Prophets and Prophecy Dean Miller,2014-08-01 Find a path to the future as you discover the great traditions of fortune telling of the past God Our Savior C. Norman Kraus,2006-12-18 This volume makes a systematic theological statement in light of the unique revelation of God and humankind that has come to us in Jesus the Messiah as recorded in Scripture It is the companion to the author s Jesus Christ Our Lord 1987 1990 There are chapters on Jesus Christ as the lens through which we receive theological insight revelation God humanity the Holy Spirit the church and last things all understood through God s self disclosure in Christ From within the Anabaptist theological tradition Kraus offers a biblically oriented alternative to rationalistic orthodoxy and to liberalism He takes Scripture as the normative witness to the meaning of Christ the authoritative source for theological reflection and thus makes a thoroughly evangelical statement Yet this evangel begins with salvation as newness of life in resurrection with Christ not simply as juridical justification The emphasis is on God as source of creative potential rather than on God as instigator of legal judgment Christ the Second Adam the truest image of God is both the climax of creation and the means through which humanity can attain that image and respond to God in personal relationship Kraus views the Holy Spirit as the enlivening presence of the risen Christ the church as the continuing saving mission of Christ and eschatology as the victory of Christ over the powers of evil and death
