Johnson, 2019-12-12 This book is an examination of characters in the books of Kings showing how understanding and interpretation of key characters affects readings of the story The volume begins with more general pieces addressing how the study of characters can shed light on the composition history of Kings and on how characters and characterization can be considered with respect to ethics particularly with respect to the moral complexity of biblical characters Contributors then consider key characters within the Kings narrative in depth such as Nathan Bathsheba Solomon and Jezebel The contributors use their own specific expertise to analyze these characters and more drawing on insights from literary theory and considering such approaches as questioning our view of a particular character with based on the character within the text with whom we identify Contributors also assess whether or not characters as portrayed in the

biblical text necessarily match up to their possible counterparts in history **The Gifts for the City** Andy Singleterry, 2023-10-20 How can I determine which spiritual gifts I have Wrong question Paul writes about the spiritual gifts in his letters as capacities of communities rather than individuals and he never makes a definitive definable list The gifts are fluid and dynamic refusing to be pinned down How can we start to describe how the Spirit works through us is a much more useful question This book helps you answer that question and then applies principles about spiritual gifts to urban ministry Cities present particular challenges to the teams who live and minister in them Certain spiritual gifts are crucial to teams trying to love their neighbors and their neighborhoods as themselves Prophetic Voices Barbara AB Symons, 2023-02-01 The traditional haftarah cycle read on Shabbat and holidays during the Torah service contains a wealth of prophetic wisdom yet today it is too often forgotten or ignored Prophetic Voices gives new life to these ancient texts A diverse group of contributors including rabbis cantors scholars educators activists and poets provide short commentaries on each haftarah demonstrating their profound relevance to the present Moreover the volume boldly invites us to rethink the haftarah canon Going beyond the Prophets it presents alternative readings from Jewish texts biblical to contemporary New haftarot for each Shabbat and holiday are included plus haftarot for the Jewish American calendar from Yom HaShoah to Pride Month to Martin Luther King Jr Day The readings are enhanced by scholarly essays placing the Prophets in historical context and examining the role of prophecy in Reform Judaism Prophetic Voices summons us to listen study think and teach as well as to sing pray and march Published by CCAR Press a division of the Central Conference of American Rabbis Letters to My Son Vivienne E. Perkins Ph.D., 2015-07-30 After forty years of theological historical and scriptural study Vivienne E Perkins PhD came to a unique conclusion that mans entry into the modern and postmodern ages facilitated by the superficial thought of the Enlightenment philosophes undermined the traditional Christian understanding of human sin in relation to the God who created and sustains the universe This path had been blazed before her by the great Russian philosopher Lev Shestov and by the French Reformed Christian author of forty books on technology as well as the Gospel Jacques Ellul Believing that the evil effects of Enlightenment thinking pose an unrecognized obstacle to her contemporaries realizing the absolute necessity of a scriptural understanding of Christs role in saving man from his overwhelming social and personal sin which is now destroying the only planet upon which man can build a future Dr Perkins is determined to live her faith by adopting Daniel as her son and laying out a clear explanation of Western civilizations wrong turns during the last 250 years Modern man this author believes is so absorbed in worshiping his supposed technological progress that he does not yet see what Shestov Mumford Lyotard Ellul and other serious thinkers have seen that we misunderstand the real essence of progress and that the unrestrained technological progress we admire so much cannot give us a human future on a healthy planet Climate catastrophe looms and we are now facing a situation in which to repent to change is our only option **The Bible, Justice, and Public Theology** David J. Neville, 2014-10-09 Public theology is a developing field of discourse concerned to address

matters of pressing public concern in theological perspective for the common good Themes of ecology poverty human rights and especially justice feature prominently in its discourse Although justice is also a prominent theme in the Bible there is no single perspective on what constitutes justice in the Bible and no single view on how biblical perspectives on justice should contribute to contemporary discussion regarding the meaning and implementation of justice Informed and inspired by Christopher Marshall s landmark work on *Compassionate Justice* Cascade Books 2012 in dialogue with Jesus parables of the Good Samaritan and the Prodigal Son this collection of studies addresses various interrelations between the Bible justice and public theology Marshall himself proposes that certain parables of Jesus are paradigmatic for public theology and some contributors respond to different dimensions of his treatment of the parables of the Good Samaritan and the Prodigal Son in terms of restorative justice Other contributors by contrast examine broader related concerns such as justice in biblical theological and philosophical perspective the hermeneutics of engagement for justice the relation between feminist theology and restorative justice biblical resources for public theology and popular culture as both a conversation partner with and a medium for public theology
