

PROPERTIUS

ELEGIES II

EDITED WITH INTRODUCTION
AND NOTES BY
WA. CAMPS

Propertius Elegies Ii

Horace

Propertius Elegies II:

Propertius: Elegies Propertius, 1967-11-02 Propertius though his works are small in volume is one of the foremost poets of the Augustan age and his writing has a certain appeal to modern tastes Book II is especially suitable for the reader wanting a representative selection of Propertius poetry It stands on its own having appeared in the first place as a separate collection it reflects a distinct phase of the poet's activity and of his emotional development and it is the book which made his reputation This edition is designed for the pocket of the university student but it should find a wider audience among classicists of all ages The introduction provides the necessary historical and critical background and relates Book II to the rest of the elegies the notes are helpful and to the point and the text has a reasonable minimum of apparatus There are no modern editions of this size and scope

Propertius: Elegies Book 4 Propertius, 2009-06-18 In this edition of Propertius Book IV Camps follows the general lines of his earlier edition of Book I Cambridge 1960 He has presented without concealing difficulties and uncertainties a fairly conservative but readable and coherent text together with such annotation as may help the modern reader of Latin to understand the language and follow the thought of this difficult much disputed but very rewarding poet While the book may be of interest to students and amateurs of Latin in general the editor has had in mind the particular needs of undergraduates and of sixth forms The notes are weighted differently from those in Butler and Barber's edition of 1933 and the text of that edition and from the Oxford text of 1960 As far as we know this is the poet's last work He has moved away from his earlier preoccupation with the theme of love and the eleven careful elegies that compose the present book are on a variety of subjects Most are concerned with Roman antiquities The last is an elaborate and celebrated epitaph on a lady of Roman nobility But perhaps the poems likely to appeal most to a modern reader are the two in which Propertius recalls and exhibits in a new light the figure of Cynthia the declared inspiration of the elegies of Book I

Propertius: Elegies II Propertius, 1985 Edited with Introduction and Notes by W A Camps

Propertius Properce, 1967

Propertius in Love Sextus Propertius, 2002-06-03 Propertius elegies written towards the end of the 1st century BC record the poet's desparate and impossible relationship with his volatile mistress Cynthia Slavitt's elegant translations are preceded by a foreword by Matthew S Santirocco that examines Propertius persona and places his works within a context of Greek and Latin love poetry

Ezra Pound and Roman Poetry: A Preliminary Survey Peter Davidson, 2023-08-14 Ezra Pound and Roman Poetry is an examination of a crucial phase in the development of Pound as translator and therefore of creative translation in the twentieth century The book provides a survey of Pound's attempt to appropriate the poetry of Classical Rome by tracing the histories of the poet's involvement with Horace Virgil Catullus Ovid and Propertius in order to express his own marginal position within London during the First World War No extensive critical discussion is attempted but attention is given to Pound's critical writings on the Latin poets as well as his translations from their work Dr Davidson also treats other aspects of Pound's problematic relation to the Classical Tradition the use and abuse

of dictionaries Laforgue and Baudelaire as a third term haunting Pound's translations the difficult monolith of English classicism the invention of an oppositional romanitas It is hoped that this work may encourage others to produce the comprehensive survey which Pound's sustained and Protean relationship to the classical languages would appear to demand Pound's readings of Latin poetry are inevitably readings also of English poetry in the context of England and particularly London in the first two decades of the twentieth century Propertius: Elegies Book IV Propertius, 2006-08-31 Up to date commentary with introduction and new text on this important work of Latin poetry **Teuffels History of Roman**

Literature Ludwig Schwabe, 2017-06-08 Nachdruck des Originals von 1886 **The republican period** Wilhelm Sigismund Teuffel, George Charles Winter Warr, 1891 *Teuffel's History of Roman Literature* Wilhelm Sigmund Teuffel, 1891

Ancient Furniture Gisela Marie Augusta Richter, 1926 **The Complete Odes and Epodes** Horace, 2008-10-09 This is a superb new translation of the great Augustan poet Horace's Odes and Epodes brilliantly crafted and diverse poems of politics friendship love and wine The edition is supplemented by a lucid introduction extensive notes and glossary of names

Quaestiones Propertianae Hans-Christian Günther, 2018-07-17 This comprehensive study deals with the major critical problems of one of the most difficult authors of Latin literature It examines in a systematic fashion the two major factors which have been assumed to be responsible for the state of the transmitted text of Propertius dislocation and interpolation It also covers a large number of notorious cases of verbal corruption and discusses problems of the manuscript tradition on the basis of the most recent research Beyond questions of textual criticism and history in the narrow sense the book provides also important exegetical remarks on many Propertian passages and deals in a separate chapter with problems of book and poem structure Finding List, 1885 **Finding List ...** Buffalo Library, 1886 *The Penny Cyclopædia of the Society for the Diffusion of Useful Knowledge*, 1841 V 1 20 are like missing vols 21 26 also freely available online at the the China
