Property In Question Value Transformation In The Global Economy

Douglas Fisher

Property In Question Value Transformation In The Global Economy:

Property in Question Katherine Verdery, Caroline Humphrey, 2004 How has it come about that indigenous cultures body parts and sequences of musical notes are considered property How has the movement from collective to privatized systems affected notions of property At what point in transaction chains do native cultures indigenous medicines or cyberdata become objects and therefore propertized and what are the social economic and ethical considerations for such transformations Addressing these hotly contested issues and many more Property in Question interrogates the very concept of property and what is happening to it in the contemporary world in case studies ranging from Romania to Kazakhstan Africa to North America The book examines not only the changing character of the property concept but also its ideological foundations and political usages Authors address bio transactions music copyright cyberspace oil prospecting debates over privatization of land and factories and dilemmas arising with new forms of ownership of businesses Offering a fresh perspective on contemporary economic transformation this volume is a long overdue investigation of the power of the private property concept as well as an exploration of how the global economy may be subtly even invisibly changing what property means and how we relate to it

Property in Question Caroline Humphrey, Katherine Verdery, 2020-06-08 How has it come about that indigenous cultures body parts and sequences of musical notes are considered property How has the movement from collective to privatized systems affected notions of property At what point in transaction chains do native cultures indigenous medicines or cyberdata become objects and therefore propertized and what are the social economic and ethical considerations for such transformations Addressing these hotly contested issues and many more Property in Question interrogates the very concept of property and what is happening to it in the contemporary world in case studies ranging from Romania to Kazakhstan Africa to North America The book examines not only the changing character of the property concept but also its ideological foundations and political usages Authors address bio transactions music copyright cyberspace oil prospecting debates over privatization of land and factories and dilemmas arising with new forms of ownership of businesses Offering a fresh perspective on contemporary economic transformation this volume is a long overdue investigation of the power of the private property concept as well as an exploration of how the global economy may be subtly even invisibly changing what property means and how we relate to it

The Rights and Wrongs of Land Restitution Derick Fay, Deborah James, 2008-08-18 The Rights and Wrongs of Land Restitution Restoring What Was Ours offers a critical comparative ethnographic examination of land restitution programs Drawing on memories and histories of past dispossession governments NGOs informal movements and individual claimants worldwide have attempted to restore and reclaim rights in land Land restitution programs link the past and the present and may allow former landholders to reclaim lands which provided the basis of earlier identities and livelihoods Addressing the practical and theoretical questions that arise this book offers a critical rethinking of the links between land restitution and property social transition injustice citizenship the state

and the market **Comparative Property Law** Michele Graziadei, Lionel Smith, 2017-01-27 Comparative Property Law provides a comprehensive treatment of property law from a comparative and global perspective The contributors who are leading experts in their fields cover both classical and new subjects including the transfer of property the public private divide in property law water and forest laws and the property rights of aboriginal peoples This Handbook maps the structure and the dynamics of property law in the contemporary world and will be an invaluable reference for researchers working in all domains of property law **Changing Properties of Property** Franz von Benda-Beckmann, Keebet von Benda-Beckmann, Melanie Wiber, 2009 As an important contribution to debates on property theory and the role of law in creating disputing defining and refining property rights this volume provides new theoretical material on property systems as well as new empirically grounded case studies of the dynamics of property transformations The property claimants discussed in these papers represent a diverse range of actors including post socialist states and their citizens those receiving restitution for past property losses in Africa Southeast Asia and in eastern Europe collectives corporate and individual actors The volume thus provides a comprehensive anthropological analysis not only of property structures and ideologies but also of property and its politics in action *Property Rights and Sustainability* David Grinlinton, Prue Taylor, 2011-04-11 This book offers a unique and thought provoking exploration of how property concepts can be substantially reshaped to meet ecological challenges It takes the discussion beyond its traditional parameters and offers new insights into conceptualizing and justifying property systems in an age of ecological consequences **Research Handbook on Fundamental Concepts of Environmental Law** Douglas Fisher, 2016-11-25 The quality and the strength of an environmental legal system is a reflection of the conceptual foundations upon which it is constructed The Research Handbook on Fundamental Concepts of Environmental Law illuminates key aspects of environmental governance through the lens of their underlying dimensions for example the form structure and language of international regional and national instruments the function of norms objectives and standards and the relevance of economic analysis and of integrated policy formulation Dispersed Dispossession Alexander Vorbrugg, 2025-07-01 This book provides a nuanced analysis of rural change in Russia during the 2010s a crucial and formative phase marked by the consolidation of giant agricultural companies large land deals soaring exports and spectacular failures of investment projects It contextualizes complex and often ambivalent empirical realities within historical and political economic frameworks Through extensive fieldwork Alexander Vorbrugg gives rare insights into the operations of large agricultural companies and reveals how the deterioration of material infrastructures social arrangements government and local supports and collective goods erode the conditions of rural inhabitants well being and agency Vorbrugg introduces dispersed dispossession a concept that helps to relate gradual degradation to appropriation and agency The concept captures losses that have been accumulated across Soviet reform and state capitalist phases and stick to places persons and potentialities These losses are perpetuated and exploited by businesses and politicians and have profound

implications for the conditions for resistance shaping the range of conceivable alternatives They are part of a history that is not fully past

The Routledge Handbook of Anthropology and the City Setha Low, 2018-10-03 The Routledge Handbook of Anthropology and the City provides a comprehensive study of current and future urban issues on a global and local scale Premised on an engaged approach to urban anthropology the volume adopts a thematic approach that covers a wide range of modern urban issues with a particular focus on those of high public interest Topics covered include security displacement social justice privatisation sustainability and preservation Offering valuable insight into how anthropologists investigate make sense of and then address a variety of urban issues each chapter covers key theoretical and methodological concerns alongside rich ethnographic case study material The volume is an essential reference for students and researchers in urban anthropology as well as of interest for those in related disciplines such as urban studies sociology and geography

The Vanishing Hectare Katherine Verdery, 2018-05-31 In most countries in Eastern Europe and the former Soviet Union the fall of communism opened up the possibility for individuals to acquire land Based on Katherine Verdery's extensive fieldwork between 1990 and 2001 The Vanishing Hectare explores the importance of land and land ownership to the people of one Transylvanian community Aurel Vlaicu Verdery traces how collectivized land was transformed into private property how land was valued what the new owners were able to do with it and what it signified to each of the different groups vying for land rights Verdery tells this story about transforming socialist property forms in a global context showing the fruitfulness of conceptualizing property as a political symbol as a complex of social relations among people and things and as a process of assigning value This book is a window on rural life after socialism but it also provides a framework for assessing the neo liberal economic policies that have prevailed elsewhere such as in Latin America Verdery shows how the trajectory of property after socialism was deeply conditioned by the forms property took in socialism itself this is in contrast to the image of a tabula rasa that governed much thinking about post socialist property reform

Pastoralism and Common Pool Resources Sandagsuren Undargaa, 2016-03-31 The grazing of animals on common land and associated property rights were the original basis of the concept of the tragedy of the commons Drawing on the classic work of Elinor Ostrom and the readings of political ecology this book questions the application of exclusive property rights to mobile pastoralism and rangeland resource governance It argues that this approach inadequately represents property relations in the context of Mongolian pastoralism The author presents an in depth exploration and analysis of mobile pastoral production and resource management in Mongolia The country is widely considered to be a prime example of successful and resilient common pool resource management but now faces a dilemma as policy advocates attempt to adjust historical pastoralism to a modern property regime framework The book strengthens understanding of the complex and multilateral considerations involved in natural resource governance and management in a mobile pastoralist context It considers the implications for common pool resource management and pastoral societies in Africa Russia and China and includes recommendations for formulating

national policy *Indigenous Peoples' Cultural Property Claims* Karolina Kuprecht, 2013-11-19 This book analyses the legal aspects of international claims by indigenous peoples for the repatriation of their cultural property and explores what legal norms and normative orders would be appropriate for resolving these claims To establish context the book first provides insights into the exceptional legislative responses to the cultural property claims of Native American tribes in the United States and looks at the possible relevance of this national law on the international level It then shifts to the multinational setting by using the method of legal pluralism and takes into consideration international human rights law international cultural heritage law the applicable national laws in the United Kingdom France and Switzerland transnational law such as museum codes and decision making in extra legal procedures In the process the book reveals the limits of the law in dealing with the growing imperative of human rights in the field and concludes with three basic insights that are of key relevance for improving the law and decision making with regard to indigenous peoples cultural property **Material Politics** Andrew Barry, 2013-09-23 In *Material Politics* author Andrew Barry reveals that as we are beginning to attend to the importance of materials in political life materials has become increasingly bound up with the production of information about their performance origins and impact Presents an original theoretical approach to political geography by revealing the paradoxical relationship between materials and politics Explores how political disputes have come to revolve not around objects in isolation but objects that are entangled in ever growing quantities of information about their performance origins and impact Studies the example of the Baku Tbilisi Ceyhan oil pipeline a fascinating experiment in transparency and corporate social responsibility and its wide spread negative political impact Capitalizes on the growing interdisciplinary interest especially within geography and social theory about the critical role of material artefacts in political life [The Routledge Companion to Cultural Property](#) Jane Anderson, Haidy Geismar, 2017-07-31 The *Routledge Companion to Cultural Property* contains new contributions from scholars working at the cutting edge of cultural property studies bringing together diverse academic and professional perspectives to develop a coherent overview of this field of enquiry The global range of authors use international case studies to encourage a comparative understanding of how cultural property has emerged in different parts of the world and continues to frame vital issues of national sovereignty the free market international law and cultural heritage Sections explore how cultural property is scaled to the state and the market cultural property as law cultural property and cultural rights and emerging forms of cultural property from yoga to the national archive By bringing together disciplinary perspectives from anthropology archaeology law Indigenous studies history folklore studies and policy this volume facilitates fresh debate and broadens our understanding of this issue of growing importance This comprehensive and coherent statement of cultural property issues will be of great interest to cultural sector professionals and policy makers as well as students and academic researchers engaged with cultural property in a variety of disciplines **The Oxford Handbook of Law and Anthropology** Marie-Claire Foblets, Mark Goodale, Maria Sapignoli, Olaf Zenker, 2022 Represents a comprehensive

and interdisciplinary treatment to the field of law and anthropology Decentres the standard Anglo Euro centric bias that prevails in both law and anthropology Gives unique perspectives on issues of contemporary relevance Provides the historical background but focuses on the future of the field Book jacket Privatization Becky Mansfield,2009-03-25 Contemporary privatization remakes nature society as property and transforms people s relationships to themselves each other and the natural world This groundbreaking collection provides the first systematic analysis of neo liberal privatization Rich case studies of privatization in the making reveal both the pivotal role that privatization plays in neoliberalism and new opportunities for challenging neo liberal hegemony Rich case studies linked to broader questions on neoliberalism Illustrates the importance of property relation and the complexities existing in the meaning and practice of property Extends current geographical scholarship on neoliberalism including neoliberalism and nature Each essay touches on the disciplinary regulatory dimension of privatization Highlights the importance of privatization both broadly and specifically Legalism Georgy Kantor, Tom Lambert, Hannah Skoda, 2017-12-08 In this volume ownership is defined as the simple fact of being able to describe something as mine or yours and property is distinguished as the discursive field which allows the articulation of attendant rights relationships and obligations Property is often articulated through legalism as a way of thinking that appeals to rules and to generalizing concepts as a way of understanding responding to and managing the world around one An Aristotelian perspective suggests that ownership is the natural state of things and a prerequisite of a true sense of self An alternative perspective from legal theory puts law at the heart of the origins of property However both these points of view are problematic in a wider context the latter because it rests heavily on Roman law Anthropological and historical studies enable us to interrogate these assumptions The articles here ranging from Roman provinces to modern day piracy in Somalia address questions such as How are legal property regimes intertwined with economic moral ethical and political prerogatives How far do the assumptions of the western philosophical tradition explain property and ownership in other societies Is the bundle of rights a useful way to think about property How does legalism negotiate property relationships and interests between communities and individuals How does the legalism of property respond to the temporalities and materialities of the objects owned How are property regimes managed by states and what kinds of conflicts are thus generated Property and ownership cannot be reduced to natural rights nor do they straightforwardly reflect power relations the rules through which property is articulated tend to be conceptually subtle As the fourth volume in the Legalism series this collection draws on common themes that run throughout the first three volumes Legalism Anthropology and History Legalism Community and Justice and Legalism Rules and Categories consolidating them in a framework that suggests a new approach to legal concepts Explorations in Economic Anthropology Deema Kaneff, Kirsten W. Endres, 2021-07-16 At a time of rising global economic precarity and social inequality the field of economic anthropology offers solutions through the study of local and contextualized economic practices This book is made up of an exciting collection of succinct essays authored by leading

scholars primarily from the field of economic anthropology but also featuring contributions from sociology and history The chapters engage with debates at the cutting edge of research on the topics of Eurasia the anthropology of postsocialism and the embeddedness of economic practices Gaining Ground? Deborah James, 2007-03-12 Mugabe's policy of land seizures in Zimbabwe raised concerns in South Africa Set amidst these conflicts Gaining Ground shows how land reform policy and practice in post apartheid South Africa has been produced and contested Winner of the inaugural Elliott P Skinner Book Award of the Association of Africanist Anthropology 2008 **A Handbook of Economic Anthropology** Carrier, James G., 2022-05-13 This timely Research Agenda examines the ways in which public private partnerships PPPs in infrastructure continue to excite policy makers governments research scholars and critics around the world It analyzes the PPP research journey to date and articulates the lessons learned as a result of the increasing interest in improving infrastructure governance Expert international contributors explore how PPP ideas have spread transferred and transformed and propose a range of future research directions

This is likewise one of the factors by obtaining the soft documents of this **Property In Question Value Transformation In The Global Economy** by online. You might not require more epoch to spend to go to the book start as competently as search for them. In some cases, you likewise reach not discover the declaration Property In Question Value Transformation In The Global Economy that you are looking for. It will extremely squander the time.

However below, afterward you visit this web page, it will be correspondingly enormously easy to get as well as download lead Property In Question Value Transformation In The Global Economy

It will not understand many mature as we run by before. You can reach it while ham it up something else at home and even in your workplace. as a result easy! So, are you question? Just exercise just what we have enough money under as with ease as review **Property In Question Value Transformation In The Global Economy** what you next to read!

Property In Question Value Transformation In The Global Economy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Property In Question Value Transformation In The Global Economy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Property In Question Value Transformation In The Global Economy has opened up a world of possibilities. Downloading Property In Question Value Transformation In The Global Economy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Property In Question Value Transformation In The Global Economy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Property In Question Value Transformation In The Global Economy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Property In Question Value Transformation In The Global Economy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Property In Question Value Transformation In The Global Economy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Property In Question Value Transformation In The Global Economy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Property In Question Value Transformation In The Global Economy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Property In Question Value Transformation In The Global Economy is one of the best book in our library for free trial. We provide copy of Property In Question Value Transformation In The Global Economy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Property In Question Value Transformation In The Global Economy. Where to download Property In Question Value Transformation In The Global Economy online for free? Are you looking for Property In Question Value Transformation In The Global Economy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Property In Question Value Transformation In The Global Economy. This method for see

exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Property In Question Value Transformation In The Global Economy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Property In Question Value Transformation In The Global Economy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Property In Question Value Transformation In The Global Economy To get started finding Property In Question Value Transformation In The Global Economy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Property In Question Value Transformation In The Global Economy So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Property In Question Value Transformation In The Global Economy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Property In Question Value Transformation In The Global Economy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Property In Question Value Transformation In The Global Economy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Property In Question Value Transformation In The Global Economy is universally compatible with any devices to read.
