Major Bible Prophecies John F. Walvoord, 2010-06-15 The major prophecies of the Bible arranged in one volume like the 52 major doctrines of Scripture that are arranged in Walvoord's long time hardback seller Major Bible Themes Timeline of Major End Time Prophecies Leslie Dutcher, 2024-05-21 The book is an overview of prophetic events that will occur between now and the Battle of Armageddon The next major prophetic event that will occur is the sixth trumpet war so named because it will happen when the sixth trumpet is sounded In the book of Revelation there are seven seals seven trumpets and seven vials The sixth trumpet war is more commonly known as World War 3 and it will be the greatest war the world has ever known The sixth trumpet war cannot be avoided because God says it will happen and God never lies **Bible Prophecies**

**of 9-11** Paul Gregersen, Edmund A. Cook, 2007-09 The authors reveal a chain of prophecies that all link to 9 11 with an astounding pattern September 11 was more than just another historical event it was a cataclysmic moment marking the beginning of a new millennia Social Issues Decoded: Prophecy, AI, and the Rise of Global Systems. Sam Prajnananda, 2025-04-07 In a world racing toward digital control artificial intelligence and global realignment ancient prophecies are coming to life before our eyes Decoded connects Scripture with today's most urgent global trends AI cashless economies biometric surveillance climate agendas and rising persecution From Daniel to Revelation this book explores how biblical prophecy speaks directly to our time and how believers can live with clarity courage and conviction Whether you're a student of prophecy or simply seeking spiritual insight in a chaotic world Decoded will help you interpret the signs and stand firm in faith Prophecy isn't about fear It's about readiness The shift has begun are you prepared **The Last Generation**

Jim Simmons, Nancy E. Williams, Rebecca Ensign, 2009-10 THE LAST GENERATION is a well documented overview and resource manual that shows how current and historical events have unfolded consistent with biblical prophecy logically revealing how and why we are in our last days We are not looking at a day an hour or a year but a generation the last generation which began with the birth of Israel in 1948 According to Matthew 24 34 this generation will not pass away until all these things take place Addressed are the final pieces of the prophetic puzzle that have been falling into place at an unprecedented pace since that time The depiction of the Doomsday Clock on the front cover with midnight as doomsday represents the consensus of the Bulletin of Atomic Scientists With a newspaper in one hand and a Bible in the other it is easy to see God's Word being fulfilled in this generation as current events coincide with prophecies made over 2 500 years ago

**Important Prophecies of the Future** Martin K. Ettington, There are many Prophecies and Premonitions from the past which still might happen This book looks at the most important from a variety of sources and attempts to analyze what will really happen and when Being an Engineer and a Clairvoyant has led me to analyze my prophecy experiences and given me a better understanding of how they exist and work My major experiences are reviewed in Chapter 2 0 along with my explanations of how prophecy really works In the rest of this book we will explore many prophecies from the past which have

yet to occur as well as forecasts by current prophets and great thinkers about our future Then we get into a few prophecies by those who had Near Death Experiences NDEs who are therefore closer to their spirit which increases prophetic validity Next I make a few of my own prophecies about our future from looking ahead with my intuition to see what feels right Lastly is an analysis of the prophecies in this book and what we can learn from them

**The Prophecy Collection: The End Times Survival Guide, The Coming Apostasy, Russia Rising** Mark Hitchcock, 2021-10-05 Three popular books now collected for the first time in one special edition We live in a world that seems to be on the verge of coming apart Shootings Killer viruses The threat of nuclear war All of it is just too real What is happening in our world today is moving Christians to return to the foundations of our spiritual existence Believers everywhere must get back to what matters most We must always remember our battle at its most basic level is spiritual In The Prophecy Collection popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what's happening and to prepare for the future through three important works The End Times Survival Guide The Coming Apostasy coauthored with Jeff Kinley Russia Rising As we prepare for the Lord's coming it's time to understand the biblical truths you need to know in order to face an increasingly decaying darkening world No matter what the future holds anchor your spiritual health and welfare on the immovable rock of God's Word

**Prophecies On World Events** Nostradamus, 2002-11-26 Contains a concise translation of some of the prophecies of Nostradamus including their symbolism anagrams and mythological allusions

**The End of Strife** Leland Johnson, 2014-11-10 The purpose of this book is to explain both the causes for the social and cultural breakdowns in today's world as well as the solutions to our societal regression The causes come from multiple fronts and did not develop in a matter of days weeks months years decades or even generations The degenerative process that has led humanity to the suicidal path it is currently embarked upon has taken several centuries of progressive corruption to reach this point However there is a way to reverse course and heal our society again returning it to its former strength and health The way in which a true peace can be realized in this world will be explained It must be admitted that what it takes to achieve a more universal peace is difficult and burdensome on people for many and various reasons However when the reader looks at the state of the world today it is hopeful that they will choose the difficult and burdensome road required in order to maintain a peaceful civilization rather than the bloody chaos and anarchy transpiring in today's world

**The Revelation Code** Damiaan Kletter, 2013-11-14 The Book of Revelation is more than a cryptic story about beasts dragons kings and angels Author Damiaan Kletter deftly and powerfully connects the dots and explains on a spiritual and physical level the players their power plays and timetables and how they can affect you Record breaking natural disasters and world events come into focus on a timeline through 2020 28 charts diagrams

*Prophecy in the New Millennium* Suzanne Newcombe, Sarah Harvey, 2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious

alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life Birth of a Reformation

Hassan,2008-01-29 This work traces the origins of apocalyptic prophecy in Christianity and Islam through in depth examinations of several texts found within the Bible the Quran and the Hadith The author contends that Christianity and Islam often seen as two of the primary fundamentalist and proselytizing world faiths remain pitted against each other in an ongoing struggle to impose their religious ideology on the rest of the world through either force or persuasion The religious prophecies discussed in this book are largely focused on end time or apocalyptic scenarios such as the Book of Revelation from the Bible s New Testament the prophesized hour of judgment in the Quran and the Book of Tribulations in the Hadith The final two chapters provide an analysis of current world politics including the Iraq War within the context of Christian and Islamic prophecy **Key to the Prophecy of the Revelations.
