Prophet Of Terror:

Jean-Paul Marat Keith Michael Baker, 2025-11-14 *Masterminds of Terror* Yusrī Fawdah, Nick Fielding, 2003 A One of a Kind Expose of the September 11 Terrorist Plot That Changed Our Lives and Our World Irrevocably When star Al Jazeera TV reporter Yosri Fouda received an anonymous call summoning him to a secret interview in Pakistan with al Qaeda he knew he could be walking into a deadly trap as Wall Street Journal reporter Daniel Pearl had done only months before But he took the risk and hit pay dirt For 48 hours Fouda listened as two of the world's most wanted men Khalid Shaikh Mohammed head of al Qaeda's military committee and Ramzi Binalshibh the link between Mohammed Atta and the senior al Qaeda leadership proudly claimed responsibility for the 9/11 attacks on New York and the Pentagon the first time al Qaeda took direct responsibility During the course of the in depth interview they detailed exactly how over a two year period the plot was conceived planned and executed Among their many revelations The intended target of United Airlines Flight 93 The code names used by the hijackers Documents and souvenirs from Atta's Hamburg apartment Actual e mail communications between Atta and Binalshibh The role both chief conspirators played in the slaying of Daniel Pearl Mohammed's connections to the first World Trade Center attack How Mohammed and Binalshibh built al Qaeda's Far East network Based on that interview and hours of follow up investigation *Masterminds of Terror* also contains dramatic accounts of the seizure of both Binalshibh and Mohammed and analyzes al Qaeda's attempts to justify its actions on what it calls Holy Tuesday With the recent headline grabbing capture of Khalid Shaikh Mohammed both masterminds are now being held by the U S government in secret locations Here is the closest we may get to the full inside story of the plot together with the most up to date and comprehensive account yet of the philosophy and actions of al Qaeda Book jacket *The Book of Jeremiah*, 2018-07-17 Written by leading experts in the field *The Book of Jeremiah* Composition Reception and Interpretation offers a wide ranging treatment of the main aspects of Jeremiah Its twenty four essays fall under four main sections The first section contains studies of a more general nature and helps situate Jeremiah in the scribal culture of the ancient world as well as in relation to the Torah and the Hebrew Prophets The second section contains commentary on and interpretation of specific passages or sections of Jeremiah as well as essays on its genres and themes The third section contains essays on the textual history and reception of Jeremiah in Judaism and Christianity The final section explores various theological aspects of the book of Jeremiah *Prophet of Doom* Craig Winn, 2004 The depiction of the prophet by the most revered Muslim sources reveals behavior that is immoral criminal and violent The five oldest and most trusted Islamic sources don't portray Muhammad as a great and godly man They confirm that he was a thief liar assassin mass murderer terrorist warmonger and an unrestrained sexual pervert engaged in pedophilia incest and rape He authorized deception assassinations torture slavery and genocide He was a pirate not a prophet According to the Hadith and the Qur'an Muhammad and his henchmen plundered their way to power and prosperity And by putting the Qur'an in chronological order and correlating it with the context of Muhammad's

life we find that Allah mirrored his prophet's character Muhammad's god condoned immoral and criminal behavior Allah boasts about being a terrorist He claims to have deceived men to have stolen their property to have enslaved women and children to having committed acts of murder genocide and sadistic tortures

The Prophets Abraham Joshua Heschel, 2007-01-01 The Prophets is widely recognized as a masterpiece of biblical scholarship Heschel attempts to understand the thoughts feelings and impressions of each of the prophets presenting the reader with a sense of their very being He effectively achieves a balance between the objective supernatural and the subjective human situation and presents a unique discussion of Amos Hosea Isaiah Micah Jeremiah and Habakkuk and their particular challenges and journeys In the second part of the book Heschel addresses such subjects as pathos wrath sympathy ecstasy psychosis and prophetic and poetic inspiration and in so doing offers a new contribution to the philosophy of religion The Prophets is both scholarly and devotional an indispensable part of an in depth understanding of the Hebrew Bible

Commentary on the Prophets of the Old Testament, Volume 4 Georg Heinrich Ewald, 2006-03-17 It is infinitely better to commence a study of the prophets with what they themselves have written rather than with the meagre narratives and scattered legends of their deeds and words In their own writings they have most distinctly and trustworthily laid bare their spirit Whoever desires to know in their inmost hearts these heroes of divine truth and to admire their genuine greatness should learn first to understand their words and actions as they themselves have recorded them It is here that they approach us most closely and confidently inviting us most irresistibly to make ourselves acquainted with them from the Introduction
