Prophets & Professors Bruce Bawer,1995 Bruce Bawer is the most clear eyed and fierce literary critic writing today and he s troubled about the state of poetry These 23 essays many written for The New Criterion take no half measure and fewer prisoners The Helen Vendlers and Allen Ginsbergs are radically examined leaving the world a better place **Literary Philadelphia** Thom Nickels,2015-11-16 Peppered with many unexpected literary treasures A wonderful introduction to overview of Philadelphia s abundant literary heritage Philly com Since Thomas Paine and Benjamin Franklin put type to printing press Philadelphia has been a haven and an inspiration for writers Local essayist Agnes Repplier once shared a glass of whiskey with Walt Whitman who frequently strolled Market Street Gothic writers like Edgar Allan Poe and George Lippard plumbed the city s dark streets for material In the twentieth century Northern Liberties native John McIntyre found a backdrop for his gritty noir in the working class neighborhoods while novelist Pearl S Buck discovered a creative sanctuary in Center City From Quaker novelist Charles Brockden Brown to 1973 US poet laureate Daniel Hoffman author Thom Nickels explores Philadelphia s literary landscape Includes photos **The Victims' Revolution** Bruce Bawer,2023-03-14 Gender ideology The anti racism craze The MeToo movement Sanctuary cities These are among the building blocks of our new woke world which during the last few years seemed to explode out of nowhere But it didn t emerge from nowhere It originated on the campuses of some of our most respected colleges and universities Over the past several decades more and more faculty members at those institutions have exchanged humanism for radicalism Rejecting the search for truth they ve become purveyors of ideology They re no longer teachers but propagandists once devoted to the spread of knowledge they now focus on power dynamics seeing oppression everywhere and viewing everyone around them through the lens of group identity Among the most egregious consequences of this intellectual transformation has been the increasing prominence and power of disciplines called identity studies among them Women s Studies Black Studies Queer Studies and even more recently Fat Studies and Whiteness Studies In The Victims Revolution Bruce Bawer gives us the first true history of this phenomenon He takes us on a tour of the campuses classrooms and conferences where we see and hear professors proudly pushing these new orthodoxies On every page we can observe the origins of the virus that in the past decade has escaped from the ivory tower and infected the whole Western world *Stealing Jesus* Bruce Bawer,1998-10-20 From the author of the widely acclaimed *A Place at the Table* this is a major work passionately outspoken and cogently reasoned that exposes the great danger posed to Christianity today by fundamentalism The time is past says Bruce Bawer when denominational names and other traditional labels provided an accurate reflection of Christian America s religious beliefs and practices The meaningful distinction today is not between Protestant and Catholic or Baptist and Episcopalian but rather between legalistic and nonlegalistic religion between the Church of Law and the Church of Love On one side is the fundamentalist right which draws a sharp distinction between saved and unsaved and worships a God of wrath and judgment on the other are more mainstream Christians who

view all humankind as children of a loving God who calls them to break down barriers of hate prejudice and distrust Pointing out that the supposedly traditional beliefs of American fundamentalism about which most mainstream Christians clergy included know shockingly little are in fact of relatively recent origin are distinctively American in many ways and are dramatically at odds with the values that Jesus actually spread Bawer fascinatingly demonstrates the way in which these beliefs have increasingly come to supplant genuinely fundamental Christian tenets in the American church and to become synonymous with Christianity in the minds of many people Stealing Jesus is the ringing testament of a man who is equally disturbed by the notion of an America without Christianity and the notion of an American Christianity without love and compassion Emily Dickinson International Society Bulletin ,1989 Poetry After Modernism Robert McDowell,1998 Poetry After Modernism Story Line s most successful anthology of criticism was recognized and widely praised for raising the level of discourse on poetry This expanded edition retains seven original essays and adds seven new pieces As editor Robert McDowell points out Poets who can write good critical prose from distinctive points of view are the most reliable guides to the news we need to hear most **New Formalist Poets** Jonathan N. Barron,Bruce Meyer,2003 Presents a representative catalog of the New Formalism including a broad spectrum and wide and diverse range of poets and poetries associated with the New Formalism an eclectic movement with a commitment to meter fixed rhyme schemes and poetic forms **Unrelenting Readers** Paul M. Hedeem,David Gershom Myers,2004 Publisher Description **The Publishers Weekly** ,1893 Studies in the Literary Imagination ,2002 Current Contents Institute for Scientific Information (Philadelphia),1997 **Small Press** ,1996 *The Facts on File Companion to American Poetry* Burt Kimmelman, Temple Cone,Randall Huff,2008 An introduction to American poets poetry and literary movements from colonial times to the 21st century *The American Humanities Index* Stephen H. Goode,1998 **Biography** ,1995 World Literature Today ,1997 **Someone's Road Home** Gregory Dowling,2002 Hellas ,1996 A journal of poetry and the humanities *The Ghost of Tradition* Kevin Walzer,1998 Expansive poetry uses rhyme meter and narrative to make a poetic point unlike much of 20th century American poetry which relies heavily on free verse and experimentation for poetic style and impact Walzer an associate editor at Cincinnati Poetry Review believes that Expansive poets and their return to traditional forms have not been given their due in the current literary culture He attempts to rectify this with a scholarly and detailed discourse on the movement s history and importance as well as some of its poets Walzer s perspective is favorable but also fair His critical study is needed if for no other reason than that it offers an informed opinion that opposes prevailing views It should be noted that this work requires more than a technical appreciation of poetry it demands an abiding love of its mysticism Library Journal **CURRENT CONTENTS** ,1996
