Below them, there are several elongated, rounded shapes that could represent robes or beards. In the bottom right corner, there is a large, stylized cross. The overall composition suggests a religious or historical theme.

Prophets Priests And Kings:

Prophet, Priest, and King Richard P. Belcher (Jr.), 2016 Although early church fathers recognized the different roles of Christ John Calvin was the first to call attention to his distinct offices of Prophet Priest and King Starting in Genesis these offices recur time and again throughout the Bible Viewed alongside Christ s humiliation and exultation they give us a fully rounded understanding of His work as well as insight into the ongoing work of the Church In this biblical theology Richard Belcher explores and defines the basic functions of prophets priests and kings through an analysis of key Old Testament texts before discussing the fulfillment of these offices in Christ and the transformation of these offices for the Church its leaders and individual believers Includes study questions

Prophet, Priest, and King Richard P. Belcher, 2016 Richard Belcher explores the Old Testament to define the basic functions of prophets priests and kings through an analysis of key texts He then explains how these offices are fulfilled in Christ understood in the context of his humiliation and exultation A nuanced view of Christ s work through these offices points us to how the church its leaders and individual believers also fulfill these roles Includes study questions

Finkbeiner,2017-10-05 The latest in the PROPHETS PRIESTS AND KINGS SERIES is here for serious Bible students Misunderstandings and misinformation on the true priesthood of Christ are addressed by several hundred relevant Scripture passages With God s Word as the authority the role of priests is defined before the search for the mysterious Christ like figure Melchizedek can begin The entire Bible is examined for clues to the man that Genesis 14 18 calls Priest of God Most High Following each lead Scripture takes the investigation in a unique direction Concluding Melchizedek had flesh and blood pays dividends when the pursuit leads to a person of interest From there a case is solidly built for one of the most dramatic Bible discoveries of any era Until now God has cloaked Melchizedek in mystery Solving this mystery is the Lord s gift to his last day s saints The Priests of God Knowing who was hidden behind the veil will have tremendous implications for the priestly order of Melchizedek Get ready to be challenged Get set to objectively re think and re examine all you have learned about prophecy Be prepared for a life changing and mind blowing experience You must be open to the Spirit Your destiny as God s servant awaits **PROPHETS PRIESTS & KINGS** A. Prophets, Priests and Politics Stephen Disraeli, 2024-03-28 The prophets of the Old Testament were speaking in the first instance to the people of their own time This means that we need to locate the prophets in the history of their own time in order to understand them in the first instance I propose to survey Israel s history mainly in terms of the work and role of the prophets from Moses to Malachi Of course they were interacting with the temple priesthood and with the disciples of Machiavelli who cannot be left out of the story God himself is in the background of this history pursuing his purposes through these events and making his will known which brings us back to the prophets I ve been a student of history since I was nine years old a simple transition from an interest in maps My mind itches instinctively to arrange things in chronological order In fact I was trying to synchronise the kings and prophets for my own interest while I was still at school However this will not be an academic work My chief source of information will be the Old Testament itself The story is told from a Christian viewpoint or even a Protestant viewpoint as will be evident from time to time Yet faith will not be overpowering the critical spirit The charioteer will be running these two horses as a team
