Understanding End Times Prophecy Paul Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture

should stay away from This book uses scripture to interpret scripture I have never read anything like this before It all makes biblical sense to me I can see how the seals have been opened already The results of the seals are on the television news almost every day The Bible says we are to be simple concerning evil Romans 16 19 So if the book of Revelation is about the tribulation only and all the evil that would take place after we are gone then this would violate Romans 16 19 However the book of Revelation is first about setting the stage for the move of God in the greatest revival the world has ever seen plus the coming wrath of God found in Revelation chapter 16 I don't know of any other book that is as accurate and exciting to read as this book You can tell it has the same feel as reading the Bible Every Christian needs to read this book I highly recommend it The book of revelation is taken verse by verse with a clear easy to understand explanation Of all the books that are out there this is the only one I recommend highly

America in Prophecy A Nation at a Crossroads examines these two major prophetic indicators and not only reveals their importance in determining how close to our Lord's return we actually are but also their connection to what it truly means to be a disciple of Jesus Christ It unveils the big picture regarding end time Bible prophecy as it relates to America and shows how we are indeed standing at a crossroads not only as a nation but as God's corporate body the Church and as its individual members in particular America in Prophecy seeks to answer the question of where and how we as Christians living in the United States of America at this particular juncture in history fit into God's end time scenario Most importantly it explains what we must do to ensure that we are ready for our Lord's return Of all the books currently on the market one may be hard pressed to find a more pertinent timely and compelling message for today's Christian Outside of the Bible this is quite possibly one of the most exciting books you will ever read on the subject of end time Bible prophecy and the necessity for believer's everywhere to make certain they are ready for our Lord's return
