Prophets Volume 1:

The Twelve Minor Prophets Carl Friedrich Keil, Franz Delitzsch, 1868 *Twelve Prophets: Hosea, Joel, Amos, Obadiah, and Jonah* Peter C. Craigie, 1984-01-01 Taken together the Twelve Prophets offer a panoramic view of Israel's religion during one of the most critical periods in the Israelites' history. Hosea, Joel, Amos, Obadiah, and Jonah are the figures considered in this first of Peter C. Craigie's two-volume work. Although differing in substance as well as style, these prophetic books are united in their common purpose: the declaration of the word of God to the people of God. Carrying forward brilliantly the pattern established by Barclay's New Testament series, the Daily Study Bible has been extended to cover the entire Old Testament as well. Invaluable for individual devotional study, for group discussion, and for classroom use, the Daily Study Bible provides a useful, reliable, and eminently readable way to discover what the Scriptures were saying then and what God is saying today.

The Wiersbe Bible Study Series: Minor Prophets Vol. 1 Warren W. Wiersbe, 2013-02-01 The twelve books of the Minor Prophets are anything but minor. Spanning 450 years, these writings offer a revealing look into the character, nature, and heart of God. Based on six Minor Prophets: Hosea, Joel, Jonah, Nahum, Habakkuk, and Malachi, this study offers rich perspective on how God's plans and purposes intersect in the lives of His people. The Wiersbe Bible Studies Series explores timeless wisdom found in God's word. Based on Dr. Warren W. Wiersbe's popular BE series, each study provides topical, relevant insights from selected books of the Bible. Designed for small groups, this eight-week study features selected commentaries from Be Amazed, engaging questions, and practical applications, all designed to help you connect God's word with your life. **Chronicles of**

Georg Heinrich Ewald, 2006-03-17 It is infinitely better to commence a study of the prophets with what they themselves have written, rather than with the meagre narratives and scattered legends of their deeds and words. In their own writings, they have most distinctly and trustworthily laid bare their spirit. Whoever desires to know in their inmost hearts these heroes of divine truth, and to admire their genuine greatness, should learn first to understand their words and actions, as

they themselves have recorded them It is here that they approach us most closely and confidently inviting us most irresistibly to make ourselves acquainted with them from the Introduction

Berit Olam: The Twelve Prophets Marvin A. Sweeney, 2016-03-16 There is generally no common material that binds together the works of the individual prophets that comprise the Twelve but through Sweeney's commentary they stand together as a single clearly defined book among the other prophetic books of the Bible The Book of the Twelve Prophets is a multifaceted literary composition that functions simultaneously in all Jewish and Christian versions of the Bible as a single prophetic book and as a collection of twelve individual prophetic books Each of the twelve individual books Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi begins with its own narrative introduction that identifies the prophet and provides details concerning the historical setting and literary characteristics In this manner each book is clearly distinguished from the others within the overall framework of the Twelve By employing a combination of literary methodologies such as reader response criticism canonical criticism and structural form criticism Sweeney establishes the literary structure of the Book of the Twelve as a whole and of each book with their respective ideological or theological perspectives An introductory chapter orients readers to questions posed by reading the Book of the Twelve as a coherent piece of literature and to a literary overview of the Twelve Sweeney then treats each of the twelve individual prophetic books in the order of the Masoretic canon providing a discussion of each one's structure theme and outlook This is followed by a detailed literary discussion of the textual units that comprise the book
