Reading God's Word Today

George Martin, 2009-12-01 With persuasive instruction and personal examples George Martin shows you how to read and understand Scripture in ways that help us hear what God is saying to us and that draw us nearer to him in prayer In the most extensive revision yet of his best selling classic Reading Scripture as the Word of God this edition brings God's Word to life for beginners through seasoned veterans of Bible study How can I get more out of reading Scripture What can I do to understand Scripture more clearly How can I hear what God is saying to me through Scripture How should I apply the messages of the Bible to my life Thus the Bible becomes a window to God so He can speak to our hearts as well as our heads The book begins with practical suggestions for reading Scripture in order to understand both the context and the purpose for which it was written It goes on to discuss how God reveals himself through the words of Scripture and the role of the Holy Spirit as He speaks directly to you through the text Study guides at the end of each chapter interesting sidebars and directions to internet resources will stimulate personal reflection and also provide the basis for small group discussion of this eminently practical yet heart centered approach to understanding the Scriptures

Habakkuk Kenneth J.

Turner, 2023-10-03 The Zondervan Exegetical Commentary on the Old Testament series serves pastors and teachers by providing them with a careful discourse analysis and interpretation of the Hebrew text tracing the flow of argument in each Old Testament book and showing that how a biblical author says something is just as important as what they say

The History of Redemption Nancy Mahusay, 2007-07 Based on a Bible Study course taught by Dr Mahusay this book gives the student an overview of the entire Old Testament Written conversationally it views the Scriptures of the Old Testament from the perspective of tracing God's promise of redemption from His first utterance of it in Eden until the fulfillment of it in the Incarnation of the Messiah Christ Jesus The unity of the message of the Bible is clearly presented After completing this study the reader should have a grasp of the unified message of the Old Testament and be able to place familiar events and quotations from the Old Testament in their proper context The material is adapted to a twenty four session intensive Bible Study with groups or individuals With insight and skill the author has created an actual compendium of the Old Testament which unifies and brings new clarity to this foundational part of Holy Scripture This is accomplished by an extensive use of the Word and her deep grasp of its true meaning A Dale Ihrie Th D Ph D Dr Nancy Mahusay is a clinical psychologist and Advanced Psychiatric Nurse Practitioner She and her psychiatrist husband practiced together for years during which time

she also conducted seminars in psychiatry and taught psychology and gerontology After her husband s death in 1999 she returned to her first love teaching Bible which she continues to do Dr Mahusay lives in Southwest Florida where her five children and ten grandchildren also live She misses Vermont where she lived until 1979

Helping Jesus Fulfill

Prophecy Robert J. Miller,2015-12-11 It s obvious that Jesus fulfilled prophecies about the promised Messiah or so the gospels make it seem But the real story is more complex and more compelling In hindsight we can see that Jesus had help fulfilling prophecy The gospel writers skillfully manipulated prophecies carefully lifting them out of context creatively reinterpreting them even rewriting them to match what Jesus would do in fulfilling them The evangelists also used the prophecies themselves to shape the very stories that show their fulfillment This book describes in detail how Christian authors helped Jesus fulfill prophecy Studies of Greek oracles the Dead Sea Scrolls translations of the Hebrew Scriptures into Greek and Aramaic and the writings of Josephus explore the interpretive techniques that paved the way for the New Testament s manipulation of prophecy This book analyzes how the belief that Jesus fulfilled prophecy became an argument to justify a new notion the view that Christians had replaced Jews as God s chosen people An aggressive anti Judaism is analyzed in chapters on patristic theologians such as Justin Martyr and Augustine who embedded it into the argument from prophecy The book concludes with an ethical argument for why Christians should retire the argument from prophecy

Christ-Centered Preaching Bryan Chapell,2018-05-15 In this complete guide to expository preaching Bryan Chapell teaches the basics of preparation organization and delivery the trademarks of great preaching This new edition of a bestselling resource now updated and revised throughout shows how Chapell s case for expository preaching reaches twenty first century readers

Prophetic Witness Heinrich Bedford-Strohm,Etienne De Villiers,2011 The role of religious prophetic witness in the public discourse of modern civil societies is a vital question not only for the churches but for society as a whole Is it still appropriate for churches to make use of prophetic witness as a mode of public discourse in contemporary democratic societies Can biblical tradition be a referential source for prophetic public statements of the churches in highly debated political questions Or must public discourse in pluralistic societies be strictly grounded in purely reason based arguments This book deals with these questions in a multi disciplinary perspective looking at historical settings of biblical texts and discussing contemporary issues and contexts Series Theology in the Public Square Theologie in der Offentlichkeit Vol 1

Why Do the Nations Rage? David A. Ritchie,2021-12-28 What if we understood nationalism as a religion instead of an ideology What if nationalism is more spiritual than it is political Several Christian thinkers have rightly recognized nationalism as a form of idolatry However in Why Do the Nations Rage David A Ritchie argues that nationalism is inherently demonic as well Through an interdisciplinary analysis of scholarship on nationalism and the biblical theology behind Paul s doctrine of powers Ritchie uncovers how the impulse behind nationalism is as ancient as the tower of Babel and as demonic as the worship of Baal Moreover when compared to Christianity Ritchie shows that nationalism is best understood as a rival

religion that bears its own distinctive and demonically inspired false gospel which seeks to both imitate and distort the Christian gospel

Old Testament Today John H. Walton, Andrew E. Hill, 2004 This full color textbook shows college students how the Old Testament uniquely reveals the God of the universe

The Once and Future Bible Gregory C. Jenks, 2011-01-10 This book offers a way to engage with the Bible as a set of sacred texts that can serve as a song sheet for believers in exile those people Bishop John Shelby Spong calls the church alumni association This includes those internally displaced persons of faith who have not yet become spiritual refugees but who feel the pressure to conform to traditional expressions of faith that no longer serve as springs of living water for the journey of life These ancient texts come from another world and another time but they can serve as maps for the journey of life They can best do this when the sacred wisdom of the Bible is accepted as permission to voice the new questions we face today in the confidence that authentic faith has always required such boldness Religious progressives are people who live the questions not dodge them Our task is not to guard a set of traditional answers but to live life boldly taking risks for God's sake and our own One of the hallmarks of this book is that the problems posed by the Bible are acknowledged In particular the contributions of recent critical scholarship are embraced rather than being ignored or neutralized by pious ambivalence The intended reader of this book is not a traditional believer secure in her assumptions about God and salvation but someone struggling to live with integrity in a time when traditional religion seems increasingly irrelevant The goal is not to persuade the reader that the Bible is credible but more modestly to offer an account of the Bible that may encourage religious progressives to reclaim the Bible as a valued part of our spiritual baggage
