Prophecy Of Desire:

Prophecy of Desire Claire Harrison, 1983 **Prophetic Fishing** Jean Krisle Blasi, 2008-03 Blasi helps readers learn to hear God's voice and then to move out in power letting love be our motivation for evangelism Born to Prophecy Hakeem Collins, 2013-11-08 Often Christians have trouble hearing the voice of God and question whether prophecy is still a valid gift in today's world. As a result they are likely to experience discouragement, fear, doubt, and frustration. Born to Prophecy gives you a clear understanding of the role, function, and purpose of modern day prophets, prophecy, and prophetic ministry that is so desperately needed. In addition, it offers practical teaching to those who are called to speak as God's ambassadorial voice with authority, love, and confidence in Christ. Combining foundational biblical truth with examples from the Old and New Testaments, Hakeem Collins helps you understand the biblical importance of the role and function of modern day prophets, prophetic ministry, and the supernatural gift of prophecy. Discover your own prophetic voice, gifts, calling, identity, and potential so you can operate in the incredible power of the Holy Spirit that God has available for you. Understand the responsibilities of the modern day prophet as well as the danger zones of false prophets and prophecy. God still speaks today as He does in every generation, and He wants to use your unique personality and voice to empower, comfort, edify, encourage, and bless your friends, family, church, and the world. Lord, Renew Your Wonders Damian Stayne, 2017-09-01 At the beginning of the Second Vatican Council, Blessed Pope John XXIII offered a prayer asking the Holy Spirit to Renew your wonders in our time as though for a new Pentecost. The rediscovery of the charismatic gifts by ordinary Catholics throughout the world was an answer to that prayer. Damian Stayne, who is known internationally for his healing ministry, shows readers how the spiritual gifts of prophecy, healing, and deliverance were used by Jesus, the early Church, and the saints, and why we need them operating in the Church today. He provides not only amazing stories of God's presence and work in our time but also a host of practical instructions on how to grow in these gifts. This book is both inspiring and a challenge to Catholics to be open to the gifts of the Spirit in order to bring others to Christ. Prophetic Evangelism Mark Stibbe, 2004-02-01 In this compelling book, Mark Stibbe argues that God wants to use Christians to speak prophetically into the lives of unbelievers, waking them up to the fact that Jesus is alive and he knows their every thought, word, and action. There are many biblical examples of God's people using prophecy in their witness to unbelievers. Jesus used prophecy in His ministry to seekers. After Pentecost, God gave the gift of prophecy to believers as one resource among many in their witness to the world. Furthermore, Christians today receive prophecies for those who don't know Christ, often with immediate and life-changing effects. This book contains many such testimonies. **Prophecy in a Secular Age** David True, 2021-02-09 The place of religion within a secular society has been much discussed in recent years, fueled in part by Charles Taylor's *Secular Age* (2007). The conversation surrounding Taylor's work suggests a widespread interest in religion in secular or post-secular contexts. Even as scholars have become increasingly interested in emerging and novel forms of religion, prophecy has continued to be depicted

in traditional forms employed to further partisan agendas In place of secularity as religious declension and culture clash this volume explores prophetic works in a variety of forms including satire tragedy the novel Native American tradition science fiction the Bible and higher education itself Together the contributors demonstrate that there is much to learn from both religious and secular prophecy The book is inspired by the idea that prophetic works are a promising subject area for a diverse audience in both higher education and the church The volume s contributors demonstrate as much in that they work in a wide range of disciplines including religious studies biblical studies theology American studies literature philosophy and political theory Prophetic Power Deluxe Edition (2 Books in 1) Roderick L. Evans, 2014-08-18 Two informative books concerning prophets prophetic ministry and prophetic operations From the library of Abundant Truth Publishing If They Be Prophets This book brings clarity to the role of the prophet in the New Testament Church In addition it explores the prophetic person and the prophetic anointing It is our prayer that believers will recognize the operation of the prophetic office and gift in the Church The Prophetic Mantle The gift of prophecy is an awesome gift Paul instructed us to covet to prophesy The focus of this book is to bring clarity to the gift of prophecy prophetic operations and to the pitfalls associated with prophetic ministry This information will help individuals to rediscover the purpose of the prophetic gift in the Church
