotic desire appears one sided and unequal and is often viewed as either a weakness or an aggressive conquering power Konstan s approach draws upon theories concerning the nature of sexuality in the ancient world reflected in the work of Michel Foucault David Halperin and John Winkler Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available

previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Homeric Variations on a Lament by Briseis** Casey Dué, 2002

Due classics U of Houston examines the figure of Briseis the concubine of Achilles in the Iliad arguing that her role in the Iliad is greatly compressed both in relation to the Iliad and the entire tradition of the epic cycle Her close reading of the text shows how the Iliad refers to expanded and alternative traditions about Briseis even while asserting its own version of her story Annotation copyrighted by Book News Inc Portland OR **Festivals in Latin Literature** Anke Walter, 2025-04-26

Festivals feature prominently in Latin literature even in works that are not explicitly dedicated to festive days like Ovid's Fasti Festivals in Latin Literature explores the role of festivals in elegiac lyric and epic poetry as well as historiography In all of these festivals play a more pervasive role than has so far been realised Tibullus elegiac oeuvre rests on an interplay between amatory and festive poetics that even has a political meaning to it and Propertius uses festivals in his fourth book of elegies to question from an amatory perspective the memory typically associated with some key Roman festivals In the poetry of Sulpicia and Ovid's Tristia festivals allow voices that are otherwise marginalised to shape their own fame and commemoration Horace's Odes and the Carmen saeculare rest on an intriguing interplay of festivity in the private sphere which forms but a fleeting and precious moment and the monumentality of public festivals in which the poet styles himself as a master of Roman time Post Vergilian Latin epicists use festivals to explore the fragility of human identity in a world dominated by the gods in Ovid's Metamorphoses and to question further the commemoration connected with festive days In particular Statius in his Thebaid undermines the foundational importance of festivals in the Aeneid vividly staging the problematic meaning of festivals that convey a premature commemoration of an epic conflict that is unspeakable nefas Finally in Livy's ab urbe condita and Tacitus Histories festivals both provide structure and capture long term developments in Roman history including Rome's rise to power and the collapse of its morals while situating both works in broader historiographical and intertextual dialogues The book sheds new light on these authors and works uncovering their unique festive poetics It demonstrates that Latin literature adds important new aspects to our general understanding of festivals which as seen throughout the book offer even richer avenues of creating meaning and shaping or questioning commemoration than is often assumed Writing Politics in Imperial Rome W.J. Dominik, J. Garthwaite, P.A.

Roche, 2009-05-15 Roman literature is inherently political in the varied contexts of its production and the abiding concerns of its subject matter This collection examines the strategies and techniques of political writing at Rome in a broad range of literature spanning almost two centuries differing political systems climates and contexts It applies a definition of politics that is more in keeping with modern critical approaches than has often been the case in studies of the political literature of

classical antiquity By applying a wide variety of critically informed viewpoints this volume offers the reader not only a long view of the abiding techniques strategies and concerns of political expression at Rome but also many new perspectives on individual authors of the early empire and their republican precursors Vergil's Aeneid S. Farron,2018-07-17 For more than a century critics of the Aeneid have assumed that all or most of its episodes must propound something about Aeneas and his mission to found the Roman people and through them about Rome and Augustus whether that is their positive aspects or their brutality and destructiveness or the contrast between the public voice of their achievements and the private voice of the suffering they cause This book argues that this assumption is wrong the Aeneid s main purpose was to present a series of emotionally moving episodes especially pathetic ones This book shows that the Aeneid makes more sense when regarded primarily as a series of emotion arousing episodes than as expressing a pro Aeneas anti Aeneas or two voices message That is how it was regarded into the nineteenth century and that is what the ancient Greeks and Romans assumed was the main purpose of literature **From Polis to Empire--The Ancient World, c. 800 B.C. - A.D. 500** Andrew G.

Traver,2001-09-30 Covering the very beginnings of Western civilization this biographical dictionary introduces readers to the great cultural figures of the ancient world including those who contributed significantly to architecture astronomy history literature mathematics philosophy painting sculpture and theology While focusing on great cultural figures of the Mediterranean basin such as Homer Sophocles and Aristophanes the volume also includes those who impinged on Greco Roman Civilization such as Hannibal Barca and King Darius of Persia Showing how the era s intellectual milieu was interwoven with its political agenda the book also includes entries on major political and military figures pointing to their cultural as well as their political contributions With 480 entries the book is an excellent basic reference for students seeking an understanding of the ancient world Going from polis to empire the years from 800 BC to AD 500 include the archaic period of the eastern Mediterranean the Greek classical period the Persian and Peloponnesian Wars and Rome s evolution from a republic to an empire dominating the entire Western world A Jewish carpenter living at the edge of the Roman Empire preached a message with profound implications for the Roman State and Western religion Providing a quick and easy reference to people who lived in this world this book profiles the men and women who contributed to the development growth and culture of Western civilization Most of the subjects were native to the Mediterranean basin including Asia Minor Greece Italy southern Gaul Spain North Africa and Phoenicia but the book also includes important Persians Celts Germanic peoples and Huns The book provides valuable background information for anyone interested in the birth of Western culture

Lyric Shame Gillian White,2014-10-13 Gillian White argues that the poetry wars among critics and practitioners are shaped by lyric shame an unspoken but pervasive embarrassment over what poetry is should be and fails to be Lyric is less a specific genre than a way to project subjectivity onto poems an idealized poem that is nowhere and yet everywhere

Powerplay in Tibullus Parshia Lee-Stecum,1998-10-08 This study first published in 1998 explores the subtle many faceted

interplay of power in Tibullus first book of elegies

R. O. A. M. Lyne: Collected Papers on Latin Poetry R. O. A. M.

Lyne, 2007-05-17 This volume presents a wide range of pieces from a world class Latinist which displays both his diverse interests as a scholar and his consistent concern with Augustan texts their language and literary texture The range of articles written over more than three decades and including one previously unpublished piece covers the same connected territory largely Virgil Horace and elegy R O A M Lyne s consistent approach of close reading means that the articles form a coherent whole while his compelling style as an engaged literary analyst ensures that these are not dry or forbidding pieces

Propertius A Critical Introduction Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Propertius A Critical Introduction PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Propertius A Critical Introduction PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Propertius A Critical Introduction free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Propertius A Critical Introduction Books

1. Where can I buy Propertius A Critical Introduction books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Propertius A Critical Introduction book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Propertius A Critical Introduction books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Propertius A Critical Introduction audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Propertius A Critical Introduction books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
