*Prophetess of the Earth; And, The Apocalypse* Richard E. Kuykendall, 1992      **If You Really Knew the God of the Bible You Wouldn'T Like Him** Rev. Dr. Richard E. Kuykendall, 2017-06-23 This book is an expos of the not so loving God of the Bible someone you wouldn't like if you really knew him Here you will embark upon a journey through the vast and dangerous terrain of the Bible landscape This is a journey not for the fearful but for the courageous and the Rev Dr Kuykendall will be your guide having made this journey many times himself You will start your journey beginning in Genesis and continue on it until you reach the last verse of the book of Revelation You will see things and think about things that many would prefer not to But for those who persevere their reward will be to know who their God is as compared to the God of the Bible and to know how the world could be more tolerant and peaceful if only those of the Abrahamic faiths would let go of their image of a vengeful warrior God      **I Saw a New Earth** Paul Sevier Minear, 1968      Prophecies of the Apocalypse Robert Rite, 2015-03-24 Did you know that all of the hundreds of prophecies foretold by the ancient prophets up to this time have all come to pass They have and only those prophecies that point to the very time of the end remain to be fulfilled All it takes is to watch just one session of the evening and or world news to realize that everything is not quite well down here on planet earth Yet so many believe the lie that the coming apocalypse is all just science fiction and that mankind and its appointed leaders can keep it all together if we all just learn to get along and hold hands Not only does history prove this has never happened but the prophecies are clear that it won't that the day of reckoning is rapidly approaching Some world leaders have even hinted recently that World War III has already started in diverse parts of the world Just like WW II most of the world seems oblivious to the storm clouds until it reaches our backyard Despite years of searching I never found a book that listed most or all of the key end time prophecies So I decided to create one for you Finally you can learn all of the prophecies from the ancient prophets in one book from A to Z The bible is loaded with end time prophecies from both the Old and New Testament You will discover hundreds of these predictions and revelations all in one book We are living in perilous times this book will help you understand and discern the signs of the times
