Jeffrey, 2010-07-20 YOU CAN BELIEVE THE BIBLE WITHOUT ANY DOUBT As American society becomes more secularized Christians need to know all the facts about the Bible Dr Grant R Jeffrey has spent decades researching history science archaeology medicine and prophecy finding that each discipline confirms the truth of Scripture This revised and updated edition of *The Signature of God* proves that the Bible is not only accurate in its spiritual claims but is completely reliable as well on matters of origins medicine history and science Historians of the ancient world as well as recent archaeological finds confirm the names of kings and kingdoms and the dates of wars and mass migrations mentioned in the Bible Recent breakthroughs in astronomy physics and medical science have shown that God's Word accurately described the universe and the processes of human life before scientific research caught up And hundreds of fulfilled prophecies show that God revealed the future to his prophets in order to undergird the faith of his people No matter how loudly the skeptics argue against Christian faith only one conclusion makes sense the Bible is God breathed You can believe every word every claim every prophecy and every miracle With no doubts     *The Numerical Structure of the Holy Bible* Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study     **Biblical Prophecies in the Light**

**of History** Jim and Judy Stocker, 2005-11      **Biblical Studies on the Prophecies of the Rapture and Revelation** Larry Phillip Russell, 2017-11-16 Biblical Studies on the Prophecies of the Rapture and Revelation is an introduction to and exploration of the Bible's teachings on the Second Advent of Jesus Christ. It distinguishes the Rapture from the Revelation. It affirms the Premillennial Pre-tribulation Rapture and Dispensational views. Explored are various theological positions of the Return of Christ. Biblical history, Church history, and insights from key Scripture passages. Russell writes for inquiring laity, clergy, and seminarians. This work provides edification, inspiration, a wealth of Biblical knowledge, working together strands of history, theology, Biblical studies, statistics, and even humor. The book addresses the Unconditional Covenant God made with Israel, kindly refutes Replacement theology, the Amil and Postmil views, defines Daniel's 70th Week, considers the future Tribulation Millennium, reminds of God's Sovereignty and Providence, warns of sensationalism, date setting, presents signs of the times, and touches on Apostasy. The book is a comprehensive eschatological work with significant amounts of doctrine, Biblical history, the history of Christianity, and interrelated eschatological considerations. It also admonishes practical Christian living and encourages seeking paths of holy living. If you desire to understand the distinctions between the Rapture and the Revelation, seek a challenging and rewarding journey of study, and if you would find your faith strengthened and your understanding increased, this book will be a helpful guide to your exploration.      *The Witness* Preston Ross, 2004      **Kjv**
