Prophet Mind:

The Prophet's Whistle George Archer, 2024-05-27 The Quran is certainly one of the most important texts in human history But it wasn't originally a text at all When the Quran appeared in the seventh century it was a vocal recital performed by an unlettered man named Muhammad It remains an oral performance for Muslims all over the world to this day The Prophet's Whistle is a study of the ancient nonliterary features of the Quran many of which are often overlooked by historians and the public George Archer corrects this striking absence by using observations from the anthropologies of living oral cultures the cognitive sciences of literacy and the study of other dead oral cultures The Prophet's Whistle shows that the thought systems of the Quran are oral through and through but by the end of the life of its Prophet the Quran likewise hints at a personal and cultural embrace of writing and the mindsets of literate people

Aquinas on Prophecy Paul M. Rogers, 2023-05-05 Aquinas on Prophecy is the first full length monograph to underscore the importance of the charism of prophecy within St Thomas's Summa theologiae as a whole The book argues that his notion of prophecy significantly informs the Summa's central presentations of sacred doctrine salvation and faith For Aquinas the prophet is someone who receives divinely revealed knowledge meant to edify the Church prophetic knowledge gives faith both content and certitude which are essential for sacred doctrine's status as knowledge and wisdom This work examines Thomas's rationale for categorizing prophecy as the Church's foremost charism which stems from the special role prophets have in divine government in making God's wisdom manifest on earth The Summa's own ordination to wisdom shares a striking parallel with prophecy the theologian and prophet are both called to build up the Church by testifying to the truth they know

Summa Theologica, Volume 4 (Part III, First Section) St Thomas Aquinas, 2013-01-01 The Summa Theologica is the best known work of Italian philosopher scholar and Dominican friar SAINT THOMAS AQUINAS 1225-1274 widely considered the Catholic Church's greatest theologian Famously consulted immediately after the Bible on religious questions at the Council of Trent Aquinas's masterpiece has been considered a summary of official Church philosophy ever since Aquinas considers approximately 10 000 questions on Church doctrine covering the roles and nature of God man and Jesus then lays out objections to Church teachings and systematically confronts each using Biblical verses theologians and philosophers to bolster his arguments In Volume IV Aquinas addresses chastity and lust sobriety and humility pride prophecy and Rapture the passion of Christ Christ's resurrection the sacraments and much more This massive work of scholarship spanning five volumes addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy religious historians and serious students of Catholic thought

Summa Theologica, Part II-II (Secunda Secundae) Thomas Aquinas, 2021-12-12

Summa Theologica Part II II Secunda Secundae Thomas Aquinas The Summa Theologiae Latin Compendium of Theology or Theological Compendium also subsequently called the Summa Theologica or simply the Summa written 1265-1274 is the best known work of Thomas Aquinas c. 1225-1274 and although unfinished one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as a manual for beginners in theology and a compendium of all of the main theological teachings of the Church It presents the reasoning for almost all points of Christian theology in the West The Summa's topics follow a cycle: the existence of God, Creation, Man, Man's purpose, Christ, the Sacraments, and back to God courtesy of wikipedia.com This is part 2.2 Secunda Secundae In a chain of acts of will, man strives for the highest end They are free acts insofar as man has in himself the knowledge of their end and therein the principle of action In that the will wills the end, it wills also the appropriate means chooses freely and completes the consensus Whether the act be good or evil depends on the end The human reason pronounces judgment concerning the character of the end; it is therefore the law for action Human acts, however, are meritorious insofar as they promote the purpose of God and his honor By repeating a good action, man acquires a moral habit or a quality which enables him to do the good gladly and easily This is true, however, only of the intellectual and moral virtues which Aquinas treats after the manner of Aristotle the theological virtues are imparted by God to man as a disposition from which the acts here proceed while they strengthen, they do not form it The disposition of evil is the opposite alternative An act becomes evil through deviation from the reason and from divine moral law

Summa Theologica Part II ("Secunda Secundae") (Annotated Edition) St. Thomas Aquinas, 2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life The Summa Theologiae Latin Compendium of Theology or Theological Compendium also subsequently called the Summa Theologica or simply the Summa written 1265-1274 is the best known work of Thomas Aquinas c. 1225-1274 and although unfinished one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as a manual for beginners in theology and a compendium of all of the main theological teachings of the Church It presents the reasoning for almost all points of Christian theology in the West The Summa's topics follow a cycle: the existence of God, Creation, Man, Man's purpose, Christ, the Sacraments, and back to God courtesy of wikipedia.com This is part 2.2 Secunda Secundae In a chain of acts of will, man strives for the highest end They are free acts insofar as man has in himself the knowledge of their end and therein the principle of action In that the will wills the end, it wills also the appropriate means chooses freely and completes the consensus Whether the act be good or evil

depends on the end The human reason pronounces judgment concerning the character of the end it is therefore the law for action Human acts however are meritorious insofar as they promote the purpose of God and his honor By repeating a good action man acquires a moral habit or a quality which enables him to do the good gladly and easily This is true however only of the intellectual and moral virtues which Aquinas treats after the manner of Aristotle the theological virtues are imparted by God to man as a disposition from which the acts here proceed while they strengthen they do not form it The disposition of evil is the opposite alternative An act becomes evil through deviation from the reason and from divine moral law Therefore sin involves two factors its substance or matter is lust in form however it is deviation from the divine law
