## **Prophets To Planets Religion And The Real World:**

*Prophets to Planets: Religion and The Real World* Ira White, 2004-04-16 Can we presuppose that God exists beyond mere belief And can religious documentation and worldview find convincing support from empirical evidence and reason alone Prophets To Planets Religion and The Real World attempts to answer these questions through a process of evaluating historical scientific philosophical and moral elements from the past and present and does so apart from direct theology and scripture itself From our religious founders to mysteries of the universe this concise personal perspective challenges our preconceptions about faith and spirituality and begs us to look at the world around us for potential proof of their validity

**Handbook of Hyper-real Religions** Adam Possamai, 2012-03-28 Hyper real religions are innovative religions and spirituality that mix elements of religious tradition with popular culture Through various case studies this book studies the on and off line religious spiritual consumption of these narratives through a social scientific approach [Queering the Prophet](#)

L. Juliana M. Claassens, Steed Vernyl Davidson, Charlene van der Walt, Ashwin Thyssen, 2023-10-27 What does it mean to be a prophet in queer times Considering first the queerness of the prophet Jonah this volume then broadens its scope to the queer prophetic in our own time reflecting on what makes a prophet queer and considering how public theology is itself an example of the queer prophetic With a broad range of international contributors this book offers a bold and essential new addition to queer biblical studies literature

My Religion: Reel Or Real? Benjamin A. Vima, 2013-09 As the cradle religion I belong to has been at every age probing into her managing and conserving of the Mysterious Treasures entrusted to her with the enlightenment offered by Vatican Council II I too longed to scrutinize my own handling of Catholic Christian Faith I wanted to examine whether the religion I practice personally was real or reel tTrue or false gGenuine or false aAuthentic or artificial hHeartfelt or routine fFruitful or poisonous oOriginal or counterfeit sSingle hearted or double hearted Certainly as a priest I had lot of occasions like recollections and retreats regularly to regularly assess the genuineness of my religious holdings and practices Though I began 10ten years back gathering all my scribbles and journals of evaluation about my personal religion I started putting them seriously into a book form only after Pope Benedict XVI announced year 2012 as the Year of Faith I considered it a call from God who wanted to befriend me more intensely and to promote to my friends this habit of assessing one's own faith This

is how this book was conceived and shaped This book can be considered as a self imposed act of examining my conscience about the identity nature and application and practice of religion in my life I hope and pray this effort of mine will surely assist my readers do the same not only during this Year of Faith as it would be ended 24 November 24 2013 but also later on in life when tumult of waves and trials is daunting against our faith and religion **Christianity and American State**

**Violence in Iraq** Christopher A. Morrissey, 2018-03-09 The world continues to be threatened by non state religiously rationalized violence While some fail to see the connections between the United States intervention in the Middle East and this ongoing threat the non state perpetrators of terror consistently identify American meddling as one of their principle motivating grievances What are the social and cultural roots of different religious positions on the war in Iraq Christianity and American State Violence in Iraq returns to a critical moment in U S foreign policy during which American Christians publicly debated war in Iraq It examines the religious precepts that were used to argue both for and against the United States military engagement in Iraq To capture this behavior Christopher A Morrissey delves into the distinct social and cultural origins of both war supporting and war challenging positions His analysis represents an improved understanding of the public role of religion in important foreign policy debates and helps us better understand how religious culture can legitimate or challenge state violence An original and timely resource on the social sources of religion s ambivalence towards violence and peace in the US and abroad **A Religious Encyclopædia, Or, Dictionary of Biblical, Historical,**

**Doctrinal, and Practical Theology** Schaff, 1883 Invented Religions Carole M. Cusack, 2016-05-06 Utilizing contemporary scholarship on secularization individualism and consumer capitalism this book explores religious movements founded in the West which are intentionally fictional Discordianism the Church of All Worlds the Church of the SubGenius and Jediism Their continued appeal and success principally in America but gaining wider audience through the 1980s and 1990s is chiefly as a result of underground publishing and the internet This book deals with immensely popular subject matter Jediism developed from George Lucas Star Wars films the Church of the Flying Spaghetti Monster founded by 26 year old student Bobby Henderson in 2005 as a protest against the teaching of Intelligent Design in schools Discordianism and the Church of the SubGenius which retain strong followings and participation rates among college students The Church of All Worlds focus on Gaia theology and environmental issues makes it a popular focus of attention The continued success of these groups of Invented Religions provide a unique opportunity to explore the nature of late post modern religious forms including the use of fiction as part of a bricolage for spirituality identity formation and personal orientation **Expecting**

**Armageddon** Jon R. Stone, 2011 The expectation of an end to time and the yearning for a millennial paradise have been recurring themes in Western religious thought But when we speak of expectation of the world s end we are mindful of the fact that generation after generation of millenarians have been disappointed Their endtime hopes and prophecies have not come true What happens one might ask when prophecies fail Does failure spell the end of the very movements that embrace

such expectations The aim of this anthology is to gather together in one volume the essential research from the fields of sociology and psychology *Prophetic Visions of the Future* Diane Stein, 2011-11-09 We all want to know what will happen to the earth and to those who come after us our children and our grandchildren Diane seeking an answer has gone to women visionaries and seers women who channel the future and those who bring it to life in their writings This is the time Diane avers for women to define what needs to be changed and begin to do the work By women's power of thought and creation we together can make a better world **The New Schaff-Herzog Encyclopedia of Religious Knowledge** Johann Jakob Herzog, Albert Hauck, Samuel Macauley Jackson, Charles Colebrook Sherman, George William Gilmore, 1911 **The New Schaff-Herzog Encyclopedia of Religious Knowledge: Son of Man-Tremellius** Albert Hauck, Samuel Macauley Jackson, Charles Colebrook Sherman, George William Gilmore, 1911 *The Psychology of False Beliefs* Joseph P. Forgas, 2025-04-30 This exciting book outlines the fascinating social psychology of false beliefs and tribal delusions examining the common human tendency to create and maintain collectively shared belief systems that have no foundation in reality Bringing together leading international researchers contributors explore how evolutionary biological cognitive and social variables shape the creation and maintenance of widely shared but obviously false belief systems The authors review how psychological processes promote the formation and maintenance of fallacious beliefs and discuss the philosophical and epistemological criteria we can use to classify some beliefs as false and others as true The chapters draw on many core areas of contemporary social life where false beliefs are of topical interest highlighting the applied implications of this line of research Topics include political polarisation false narratives about group differences pandemic conspiracy theories fallacious theories in academia and the role of the media and the internet in creating distorted narratives This book is engagingly written and will be of great interest to students and researchers in social psychology and the social sciences as well as anyone seeking to understand one of the most intriguing issues that shape human social life
