Prophets of Psychoheresy: Critiquing Dr. James C. Dobson Martin Bobgan, Deidre Bobgan, 1989 Prophets of Psychoheresy Martin Bobgan, 1989 **Prophets of PsychoHeresy I** Martin Bobgan, Deidre Bobgan, 1989 The Quest for the Inner Human Steven H. Propp, 2013-12-03 Psychology means the study of the soul it is the social science concerned with investigating who we are why we have certain feelings and why we do the things we do Are we no more than a vast assembly of nerve cells and their associated molecules Is biology our genetic inheritance destiny or does social upbringing play a crucial role What are the roles played by Nature and by Nurture Are we purely physical beings or is there an aspect that can be called spiritual This thought provoking novel takes you on a journey of intellectual and emotional exploration considering along the way questions that weve all asked ourselves such as Is it true that we only use 10% of our brains Does playing classical music for infants increase their intelligence Do crime rates go up during a full moon Can hypnosis or post hypnotic suggestions make us do something we wouldnt normally do Does subliminal advertising influence us to buy products Are our memories stored indelibly almost like a tape recorder What causes memory lapses as we age Can repressed traumatic memories be recovered through hypnosis Do some people have multiple personalities How can I tell if someone has a neurosis or a psychosis Do men have an inner feminine side and women an inner masculine Are there innate psychological differences between males and females The four main characters in this book will guide you through a diverse and sometimes bewildering world of differing approaches to answering such questions such as Freudian Jungian and Adlerian Humanistic Existential and Transpersonal as well as Cognitive Emotive and Behaviorist Along the way you will learn about the developmental stages proposed by psychologists such as Erikson Kohlberg Piaget and Fowler and even explore some of the questions currently being asked by both neuroscientists and philosophers of the mind Start reading to begin your study of our innermost selves **The Biblical Counseling Movement** David Powlison, 2010-02-12 Beginning in the late 1960s a biblical counseling movement sought to reclaim counseling for the church and provide a Christian alternative to mainstream psychiatry and psychotherapy The Biblical Counseling Movement History and Context is an informative and thought provoking account of that movement David Powlison s historical account *“Not Afraid to Tell the Truth”* Ken M. Schmidt, 2011-07-22 This book was originally intended to be a 3 Volume set or Trilogy but has been shortened to a single volume and edited for publication as a single title Not afraid To Tell The Truth which could be subtitled Exposing the conspiracy of silence in the Last Days it is not a book about discipleship necessarily nor is it a book you could use as a guideline for counseling rather it is a book written with the intention of shedding light upon 13 contrasting themes running through the whole of Gods Word which the author believes have become confused by Western Christian wrong thinking preaching and practice in the last days of the Church age False teachers and heretical teachings have crept into the Church unawares bringing with it a form of captivity similar to the captivity of the nation Israel but with far graver consequences

after Adams (Foreword by David Powlison) Heath Lambert,2011-11-02 People inside and outside of the biblical counseling movement recognize differences between the foundational work of Jay Adams and that of current thought leaders such as David Powlison But as any student or teacher of the discipline can attest those differences have been ill defined and largely anecdotal until now Heath Lambert the first scholar to analyze the movement s development from within shows how biblical counseling emerged from and remains rooted in a commitment to the sufficiency of Scripture and the need to give practical help to struggling people He identifies contemporary leaders including Powlison Ed Welch Paul Tripp and Wayne Mack who emphasize the sinner as sufferer the heart as key to motivation and the need to interact humbly with critics Demonstrating how these refinements in framework methodology and engagement style are characteristic of a second generation of biblical counselors Lambert contends this new wave of counselors is now increasingly balanced in their counseling methods With a substantial foreword from David Powlison and strong support from prominent biblical counselors this book will help all Christians interested in the fundamentally theological task of counseling to think carefully and biblically about how it is taught and practiced *Foundations for Soul Care* Eric L. Johnson,2009-08-20 Eric L Johnson proceeds to offer a new framework for the care of souls that is comprehensive in scope yet flows from a Christian understanding of human beings what amounts to a distinctly Christian version of psychology This book is a must read for any serious Christian teacher student or practitioner in the fields of psychology or counseling **Integrating Faith and**

They provide personal reflections on their spiritual, personal, and professional journeys of interrelating their faith and profession. These stories inform, inspire, and encourage us, especially those who are in the caregiving professions.

The Christian's Guide to Living in the Last Days Vol.2 Billy Crone, 2019-01-03 It's not enough to just know we're living in the Last Days; the point is to do something about it. We are to take this prophetic information and redeem the time by living for Jesus and telling as many people as we can about Him so they can be saved before it's too late. Time is simply running out. The problem is most Christians are distracted, disinterested, or flat out apathetic, making no difference for Jesus in these Last Days. On top of that, their countenance is a bad walking advertisement for Jesus. Therefore, this book, *The Christian's Guide to Living in the Last Days Vol. 2*, seeks to equip you, the reader, with pivotal keys that are absolutely crucial if we're ever going to have that life-changing walk with Jesus in these final hours. Here you will learn such insights as *The Dangers of a Misplaced Mind*, *The Dangers of a Misplaced Lifestyle*, *Focus*, *Attitude*, *Behavior*, *Understanding*, and *Posture*. Turn your walk and witness around for Jesus before it's too late.
