J. Konczyk,2008-11-24 The current world confusion and condition of human affairs is a natural phase within an evolutionary process that will ultimately lead to the unification of the human race into a single social order This process has passed through stages we should consider as being analogous to those of infancy and childhood and is now in the culminating period of adolescence approaching its long awaited coming of age an age of universal peace and justice This has been the promise given throughout all the major faiths of the world The social fabric of the world is out of balance and through Divine intervention nations will form together in a collective consciousness recognizing the need for a revolutionary shift of spirit to undertake those measures creating lasting harmony and peace Dr M Scott Peck speaks of world views as being religious To move away from war we must distinguish between true religions and false religions true prophets and false prophets and that truth in religion is characterized by inclusivity while falsity in religion can be detected by its one sidedness and failure to integrate the whole History clearly shows that some form of a universal legislative body is not only essential but also inevitable Such a system is not conceived from the mind of mortal man rather it is a Divine System that was set in motion over 6000 years ago The purpose in writing Melchizedek the Temple is to show the story of this evolutionary process a journey through time culminating with the promise of an earthly kingdom an all inclusive world government free from tyranny hate prejudice and war Melchizedek the Temple offers a practical and compelling alternative to antiquated ideas that in reality prevent humankind from achieving what it longs for universal peace and justice It is a message of warning and of promise      **Disperse** Nelo Dadd,2010-06-10 Jesus said in John 16 4 I am the way the truth Jesus came to this world to destroy the works of the Devil because Satan is a liar and the father of it John 8 44 when the truth is revealed to us we do not have or display any excitement about it and much less do we develop or acquire a mental capacity and ability to relate understand and to accept anything as an absolute truth The Bible is the sacred inspiration of God which contains divine and infinite truths      *Paradise Lust* Brook Wilensky-Lanford,2011-08-02 A certainly weird strangely wonderful and often irresistible search to find the real Garden of Eden The New York Times Book Review Where precisely was God's Paradise St Augustine had a theory So did medieval monks John Calvin and Christopher Columbus But when Darwin's theory of evolution changed our understanding of human origins shouldn't the desire to put a literal Eden on the map have faded away Not so

fast This gloriously researched pluckily written historical and anecdotal assay of humankind's age old quixotic quest for the exact location of the Biblical garden Elle explores an obsession that has consumed scientists and theologians alike for centuries To this day the search continues taken up by amateur explorers clergymen scholars engineers and educators romantic seekers all who started with the same simple sounding Bible verses only to end up at a different spot on the globe Sri Lanka the Seychelles the North Pole Mesopotamia China Iraq and Ohio Inspired by an Eden seeker in her own family Wilensky Lanford approaches her subjects with respect enthusiasm and conscientious research San Francisco Chronicle as she traverses a century spanning history provoking surprising insights into where we came from what we did wrong and where we go from here And it all makes for a lively journey Kirkus Reviews *To you* ,1953-03 **The Mystery of the Great Pyramid** Basil Stewart,2023-07-21 First published in 1929 The Mystery of the Great Pyramid attempts to unravel the secrets of the Great Pyramid by drawing parallels with the rituals in the Book of the Dead The conception of the Pyramid and the origin of the cult of Osiris and of the Book of the Dead are to be found in a common source which maybe expressed in the one word Messianism The author argues that this is why the literature of early Christian gnosticism abounds in mystical pyramid figures and associated astronomical conceptions and constellations This book will be of interest to students of history philosophy and theology **Our Inheritance in the Great Pyramid**, Ed Charles Piazzi Smyth,1874 Jehovah's Witnesses & the False Teachings of the Watchtower Society Billy Crone, *Our inheritance in the Great Pyramid ... Wise,1945 **Zion's Watch Tower and Herald of Christ's Presence** ,1929 *The Banner of Israel* ,1915 The Hidden Truth in Myth and Ritual and in the Common Culture Pattern of Ancient Metrology David Davidson,1934 The Symbolic Prophecy of the Great Pyramid Harvey Spencer Lewis,1936 A book which presents the mystical side of the Pyramid and to support the contention that the Great Pyramid was built not as a tomb for a king but as a place designed entirely and used exclusively for mystical ceremonies of initiation and a monument for the preservation of wisdom and to be a prophet for the future **Over the Wall of Oppression** John Ardent,2016-09-23 Did you ever pray the Lords Prayer where you prayed for the coming of the kingdom of God on earth Thy Kingdom come Thy Will be done on earth as it is in heaven This is the only prayer that Jesus

gave us Did you ever wonder what it actually means This kingdom of God on earth is a real kingdom with a king This king is a hereditary position that fulfills Gods promise that he gave to King David that his lineage and throne shall endure forever God has already sent the return of Christ and he is a male descendant of the Davidic kings He did not come according to the imagination of man Rather he came fulfilling prophecy He brought a new revelation through which the kingdom of God on earth that Jesus taught us to pray for will be firmly established throughout the entire world His revelation is the culmination of all the previous revelations given by God through his messengers As what happened with all previous revelations man has taken what was originally intended and changed it according to his own limited capacity and selfish desires In so doing mankind has been deprived of the truth of Gods will and purpose and his glorious covenant for a new age This new revelation was given by the glory of the Father through the words of Jesus the Christ and written down by Mark in chapter 8 verse 38 For whoever is ashamed of me and of my words in this adulterous and sinful generation of him will the Son of Man also be ashamed when he comes in the glory of his father As Jesus foretold the name of the return of Christ is Bahaullah He came well over 150 years ago Placed in chains beaten and put in prison Bahaullah spent forty years proclaiming Gods new covenant to the people writing to the kings and rulers of the earth imploring them to turn to God Bahaullahs message has gone unheeded As in ages past those who did hear and embrace his message later turned their hearts away from God choosing instead to seek earthly power and riches Those who were to protect and serve the covenant of Bahaullah as well as his chosen ones after him created an oppression so great that the people of the world have been denied this glorious message Dr Leland Jensen mentioned here in Over the Wall of Oppression was a third generation Bahai He began teaching this new faith at the age of seventeen and since that time he devoted his entire life to teaching this wonderful message of the kingdom He was well acquainted with biblical scripture and the Bahai teachings being very successful in bringing new believers into the faith He was present when the faith was hijacked by a group of people whose sole purpose was to protect and serve the covenant and thus he had considerable knowledge of events that transpired at that time The facts presented within these pages are written in very clear and understandable language so all may know of the deeds done This text provides a great opportunity for those who do not have the understanding of those events or the meaning of the covenant to come out from under this great oppression and embrace the glorious truth We have been blessed with having known him for nearly two decades and with hearing this message directly from him We not only learned of the Bahai faith but also the real meaning of our existence and purpose in life His love for Bahaullah and for God showed in everything that he did We would stay up for hours listening to his words thirsty for more Over the Wall of Oppression isnt only for the Bahais but also for the Christians The explanations and commentaries on various Christian subjects and prophecy will truly open ones eyes to the truth of such subjects as the meaning of the word Christ the history of the trinity the meaning of the Resurrection the beast and more Part 2 consists of the explanations and commentaries on the book of Revelation which is a message of the kingdom and the

catastrophe
