**The The Story Behind the Bible Trilogy: Book I The Torah; Book II The Prophets; Book III The New Covenant** J. K. Alexander,2019-11-27 With facts and information insightful commentary and even a few flights of fantasy The Story Behind the Bible trilogy weaves a magnetic journey through the ancient texts of the Bible for believers and non believers alike It s a journey that can draw readers into a universe that is larger and more incredible than they ever thought possible A highly comprehensive overview of the entire Bible the trilogy also proves that the prophets of scripture made impossible and miraculous predictions and prophecies concerning future events including our current era and virtually proves that God s hand steers the broad stream of world history Now over two thousand years hence much of scripture has been misinterpreted misapplied or simply lost to traditions and folklore The books address those issues with commentary and doctrine and through the elegant story and amazing people of the New Testament bring the biblical story to a triumphant end

Spiritual Keys to the Holy Bible and the 'gift' of God Shepherd C. Davis,2005 This book is a wake up call and a guide for Christians who are physically alive but spiritually dead Those who are Christian in name only They do not attend regular worship services They seldom communicate with God through prayer They do not read the word of God or understand it They do not live righteously because their lives are ruled by the sinful nature They do not have the gift of God but expect to receive eternal life after death However many won t Unless they repent and receive the gift of God they will die in hell with the anti Christ s and non believers This book is about the plan of God to reconcile humanity to himself through the sacrifice of Jesus Christ on the cross His sacrifice enabled the coming of the Holy Spirit Both are essential for spiritual growth in this life and later eternal life in the kingdom of God Without Jesus Christ and the Holy Spirit there is no spiritual growth or eternal life for anyone In the 1st century A D a fraction of 1% of the world the saints received the gift of God and eternal life as prophesied see Daniel 12 1 3 The other 99 99999999% perished in hell Today nearly 33% of the world has received the gift of God They are growing spiritually in this life and will become spirit beings like the angels at the resurrection see Luke 20 34 36 The other 67% of the world the anti Christ s however will perish in hell This and much more is revealed in the secrets of the kingdom of God Finally this book provides biblical proof of the second coming of Christ and where he is on earth today

*All Power to the Lamb* James R. Johnson,2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the

mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist Left Behind view in that it views Revelation from a literalist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8-22 as three parallel prophecies of the Lamb's power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age      **Conversation with God, Heavenly Beings and Lucifer** Zahid Khan, Oh God when one day the wind will blow the dust over my grave it will remind you If I had lived longer on earth it would have been my last wish to tell your children more about You and your broken heart

majority of people worldwide believe in the existence of angels But believing in them and interacting with them are two very different matters Our recent international study showed 75 percent believe in angels and of those 36 percent indicated they've had an angel experience or encounter Whether you are a true believer a healthy skeptic or somewhere in between Looking for Angels A Guide to Understanding and Connecting with Angels will help you do just that Written by Dr Scott Guerin and renowned intuitive Nichole Bigley this book shares the history of angels throughout religion science and psychology In addition detailed instructions are provided to learn how to connect with your spirit team Through true stories data and insights and expert tips this book is an invaluable tool for anyone interested in learning more about these divine beings as well as how to connect and communicate with them *Waging Prophetic Warfare* Jennifer LeClaire, 2016 Discover the secret to compelling prayers The Encyclopedia of World Religions Robert S. Ellwood, 2008 Contains nearly 600 brief entries on the world's religious traditions **The bitter Truth about Jesus** Zahid Khan, God said 2000 years ago I gave Jesus the mission to fulfil my will to build my kingdom on earth centred on my love and all the freedoms which I gave to all my creations as universal value The crucifixion was the will of the evil and fallen mankind and it was a crime against humanity 2000 years later I Zahid Khan came as a Messiah and the representative of God's heart to build the Kingdom of God on earth God told me that the time of religions and their Sharia system has come to an end and the new world begins as a one family world centred on the living God **Chasing Immortality in World Religions** Deborah M. Coulter-Harris, 2016-08-12 Humans have been chasing immortality since the beginning of history seeking answers to sickness and aging death and the afterlife and questioning the human condition Analyzing ideas from ancient Sumer Egypt Greece and India as well as the Abrahamic religions of Judaism Christianity and Islam this study explores how early religious models influenced later beliefs about immortality the afterlife the human soul resurrection and reward and punishment The author highlights shared teachings among the most influential religions and philosophies concluding that humankind has not substantially changed its conceptions of immortality in 6 000 years This continuity of belief may be due to chromosomal memory and cultural inheritance or may represent a fundamental way of conceptualizing the afterlife to cope with mortality Instructors considering this book for use in a course may request an examination copy here *Journal of Biblical Literature*, 1911 *All the People in the Bible* Richard R. Losch, 2008-05-13 More than any other book the Bible offers an amazing collection of fascinating characters ranging from the holiest of the holy to some of the most depraved scoundrels imaginable Many are mentioned only in passing yet history and archaeology can often fill in the blanks and flesh them out as exciting human beings For this reason we have in many cases been able to tell much more about them than the Bible alone reveals Richard R Losch from the preface A comprehensive gathering of persons found in the Bible including the Apocrypha All the People in the Bible really delivers on its title literally all of the Bible's characters appear in this fascinating reference work From the first article on Aaron to the final entry on Zophar Richard Losch details each person in a lively narrative style The

bulk of the book consists of Losch's A-Z articles covering the familiar and the not so familiar figures in Scripture Names of people who are found only in genealogies or who had no significant effect on history are included solely in the alphabetical listing starting on page 452 That listing All the People in the Bible and Apocrypha includes pronunciations brief identifications and biblical references Persons covered in greater detail in the main part of the book are identified in bold print Losch's intriguing look at all the people in the Bible is anything but a dry reference work This is a book to dip into and enjoy over and over *The Two Witnesses are God the Father and The Holy Spirit - Revelation 11* Joel

Hernandez, 2019-10-08 In this first volume of my book I have proved beyond the shadow of a doubt that The Two Witnesses in Revelation 11 are God The Father and The Holy Spirit Which is a fact that none of the Ancient or Modern day commentators have ever known in 2 000 years That they are primarily God the Son's Two Witnesses who is the Glorious omnipotent Angel in Revelation chapter 10 who is prophesying to John about his immediate future in Revelation chapter 11 where he has assumed his second nature as Jesus Rev 11 8 Nor have they ever known that Jesus is the Main and Hidden Actor behind the scenes and underlying dimension of chapter 11 in spite of the fact that his Two Witnesses who are actually in him in chapter 11 as I shall also demonstrate seem to be the main Actors on the surface as I shall also demonstrate Or ever known that Jesus is alive in chapter 11 Now that the Angel has become Jesus they must be referred to as Christ Two Witnesses None of the commentators have ever taken these facts into account because they never suspected the Two Witnesses could be God who they should have considered in the first place And considered 2 Cor 5 19 which says that God was in Christ reconciling the world unto himself That which immediately proves the Two Witnesses are the Father and Holy Spirit is the fact that Christ who is also God is called the very same things in the Bible they are a Witness an Olive Tree a Lampstand and a Prophet making a total of Three Witnesses Rev 1 5 Rev 11 3 Three Olive Trees Rev 11 4 Judg 9 8 9 Three Lampstands Rev 11 4 Zech 4 1 And Three Prophets Rev 11 10 John 4 19 The Father Son and Holy Spirit have always been Witnesses of each other throughout all Eternity And now that God the Son the omnipotent Angel has come down from the third heaven to earth in Rev 10 1 2 and assumed the form of Jesus the Father and Holy Spirit have now become the Two Witnesses of the Lamb that was slain Rev 11 7 8 Rev 5 6 in Time
