

Luke-Acts

Another literary device spanning both volumes is Luke's use of prophecy.

As in the other Gospels, Luke notes the way that the events in history stand in “fulfillment” of prophecies written in Torah, although he avoids Matthew's formula citations and extends such fulfillment to the events of Acts, as well.

More distinctive is the way in which characters in the narrative make statements that are prophetic and that are “fulfilled” by the subsequent events in the narrative.

Prophecy And History In Luke Acts:

Prophecy and History in Luke-Acts David Lenz Tiede,1980 **Prophecy and History in Luke-Acts** David L. Tiede,1980 Echoes of Scripture in Luke-Acts Kenneth D. Litwak,2005-03-07 Litwak challenges previous studies of the use of the Old Testament in Luke Acts as inadequate In contrast to previous studies that consider only quotations or obvious allusions he examines intertextual echoes of the Old Testament at strategic points in Luke Acts as well as quotations and allusions and echoed traditions Thus this study s database is larger Previous studies generally argue that Luke s use of the Scriptures is in the service of christology This leads to the exclusion of scriptural citations such as those of the temptation Luke 4 1 13 which have different emphases Litwak views ecclesiology as the overall purpose behind Luke s use of the Old Testament but he does not skip or avoid intertextual references that may lie outside an ecclesiological function Whilst other studies contend that Luke uses the Old Testament according to a promise fulfillment proof form prophecy hermeneutic Litwak argues that this fails to account for many of the intertextual references Other studies often subsume all of Luke s use of the Scriptures of Israel under one theme such as the New Exodus but this study does not require that every intertextual echo maps to a specific theme Rather the many intertextual references in strategic texts at the beginning middle and end of Luke Acts and Luke s use of the texts are allowed to dictate the themes to which they relate JSNTS 282 **A Prophet like Moses (Deut 18:15, 18): The Origin, History, and Influence of the Mosaic Prophetic Succession** David DeJong,2022-09-12 In this book DeJong explores Deuteronomy s redefinition of prophecy in Mosaic terms He traces the history of Deuteronomy s concept of the prophet like Moses from the seventh century BCE to the first century CE and demonstrates the ways in which Jewish and Christian texts were influenced by and responded to Deuteronomy s creation of a Mosaic norm for prophetic claims This wide ranging discussion illuminates the development of normative discourses in Judaism and Christianity and illustrates the far reaching impact of Deuteronomy s thought **David Being a Prophet** Benjamin Sargent,2014-05-26 This book seeks to identify a distinct approach to interpreting Scripture in the New Testament that makes use of assumptions about a text s author or time of composition Focusing upon the Epistle to the Hebrews the Acts of the Apostles and the Davidssohnfrage in the Synoptic Gospels it is argued that in certain cases the meaning of a scriptural text is understood by the New Testament author to be contingent upon its history that the meaning of a text is found when the identity of its author is taken into account or when its time of origin is considered This approach to interpretation appears to lack clear precedents in intertestamental and 1st Century exegetical literature suggesting that it is dependent upon distinctly Christian notions of Heilsgeschichte The analysis of the Davidssohnfrage suggests also that the origins of this approach to interpretation may be associated with traditions of Jesus exegetical sayings A final chapter questions whether an early Christian use of history in the interpretation of Scripture might offer something to contemporary discussion of the continuing relevance of historical criticism **Revealed Histories** Robert Hall,2015-01-29 Ancient Jewish

and Christian writers frequently sought to persuade by claiming to understand the past through revelation Hall shows how the long recitals of past events often found in apocalypses are not to be seen as mere preludes to predictions but prove integral to the author's argument This original study concludes that many ancient Jews and Christians found claims to inspiration an acceptable basis for re-telling past events and that early Christian prophets consciously shaped not only the sayings of Jesus but the narrative structure in which the sayings occur

Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels

The Prophethood of All Believers Roger Stronstad, 1999-01-01 For centuries Christians have had the concept of the priesthood of all believers firmly engrained in their minds The prophethood of all believers on the other hand is so Stronstad believes the main focus of Spirit baptism in Luke Acts A landmark study in Lukan pneumatology this book is aimed at a mixed readership ranging from the scholar to the informed layperson The role of the Spirit in Luke is clearly portrayed in terms of vocational empowerment Traditionally Lukan pneumatology has been viewed through Pauline or Johannine spectacles but by interpreting Luke independently of the other Gospels and the epistles Stronstad has cogently argued for the historical and contemporary relevance of Spirit baptism He challenges the reader to develop a new appreciation of Luke's theology of the Holy Spirit and in fact to consider the role of the prophethood of all believers for today's world

Early Christian Historiography G. W. Trompf, 2016-04-08 First Published in 2014 This book describes the developing application of retributive principles in historical narratives before Christ It assesses degrees of concern in the first history writers of the world's most widespread monotheistic tradition to discern divine justice in human affairs

[Luke's Rhetorical Compositions](#) Paul Elbert, 2022-07-19 Luke's Rhetorical Compositions offers new ideas in Lukan scholarship especially in regard to Aelius Theon's first century rhetoric manual Progymnasmata and inter-textual Lukan Pauline biblical studies Two chapters deserve special mention the material in chapter 3 is a groundbreaking discussion of Acts 2:38 in which its Greek verb tense speaks to the subsequent reception of the gift of the Holy Spirit following salvation not coincident with salvation In Acts 2:38 it is Luke's intention to portray Peter as promising the gift of the Holy Spirit to hearers and to those beyond narrative time as a Pentecostal experience Chapter 9 discusses Luke's use of progymnasmatic examples in his descriptions of the salvation experience It also discusses Luke's clarification of Paul using narrative persuasion from Jesus tradition and history Also Luke's use of basic soteriological vocabulary provides clarity and plausibility His distinctive selection of examples from the Jesus tradition and his duplication of Paul's soteriological vocabulary is very helpful

Proclamation from Prophecy and Pattern Darrell L. Bock, 1997-01-01 Luke is here presented as contributing to New Testament Christology through his treatment of Old Testament Christological texts This redaction critical study

argues that Luke's use of the Old Testament is not so much a proof from prophecy as a proclamation that draws both upon prophecies and upon patterns. This proclamation as it is developed in Luke Acts serves to turn the reader's attention from seeing Jesus as Messiah to seeing him eventually as Lord. *Luke's Literary Creativity* Mogens Müller, Jesper Tang Nielsen, 2016-08-11 A combination of two classic discussions in New Testament scholarship the contributions in this volume shed light on the still unsolved synoptic problem by using the well coined concept of rewriting to describe the relationship between the synoptic gospels. The contributions work with the hypothesis that the synoptic tradition can be conceived of as a process of rewriting. Matthew rewrote Mark and Luke rewrote Mark and Matthew. This approach to the synoptic problem dismantles the grounds for the otherwise widely accepted two source theory. If it can be shown that Luke knew Matthew's Gospel the Q hypothesis is superfluous. One group of articles focuses on the general question of Luke's literary relation to the other gospels. In these essays the concept of rewriting describes Luke's use of his sources. The second part of the collection examines a number of texts in order to show how Luke rewrites specific passages. In the final section the contributions concern Luke's relation to Roman authorities. It is shown that Luke's literary creativity is not limited to his predecessors in the gospel tradition. Rewriting is his literary strategy. **Interpretation of Tongues and Prophecy in 1 Corinthians 12-14, with a Pentecostal Hermeneutics** Jeon Ahn Yongnan, 2019-05-21 Bringing spiritual experience into the domain of biblical hermeneutics this book will certainly stimulate current debates within this field among both Pentecostals and Christians of other traditions. The author also applies a Pentecostal hermeneutical methodology to Paul's teaching on tongues and prophecy in 1 Corinthians 12-14 opening possibilities to a Pentecostal pneumatology that tends instead to focus on the Lukan narrative. Paul's texts are reconsidered not as doctrinal or situational documents but as dynamic communication within a living community. *History and Exegesis* Edward Earle Ellis, Sang-Won Son, 2006-02-23 A festschrift presented to New Testament E. Earle Ellis on his eightieth birthday. **The End Times Controversy** Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future. Jesus' Exposition of the Old Testament in Luke's Gospel Charles Kimball, 1994-03-01 This work presents an inductive exegetical analysis of Jesus' exegetical methods and expositions in Luke's Gospel in light of first century Jewish exegetical methods via an examination of the eight Lukan pericopes in which Jesus expounds explicit Old Testament quotations. This study offers the following conclusions. In Luke's Gospel Jesus expounded Scripture as the basis for understanding his person and ministry, teaching his followers and inquirers and debating his religious opponents. He employed many of the exegetical methods of ancient Judaism. Yet he frequently offered interpretations of Scripture that were radically different from other Jewish teachers because of his superior understanding of Scripture and his application of Scripture to himself. In turn he influenced the early church's biblical expositions in considerable measure. Jesus expounded Scripture for Christological and

doctrinal lessons In his Christological expositions he made an eschatological application of certain biblical texts to himself claiming to be the fulfillment of Old testament messianic prophecies In his doctrinal expositions he corrected traditional Jewish interpretation claiming a superior exegesis of Scripture The Christological expositions employed pesher fulfillment motifs and several midrashic techniques to show that the Jesus the Seer Ben Witherington III,20174-10-01 Increasingly scholars recognize that prophetic traditions expressions and experiences stand at the heart of most religions in the ancient Mediterranean world This is no less true for the world of Judaism and Jesus Ben Witherington III offers an extensive cross cultural survey of the broader expressions of prophecy in its ancient Mediterranean context beginning with Mari moving to biblical figures not often regarded as prophets Balaam Deborah Moses and Aaron and to the apocalyptic seer in postexilic prophecy showing that no single pattern describes all prophetic figures The consequence is that different aspects of Jesus s activity touch upon prophetic predecessors his miracles on Elijah and Elisha his self understanding as the Son of Man on Daniel and 1 Enoch his warnings of woe and judgment on the writing prophets in Judean tradition and his messianic entry into Jerusalem on Zechariah 9 Witherington also surveys the phenomenon of apocalyptic prophecy in early Christianity including Paul Revelation the Didache Hermas and the Montanist movement Jesus the Seer is a worthy complement to Witherington s other volume on Jesus Jesus the Sage Fortress Press 2000 **Anthology of the Biblical Revolution**

Evolution Series Michael Stansfield,2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church s theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again **The Purpose of the Biblical Genealogies** Marshall D.

Johnson,2002-07-12 Genealogical material occurs frequently in the Old Testament and in the Gospels of Matthew and Luke as well as in later Jewish literature What is the purpose of these lists How do they relate to their historical and literary context and what is their function in the Hebraic Christian literary tradition Dr Johnson answers these questions in relation to contemporary biblical scholarship and is concerned to show that such genealogies are not merely appendices to biblical narratives but are closely related to their context in language structure and theology He attempts to assess the extent to which they reflect the views of the authors of the books or contexts into which they are placed He also examines the transition of the genealogical form and shows how its function changed from tribal expressions to the Gospel writers use of it

to illustrate the conviction that Jesus is the fulfillment of the hope of Israel Concerned as he is more with the literary purpose of this type of biblical literature than with the historical authenticity of various lists Dr Johnson examines a subject that is only now beginning to engage the attention of scholars generally
