Prophecy and millennial speculation are often seen as having played a key role in early European engagements with the new world from Columbus's use of the predictions of Joachim of Fiore to the puritan Errand into the Wilderness Yet examinations of such ideas have sometimes presumed an overly simplistic application of these beliefs in the lives of those who held to them This book explores the way in which prophecy and eschatological ideas influenced poets politicians theologians and ordinary people in the Atlantic world from the sixteenth to the late eighteenth century Chapters cover topics ranging from messianic claimants to the Portuguese crown to popular prophetic almanacs in eighteenth century New England from eschatological ideas in the poetry of George Herbert and Anne Bradstreet to the prophetic speculation surrounding the Evangelical revivals It highlights the ways in which prophecy and eschatology played a key role in the early modern Atlantic world Dictionary of Biblical Prophecy and End Times J. Daniel Hays, J. Scott Duvall, C. Marvin Pate, 2009-05-26 All you wanted to know about biblical prophecy from A to Z the Dictionary of Biblical Prophecy is a comprehensive reference tool It is targeted for those who truly desire to understand prophecy and the end times Starting with Abomination of Desolation and continuing through hundreds of articles until Zionism this book provides helpful and interesting discussions of the entire range of biblical prophecy all at your fingertips This exhaustive work contains articles on a broad sweep of topics relevant to the study of biblical prophecy and eschatology The articles are based on solid scholarship yet are clear and accessible to the lay reader illuminating even the most complicated issues The dictionary also strives for a balanced presentation by laying out differing positions along with their strengths and weaknesses while not pushing any specific theological or interpretive agenda other than a firm commitment to seeking to understand the Scriptures This is a valuable tool you will refer to time and again

Constructing Eschatology Nixon de Vera, 2022-01-03 This work seeks to provide a critical analysis of the prophecies in the book of Isaiah that parallels the prophetic insights in the book of Revelation The underlying question is To what extent has God foreordained things especially before and during the final judgment The author thinks all that concerns God's majestic plan i.e. to accomplish God's purpose for humanity is covered in its entirety God is highly active in foreordaining things and whatever God foreordains shall be fulfilled in the end Isaiah's conception of the interplay between the themes of

punishment and healing is central to his eschatological trajectory In this respect theologically speaking the total restoration of Israel signifies the restoration of all humankind Such an eschatology might accommodate the notion of Christian Universalism

The End Mark Hitchcock, 2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty-first century The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ

A Theology of Q Richard Alan Edwards, 1976 *Eschatology in the Old Testament* Donald Gowan, 1998-08-01 Using a canonical approach in which he explores the Old Testament as a whole rather than the teachings of individual Old Testament authors Professor Gowan traces the hopes of the people of Israel for a better future He concludes that for God to make things right a three-fold transformation of the world must take place God must transform the human person human society and nature itself This is a modern comprehensive introduction to eschatology in the Old Testament and includes a new introduction

Debunking Preterism Brock Hollett, 2018-04 Although many books promote preterism this book is the first academic book that refutes it Dr Hollett carefully demonstrates that the preterist hermeneutic is built upon a faulty understanding of the biblical time statements and prophetic perspective of the Bible He emphasizes the need for a proper understanding of the biblical time indicators and Jesus' statement that this generation will not pass away until all these things take place Matt 24

34 **Understanding End Times Prophecy** Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture

Advancing the Watch Kirk Wesselink,2010-02 Daniel 12 9 10 instructs us that the wise of only one generation will be able to fully understand end times prophecies That final generation must come to this understanding in order to be properly prepared and motivated for what they will need to endure It is imperative that our eschatology be both biblical and contemporary For as we draw nearer and nearer To The end times greater clarity in understanding apocalyptic prophecies should come In Advancing the Watch Pastor Kirk Wesselink presents a groundbreaking look at prophecy rooted in a thoroughly consistent conservative exposition of relative Bible passages He maintains the dispensational pre tribulational and pre millennial foundation but honestly challenges their traditional view of many prophetic texts The reader is carefully instructed in how to avoid prophetic pitfalls through a straightforward primer on interpretive rules for prophecy and key foundational principles The work builds on research stretching back over one hundred years but is willing to engage in constructive demolition to advance the Church s prophecy watch A new generation will be challenged trained and encouraged with a powerful up to the minute look at the fullness of God s prophetic Word by Advancing the Watch Kirk Wesselink has been a pastor for twenty four years and has established two new churches in New Mexico He is a graduate of Cedarville University and Grand Rapids Baptist Seminary He has preached across much of the country as well as internationally in conferences camps and ministry seminars

Dumbrell, 2001-10-29 The Bible's eschatological framework is spread across the table for all to see in *The Search for Order* showing the unfolding of God's total plan for history not just the last days In a world disordered by sin Scripture describes God's goal as a reordering of corrupted creation according to William J Dumbrell The author takes into account current positions as he looks for the big eschatological picture with the same thorough approach to biblical theology he brought to *The End of the Beginning and Covenant and Creation* In the resulting thematic survey students are allowed to draw their own conclusions about the Bible's overall position on the climactic scenes of history Ultimately they learn to conceive of eschatology less as an expectant construction of future events than as a theological approach to comprehending what God is doing today **The prophetic achievement** Charles Francis Whitley, 1963 **The End** Mark Hitchcock, 2018-07-03 Originally published Carol Stream Ill Tyndale House Publishers 2012
